

# OREGON CITY ENTERPRISE

FORTY-SECOND YEAR—NO. 13.

OREGON CITY, OREGON. FRIDAY, APRIL 3, 1908.

ESTABLISHED 1866.

## CANDIDATES HAVE FILED

TWENTY-THREE REPUBLICANS IN SEARCH OF COUNTY OFFICES IN CLACKAMAS.

## TWELVE TO BE CHOSEN

Seven Aspirants For Legislative Honors and All Are on an Equal Footing in Support of Statement No. 1.

Twenty-three Republicans have filed nominating petitions for county offices. Eleven of these aspirants will have no place on the general election ballot in June, for there are only 12 offices to be filled. There are seven candidates for the legislature, and every one of them have signed Statement No. 1 as have the three Democratic candidates. Three Representatives are to be elected from Clackamas County: F. M. Gill, of Estacada, and E. D. Olds, of Oak Grove, subscribed to Statement No. 1, when their petitions were filed, but J. U. Campbell, Linn E. Jones, Walter A. Dimick, Charles H. Dye of Oregon City, and George W. Dixon, of Canby, in their original filings promised their support of the People's Instruction Amendment, but they found that the country voters were antagonistic to the amendment and the sentiment was general that the proposed rider to the Constitution was calculated to kill off Statement No. 1. One by one the candidates for the legislature changed their petitions, until now they all stand on an equal platform.

There are four candidates for the Republican nomination of Assessor, and the same number for Commissioner. James F. Nelson, the incumbent, is a candidate for re-election to the office of assessor and he is opposed by Harry S. Moody, of Oregon City; George F. Horton, of West Oregon City, and W. H. Holder, of Garfield. Enos Cahill, of New Era, E. E. Judd, of Molalla, W. H. Mattoon, of Viola, and Robert S. Coe, of Canby, are candidates for commissioner. Richard L. Greaves, for sheriff; Fred W. Greenman, for clerk; T. J. Gary, for school superintendent; Chauncey E. Hamby, for recorder of conveyances; J. C. Paddock, for treasurer, and S. A. D. Hunsate, for surveyor have no opposition for nomination. All of these candidates except Mr. Greaves are asking for a second term. The Republicans are determined to elect their entire ticket this year. There are two candidates for coroner, R. L. Holman, the incumbent, and Dr. C. A. Stuart.

The Democrats have no candidate for the offices of clerk, treasurer, school superintendent and surveyor, but blank spaces will be left on the primary ballots and any Democrat whose name is written on the ballot will be the regular nominee of his party, provided he obtains the highest number of votes for a particular office. It is very possible that the Democrats will fill the vacant spaces on their ticket in this manner.

The following Democrats will be nominated for county offices: R. B. Beattie, sheriff; W. F. Young, of Wilsonville, L. W. Robbins, of Molalla, and W. A. Heylman, of Estacada, Representatives; J. E. Jack, of Oregon City, assessor; William Heerd, of New Era, recorder of conveyances; J. W. Smith, of Mackeburg, commissioner.

Proclinet nominations have been made as follows:

**Republicans.**  
Justice of the Peace—E. L. Davidson, No. 2; John F. Clark, A. M. Sinnott, W. H. Samson, No. 4; B. F. Smith, No. 15; T. J. Jubb, No. 41; T. G. Jonsrud, No. 13; W. H. Wettlaufer, No. 10.

Constable—R. T. Barbur, No. 4; J. A. Graham, No. 6; Bert Jonsrud, No. 13; L. P. Spagle, No. 15.

Committeemen—C. T. Howard, Milk Creek; D. R. Hubbard, Marquam; H. T. Melvin, Barlow; A. H. Knight, Canby; Thomas Howell, Oak Grove; Henry Johnson, George; G. W. Prosser, Oswego; John P. Cole, Molalla; J. E. Mitts, Needy; C. W. Parrish, Abernethy; Livy Stipp, Oregon City, No. 2.

**Democrats.**

Justice of the Peace—A. F. Parker, No. 4; F. H. Dungan, No. 8.

Constable—A. Miles, No. 4.

