## OSWEGO.

Mr. Hostman has turned his attention to the river and is improving the river front by cleaning up the old

brush and other trash. He is on the right track now. He took Uncle Thos. Fox to the prize fight and would not let him spend one cent. We think our boy Charles is on the right track. Uncle H. M. Fox is the happy man of the town. He does lots of fishing near the mouth of Oswego lake.

Mr. Nelson has been building a fine fence around his property.

We hear the right of way for an electric road has been secured from Portland to Oswego at less than \$7 per acre. That was the first price asked. We hope to see Oregon City come to the front on the south and give us a through line from Portland to Oregon City.  
The Catholic school building is nearing completion and looks fine and a credit to the place.  
Uncle Bill Miller is spraying the town and all the fruit trees he can find.  
Dr. A. J. Rossiter will build on his property on Front street—new town—soon. The plans are out and in the contractor's hands.

We are very sorry to note the death of Mrs. A. J. Fournier. She was sick only four days with pneumonia. Mrs. Fournier leaves to mourn her demise, A. J. Fournier, her husband, George H. The funeral took place at the Oswego cemetery March 10 at 2:30 p. m. About thirty carriages followed the remains to the last resting place. Rev. Moore preached the funeral sermon.

## LOGAN.

The following resolution was adopted by Harding Grange on March 17, without a dissenting vote or voice. Over fifty members attended the meeting and the strongest expressions in favor of Statement No. 1, were from Republicans so it can not be passed off as a partisan move by the other side.  
Whereas, unscrupulous political leaders are making a determined effort to defeat the expression of the will of the people in electing U. S. Senators through Statement No. 1, and  
Whereas, this would cause a return to a system which has proven very unsatisfactory in many ways, especially in affording an opportunity for the corrupt use of money,  
Therefore, be it resolved, by Harding Grange No. 122, P. of H., in regular meeting assembled, that we believe the people are intelligent enough to elect U. S. Senators themselves and that we urge voters of all parties to vote only for such legislative candidates as subscribe to Statement No. 1.  
The W. O. W. lodge had a reunion and gave a supper on the 7th. Many members of other lodges were present.

Jacob Grossmiller has been unfortunate of late. From some unknown cause he has lost a valuable cow and also his best horse. Accidents like this make good times look bad.  
Herman Moehke came near having a serious accident last Sunday. On their way to church the buggy tipped over and himself, wife and little child fell out, but as good luck would have it, the horse was gentle and seeming to understand, stood still. The only damage was a pair of broken shafts.  
G. A. Shubel and E. W. Hornsensch went to Oregon City on business last Wednesday.  
John Heft chief boss, Chris Blumh, and Will Mow are building the new Highland school house.  
We are glad to see Mr. U'Ren become a candidate for U. S. Senator. No man in Oregon is more entitled to the honorable position, and no man is better qualified nor more earnestly interested in the welfare of the common citizens. Should he win the coveted prize, it would prove a turning point in the history of Oregon, and a step forward on the part of those who love purer and better government.  
Our schoolhouse looks like a new building on the inside since the partition has been moved and a fine stage for entertainments, etc., put in. The money received from the entertainment is beginning to speak for itself. We also have a good double gasoline lamp which is an improvement over the oil lamp of other days.

Delsa was an amiable girl, loved and respected by all her neighbors and friends. She suffered severely about five days. We all feel confident that she now takes her abode in the beautiful home of the Father, for the Christ says, "I go to prepare thee a place in thy Father's mansion." She indeed is well worthy of the glory. The Rev. Mr. Smith of Portland preached the funeral services. The interment took place in the cemetery at Clackamas. She died of typhoid pneumonia.
