DOES BIG BUSINESS

Largest Month's Receipts in Clackamas County Recorder's Office

During July the largest month's business ever done in the county recorder's office was transacted by Recorder Ramsby and his efficient deputies. The total receipts for the month were \$620.55, and Mr. Ramsby says he is unable to find any one month's receipts in the past that equal that. Not even the "big" month this spring when one railroad mortgage paid nearly \$100 fees.

An idea of the growth of business in this county is gleaned from a comparison of last month's receipts, \$620.-55, with July a year ago, \$324.10almost doubled in 12 months.

The instruments recorded were: Deeds 231, mortgages 47, satisfaction of mortgages 31, assignment of mortgages 4, chattel mortgages 25, miscellaneous 69, marginal cancellations 42, certified copies 124.

The increase over a year ago is very large. For instance last year only 179 deeds were recorded, only 11 chattel mortgages, and no certified copies made. The large number of the latter made in July were mostly copies of the S. P.'s right of way and land grants in this county, ordered for some unknown reason by the com-

The miscellaneous include the applications for purchase of Oregon & California land. At least 60 of the 69 miscellaneous were such applications and at the rate they are coming in all of the O. C. land grants in this county will soon be applied for. There were 89 applications filed in June and there are now about 200 altogether. If the government does compel the railroad company to live up to the provisions of the grant and sell the land for \$2.50 an acre, there will be some tidy sums made by the Clackamas boys who were willing to take a chance.

Receipts of Clerk's Office.

July was an exceptionally dull month in the office of County Clerk Greenman, the receipts only totaling \$329.15, the lowest for many a month.

The abolition by the last legislature of the district attorney's fee of \$10 in divorce cases has very materfally cut down the receipts in the clerk's office. During July there were 13 divorce suits filed, which under the old law would have added \$130 to the receipts.

PROBATE COURT.

The estate of the late Francis L. Pickard was ordered settled and closd in the county court Tuesday, and administrator H. L. Harcourt, was ordered to distribute the funds of the estate equally among the three heirs, who will receive \$740 each. Judge Thomas F. Ryan is attorney for the estate.

The property of George Meyer will probably be sold upon the petition of Mrs. Meyer that has been filed in the county court. Meyer was a resident of Canby, and has been an inmate of the State Insane asylum for the last six years. A citation has been issued to those interested, asking them to appear before the court and show cause, if any, why the property should not be sold.

DESERTED BRIDE OF TWO MONTHS

Dorris May Garrette has filed a suit against Thomas Garrette for a decree of divorce. They were married March 15, 1906, in Waxahachie, Tex., and the plaintiff alleges desertion on the part of her husband, May 15, 1906, two months after their marriage and failure to support.

SOLD MEAT MARKET.

R. A. Sawyer has sold his meat market business at Fifth and Main streets to Henry Strebiz, the young man who has been assisting Mr. Sawyer in the shop for some time past. Mr. Strebiz says he is entirely independent of any outside concern and will sell only the Coast for a few weeks' rest.

FOREST FIRE AT BARTON

Strip Three Miles Long And One Mile Wide Is Burned Over

A big fire destroyed the timber on a strip three miles long and from one-half to one mile wide, east of Boring, Tuesday and Wednesday.

The fire was started by a spark from a locomotive on the O. W. & P. and burned with great rapidity and flerceness. The burned area extends from Sifer to Barton. The fire was checked at 7:50 o'clock Wednesday night.

The O. W. P. company sent 30 men to fight the fire and most of them worked 30 hours without hardly any rest. The fire was finally checked by back firing from a road crossing.

J. Kinder, an O. W. P. conductor residing in Oregon City, had charge of a freight during the fight with fire, hauling water tanks, etc. Mr. Kinder describes the fire as an exceptionally flerce one and the work of subduing it doubly exhausting because of the great heat Tuesday and Wednesday, It was only by the hardest and most faithful kind of work that a far more disastrons fire was prevented, as the woods are dry as tinder.

The scene was one of grandeur, especially when the fire would reach a young fir, covered with buttons of pitch. The flames would shoot up for 200 feet.

An immense volume of smoke hung over the burning forest, causing much alarm for many miles around among ranchers who feared for their houses and crops. R. D. Teter of Viola, on his way to Clackamas Station, saw the smoke and thought the fire was much larger than it was

HAD AN AWFUL TIME.

But Chamberlain's Colic, Cholera and Diarrhoea Remedy Cured Him.

It is with pleasure that I give you this unsolicited testimonial. About a year ago when I had a severe case of measles I got caught out in a hard rain and the measles settled in my stomach and bowels. I had an awful time and had it not been for the use of Chamberlain's Colle, Cholera and Diarrhoea Remedy I could not have possibly lived but a few hours longer, but thanks to this remedy I am now strong and well. I have written the above through simple gratitude and I shall always speak a good word for this remedy-Sam H. Gwin, Concord, Ga. For sale by Howell & Jones.

PIKE-POLE CUTS OUT PART EYELID

Bob Stevens of Wilsonville was jumping from a raft of logs Wednesday when a pike pole struck him just under the eye. It tore out the lower part of the cyclid. He was taken to a hospital in Portland. It is thought the eye can be saved. He wore glasses, making the injury more severe. He has a wife and four children.

CRUSHED BY LOGS ROLLING FROM LOAD.

David Cole, residing between Wilsonville and Tualatin, was hauling logs on a side hill Wednesday, when the logs rolled and caught him between his load and a standing tree, crushing his leg between the thigh and knee. He was also injured internally. He was taken to a Portland hospital. His recovery is doubt-