Committeemen—J. H. Daly, Mackeburg; W. H. Engle, Molalla; John Kent, Abernethy; W. B. Stafford, Oregon City, No. 3; John Mullenhoff, Damascus.

## BOTH SIGN STATEMENT.

W. A. Dimick and Linn E. Jones Would Curtail Campaign Expenses.

Walter A. Dimick and Linn E. Jones, candidates for the Republican nomination for the legislature, have announced a change of their platforms relative to the election of United States Senators. Both Mr. Dimick and Mr. Jones promised in their original petitions to be governed by the action of the voters in June on the People's Instruction amendment, but they have found that the great mass of the voters are not familiar with this measure, and as they do not feel justified in making an expensive campaign of education, they have signed Statement No. 1, which does not dif-

fer materially from the Instruction Amendment. Mr. Dimick gave out the following interview in which Mr. Jones concurs:

"Owing to the fact that so many people misunderstand the true intent of the bill to be submitted at the June election instructing the members of the Legislature to vote for the people's choice for United States Senator, which I have already pledged myself to abide by, I have decided to withdraw that statement and sign the original Statement No. 1, as it appears in the direct primary law. I have always advocated majority rule and the election of United States Senators by the people. I believe that both statements are identical as far as results are concerned, but the expense of making a campaign on the instruction bill statement is not justified, when the results obtained in either case would be identical."

## GARY TO REPRESENT LOCAL GROCERYMEN

WILL GO TO BOSTON EARLY IN MAY AND HELP BOOM OLD CLACKAMAS.

T. J. Gary, of Willamette, will represent the Grocerymen's Association of Oregon City at the annual convention of the National Association at Boston early in May. He was unanimously elected Monday night at a meeting of the local association, and will leave Portland May 4 on a special car, in company with grocerymen of Oregon and Washington, and they will make stops at Denver and other western points to permit other delegations to join them. The local association is affiliated with the grocerymen of the State and is proposed to send delegates to Boston and from every town of importance in Oregon, with the primary object of inducing the national convention to come to Portland next year. It is considered that the presence of 1000 merchants from the various sections of the United States will be productive of immense benefit to Portland and the Oregon country.

The cost of sending a delegate from this city will be about \$200 and the local grocerymen are going to request the financial aid of the business men and commercial organizations of Oregon City in the undertaking. Frank T. Barlow, H. P. Brightbill, W. W. Myers and V. Harris have been appointed a committee to interview the merchants and solicit funds. It is represented that Mr. Gary would be able to take with him to Boston and other parts of the East a large quantity of advertising matter for distribution, with the idea of inviting homeseekers to Clackamas County.

## MR. DYE TAKES STATEMENT.

J. W. Gray Will Run as Independent Candidate for Superintendent.

The local political sensation that developed Friday by Walter A. Dimick and Linn E. Jones making a change in their platforms by signing Statement No. 1 in place of the people's instruction amendment, has been further heightened by similar action on the part of Colonel Charles H. Dye, who was a member of the last legislature. Mr. Dye takes the same position as the other two candidates, that while the amendment is practically the same as the Statement, the mass of the country voters do not understand it as such, and believe it to be an evasion.

Another political development of interest is the announcement of the withdrawal of Joseph W. Gray from the race for the Republican nomination of County school superintendent. Mr. Gray, however, is not out of the race, but will contest the election of Mr. Gary in June by appearing on the general election ballot as an independent candidate. He states that he is at a disadvantage in having only a few weeks to make the fight for the nomination and has no reasonable hope of beating Mr. Gary at the primaries, and therefore he will antagonize the regular Republican nominee. The Democrats do not expect to have a candidate for this office.

By the time the Enterprise will have reached the majority of its readers there will remain but very few days to secure votes for the nine young ladies who have been hustling for the past seven weeks in one of the most successful contests ever held by a weekly newspaper.

For the past few weeks the race among the leaders has been a decidedly even one, and as the close draws near there is every indication of a most exciting finish.

