

# CALL FAIR MEETING

Stockholders Notified to Meet at Court House August 13 to Organize

## STOCK SELLS RAPIDLY

Over 60 Shares Sold at Canby—Towns Bidding For Permanent Location of Clackamas Fair.

Most encouraging news comes from the country and small town districts in regard to the county fair. The people everywhere are enthusiastic and many are subscribing for stock in the association.

"There would be little difficulty in disposing of the entire amount of stock, 400 shares, right here in Oregon City," said Captain Shaw, chairman of the committee on organization.

Now with the news of subscriptions to stock in the country, the committee realizes success is assured and has issued the following call for an organization meeting:

"Notice is hereby given that there will be a meeting of the stock holders of the Clackamas County Fair association, at the county court house, at 2 o'clock p. m., Tuesday, August 13, 1907, for the purpose of electing a board of directors, and for the transaction of any other business that may come up for consideration.

"It is quite necessary that all holders of stock be present either in person or by proxy.

"Proxies may be sent to the undersigned at Oregon City, at any time prior to the meeting, or to any one designated by the holder of stock. Jas. P. Shaw, chairman committee on organization."

The preparation and publishing of a premium list is the most pressing work after organization.

This year's fair will be held in Gladstone park, but it is quite uncertain where the second one will be held, for several suburbs are pulling for the permanent location. Willamette offers very desirable grounds and good car service.

### ABOUT FRUIT.

The law that makes it necessary for the county fruit inspector to destroy infected fruit and to see that it is not offered for sale in the market, is as follows, says an exchange:

Section 5. It shall be unlawful for any person, firm or corporation to import or sell any infected or diseased fruit of any kind in the state of Oregon.

Section 6. Every person who packs or prepares for shipment to any point without the state, etc., any fruit or fruits, cured or dried, that is infected with insects, pests, or diseases injurious to trees, shrubs, plants, fruits or vegetables, is guilty of a misdemeanor.

Section 7. Any person, firm or corporation violating any of the provisions of this act shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than twenty-five (\$25) dollars nor more than one hundred (\$100) dollars.

The above is taken from the law as passed by the legislature and known as H. B. No. 238. This law should be observed as it will surely get some one into trouble if they are not careful.

## TWILIGHT

Miss Annie Wilheart was out from Oregon City, where she is sewing, to spend Sunday with her father, William Wilheart.

Miss Rachel McCord of Portland visited over Sunday with her parents, Mr. and Mrs. William McCord.

James Hilton and sister, Mrs. Nora Stragham, spent Sunday with their sister, Mrs. Earl, who is camping at Willsonville.

Deputy district attorney of Sherman county, M. J. Meindl, has joined his wife in a visit at the home of her parents, Mr and Mrs. George Lazelle. He will enjoy a three weeks' vacation at Mountain Ash farm.

The Twilight Improvement club lawn social at Mountain Ash farm, the home of Mr. and Mrs. George Lazelle, Saturday evening, was a decided success, both socially and financially. The evening was perfect and a large crowd attended.

### BUENA VISTA NOTES.

Mr. and Mrs. John Finucane and son John went to Seaside Sunday morning and returned home Monday, after having spent a very pleasant day.

A ten pound baby was born to Mr. and Mrs. Ferguson, on Friday, August 2.

The Lamb family moved from their former home on J. Q. Adams street to their home in Buena Vista.

A stranger appeared at the home of Marshall Thurston, on July 28, in form of an eleven pound boy.

The Smith hayfield caught fire Tuesday night. The wind blew a spark from a burning brush pile into the field, but it was stamped out before much damage was done.

Mrs. Boyer is expected home from a short trip to the mountains the latter part of the week.

Everett Albert made a flying business trip home Tuesday night. Dave Cotto and baby have the whooping cough.

### MYERS' MYTHICAL BANKS.

Several months ago a savings bank was incorporated for Oregon City by F. L. Myers and others, with a capital stock of \$5000. The same parties incorporated a number of others for different towns of the state. The organizations were never completed, and people have wondered who Myers was. The Pacific bank of Portland says Mr Myers' institution in San Francisco was closed by the board of bank commissioners, and declares that for Mr Myers to come into Oregon and organize 15 to 20 banks, with alleged parent institution in Portland, the German-American bank, it considers a species of unmitigated gall.

### SELLS SANDY STAGE.

Newton Orr, for many years proprietor of the Sandy-Boring stage line, has sold that enterprise to Emmett Donahue of Sandy.

## CLOSE ALL GAMBLING

District Attorney Hedges Issues Order to Strictly Enforce State Law.

## WILL AFFECT ASTORIA

City by the Sea Only One in District Where Open Gambling Has Been Allowed.

True to his policy of not acting locally in the enforcement of state laws, District Attorney Gilbert L. Hedges issued an order Tuesday afternoon closing gambling in all the four counties of the Fifth judicial district—Clatsop, Clackamas, Columbia and Washington.

When Mr. Hedges issued his saloon order two weeks ago, he stated at that time he would consider the entire district in enforcement of state laws.

This gambling order will affect Astoria as that is the only city where open gambling is allowed. The city by the sea has been a "wide open" town for years, and its gambling houses have been under the protection of the city authorities. Dispatches from Astoria state the gamblers say they will make no attempt to evade the law, but will obey the district attorney's order.

Mr. Hedges received assurances Tuesday that the city authorities of Astoria would be neutral in the matter of closing the gambling houses, and so he issued the following order to his deputies, John C. McCue, of Astoria, Clatsop county; John M. Wall of Hillsboro, Washington county; and W. H. Powell of St. Helens, Columbia county.

### District Attorney's Order.

To whom it may concern: I call attention to section 1944 of Bellinger and Cotton's Annotated Code and Statutes of Oregon, which reads as follows:

Gambling unlawful. Each and every person who shall deal, play, carry on, open or cause to be opened, or who shall conduct either as owner, proprietor, or employee, whether for hire or not, any game of faro, monte, roulette, rouge et noir, lanquet, rond, vingtun (or twenty-one), poker, draw-poker, brag, bluff, thaw, or any banking or any other game played with cards, dice, or any other device, whether the game be played for money, checks, credits, or any other representative of value, shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not more than five hundred dollars, and shall be imprisoned in the County Jail, until such fine and costs are paid; provided, that such person so convicted shall be imprisoned one day for every two dollars of such fine and costs. And provided further, that such imprisonment shall not exceed one year.

On and after Tuesday, August 13, 1907, the above section of our statutes will be strictly enforced in the Fifth Judicial District, State of Oregon, comprising the counties of Clackamas, Clatsop, Columbia and Washington.

That the enforcement of said section may prove effective, I call upon the press, municipal authorities and the best citizens in the district to cooperate with me in this matter.

GILBERT L. HEDGES, District Attorney for the Fifth Judicial District, State of Oregon.

Dated at Oregon City, this 6th day of August, 1907.

### Remedy for Diarrhoea. Never Known to Fail.

"I want to say a few words for Chamberlain's Colic, Cholera and Diarrhoea Remedy. I have used this preparation in my family for the past five years and have recommended it to a number of people in York county and have never known it to fail to effect a cure in any instance. I feel that I can not say too much for the best remedy of the kind in the world."

**There's a Reason for Everything**

The reason we enjoy the largest dental practice in Oregon City is because we try to excel in our work. Our work lasts, we never do poor work. The people know it. Our constant effort is to give not "just as good" but the best work, and that for as little money as possible. Our recent trip East to the great centers of dental education, was for the purpose of giving you the latest and best, up-to-date dentistry. Our seventeen years of successful practice in Oregon City is the best guarantee any dentist can give you. A guarantee is good only as long as you can find one who gives it, and then not always. We are careful not to hurt you, as we have feelings ourselves. We want your work and want you to send us your friends. Have an eastern expert graduate assistant dentist. We put our own name back of our practice. Our prices are the lowest in the city for good work.

### HORSES ARE HIGH.

E. C. Smith shipped in a good bunch of horses from eastern Oregon to Oregon City some time ago and sold part of them. They were then taken to Woodburn and Salem and are now in this city, says the Albany Herald, and the remainder of the herd will be taken to Eugene. Mr. Smith says horses are very high east of the mountains. The bucaros had all gone to harvesting at big wages, so that he could not hire the horses driven across the mountains to Albany direct.

### EXIT CARUS POSTOFFICE.

The Carus postoffice will be discontinued August 31. Although word to that effect has not yet been received, it is the supposition the majority of the patrons of the Carus office will be served by rural free delivery from the Oregon City postoffice.

These contests, and the prizes will be as follows: Married men's race—Electric flashlight, donated by C. G. Miller. Married women's race—White lace parasol, donated by L. Adams.