The coupons have all been counted and only bona fide paid-in-advance subscriptions are good for votes from now on till the close on Tuesday evening, April 7th at 8 p. m. All who have contemplated subscribing for the Enterprise should do it now—with emphasis on the "now." The young ladies have almost to one worked faithfully and good naturedly to win the prizes and we only wish they could all win. They all deserve reward. With the leading candidates so closely bunched a very few votes can easily change the order.

The Enterprise is spending a great deal of money to improve the paper itself, aside from the fact that the prizes offered are without doubt the

most valuable ever given by a weekly paper. Every family in Clackamas County should get a copy of the Enterprise every week. Every community is represented by a live correspondent and aside from a comprehensive and correct epitome of the news from the county seat your own locality is intelligently and interestingly covered.

As we said before, all the girls deserve to win. And if you wish to help any of them, now is the time. We wish them well. Remember Tuesday is the end. The supreme effort must be made within the next few days. See every one you can and don't take no for an answer. The put-off-till-tomorrow story won't go now. Renewals count as well as new subscriptions, so go after everybody. The Enterprise will promise to give more than \$1.50 worth in live news during the year, and it is no more than fair that the friends of the young ladies come to the front right loyally.

The result of the contest will be announced in next week's paper.

Who will get the \$375 Marshall & Wendell piano which was purchased from Eilers Piano House in Portland, and which has been on display during the contest in the Pacific Telephone Co.'s window?

Who will get the \$100 Diamond Ring purchased from the Standard Jewelry store at 189 Third street, Portland, and on exhibition in their window?

Who will get the \$60 Victor Talking Machine purchased from Burmeister & Andresen, and on display in their store? Who will win?

## ANDREW MARSHALL; PROMINENT PIONEER

WELL-KNOWN FIGURE IN FRATERAL CIRCLES IS DEAD AT AGE OF 76 YEARS.

Andrew J. Marshall, one of the old and respected citizens of Portland, died Saturday morning at the residence of his daughter, Mrs. Thomas F. Ryan, of Oregon City. Born in Baltimore, February 11, 1832, he started in 1848 for the Pacific Coast, landing in California in 1849 a few years later he came to Oregon, engaging in the business of manufacturing wagons and carriages at French Prairie and Oregon City, and later in Portland, where he had since resided until taken sick in December last, when he was removed to the home of his son-in-law, Judge Ryan, of Oregon City.

Few men were better known in Oregon City and Portland. In Oregon City he assisted in the organization of the first fire department, acting as its first chief engineer and building its first hose carts. In Portland for many years filling the positions of Deputy United States Marshal, Deputy Postmaster, Deputy County Clerk and Street Commissioner of the city.

In 1859 he was married to Sarah R. Choate, a daughter of a well-known pioneer living at Elliott Prairie. Some six years ago Mrs. Marshall died. Mr. Marshall is survived by three sons, Henry, of Forsythe, Montana, and John and Edward of Greenhorn, Oregon, and by two daughters, Inez M. Ryan and Grace M. Noble, of Oregon City.

In the fraternal life of Oregon none have been more prominent than Mr. Marshall; an Oddfellow he had been both Grand Master of the Grand Lodge and has the honor of having been the first Grand Patriarch of the Grand Encampment of Oregon. In the Masonic order he served as Worshipful Master and for many years as secretary of Harmony lodge, No. 12, also as High Priest of Portland Chapter No. 3, R. A. M. At the time of his death he was serving as G. C. of the H. of the Grand Chapter of Royal Arch Masons; he was also an active member of Oregon Commandry No. 1, Knights Templars, also of Al Kader Temple of the Mystic Shrine, and of Myrtle Chapter, O. E. S. He was instrumental in organizing the first lodge of the A. O. U. W., being a charter member and the first master Workman of Hope Lodge No. 1 of this city. The remains were interred by the side of his wife in Lone Fir cemetery, and the funeral was conducted by the Grand Lodge of Oddfellows on Tuesday afternoon at 2:30.

## Negro Sent to Asylum.

Willie Rose, a negro, was arrested here Saturday night by Special Officer Miles on a charge of vagrancy, and was allowed to leave the city Sunday morning. He went to Milwaukie and acted in such a strange manner that Mayor Shindler took him in charge and brought him to Oregon City. The Milwaukie authorities lodged a charge of insanity against him. The negro has a shirt that is worn by asylum patients, but no escapes have been reported here from the institution. The man had a hearing Monday before Judge Dimick, and was sent to the asylum.

DR. C. A. STUART, well known physician and candidate for nomination of Coroner on Republican ticket.

## DEATH FROM MORPHINE.

Fact Established That Unknown Man Took His Own Life.

The body of an unknown man, which was found in the woods on the old Latourette place near Newell Creek more than a week ago, evidently met death from suicide. This is clearly established Tuesday when Mr. Darling, of Maple Lane, and a companion, searched the spot where the remains were found, and saw a piece of glass shining in the sun. They dug into the earth a few inches and were rewarded by finding a bottle containing morphine. Two-thirds of the contents had been consumed. The bottle was placed in the hands of Coroner Holman, who took the morphine to a druggist for analysis. Mr. Darling raked the ground thoroughly for further evidence but found nothing. It is apparent that the man determined to die and went to the lonely spot and took his own life. There is nothing to determine his identity, and Coroner Holman has kept the remains in the morgue, where several people have come from a distance to look at them.

## SCHUEBEL ARGUES FOR COUNTY HIGH SCHOOL

FARMERS WOULD PAY ONE-THIRD OF TAXES ON BASIS OF 75 CENTS ON \$1000 VALUATION.

Arguments for and against the establishment of a county high school were heard Saturday night in the Schubel school house, and the building was crowded with people to hear local speakers and Attorney C. Schuebel, of this city, who made a talk in favor of higher education. He showed that of 8765 children of school age in Clackamas County, 2915 of them lived in Oregon City and vicinity, and that territory paid two-thirds of the taxes of the county, while the property represented by 5850 children paid one-third. He said that a county high school would mean a tax of 75 cents on every \$1000 valuation, and the farmers would pay one-third while the town and corporate interests would pay two-thirds. Last year 237 children took the eighth-grade examinations, 143 in the county and 95 in the district in and around Oregon City. There are five county high schools in Oregon, but no consolidated district high schools. Mr. and Mrs. Miller, Robert Ginther, G. A. Schuebel, A. Thomas, Mr. Hanson, Mr. Schmidt and others talked against the proposition on the ground that taxes would be higher and it was also argued that a consolidated high school would be better than a county high school, for the home influence that would prevail.

James U. Campbell and Walter A. Dimick, candidates for the Republican nomination for Representative, were present and made brief speeches that were well received.

## BAD BOYS AT GLADSTONE.

Sentenced to Reform School, but Paroled on Good Behavior.

Will and Rob King, Herman Miller and Sam Phillips, of Gladstone, were hauled before the Juvenile Court Tuesday. In a complaint brought by Probation Officer E. H. Cooper, they are charged with being incorrigible boys, their ages ranging from 14 to 16. It is stated that they went to a store in Gladstone and stole bottles of soda water, but they were spotted by the proprietor and made to pay for it. Wholesale chicken thieves was the next escapade on the part of the quartette, and they had an arrangement with a hook and sack and it is very evident that they managed to get away with a large number of choice fowls. W. R. U'Ren and Mercton Bell were among the residents who missed chickens and they found that the boys were selling the birds to local butchers. Mr. Bell went to the butcher shop of H. W. Streibig and found one of his chickens in a coop, and he bought his own fowl and took it home again. Young Miller was brought before the authorities and made a confession, implicating his companions, who also admitted the accusations.

The boys were sentenced by County Judge Dimick to the reform school until they are 21 years of age. The court, however, paroled them during good behavior, with the distinct understanding that the first infraction of the law would result in their incarceration in the reform school.

## HAWLEY MILL UNDER WAY

HAWLEY PULP & PAPER COMPANY STARTS CONSTRUCTION OF PLANT.

## OPERATIVE NEXT FALL

Concern Will Have First Paper Machine in World for Formation of Perfect Sheet of Paper at Any Speed.

Developments in the construction of the new plant of the Hawley Pulp & Paper Company will progress rapidly from the present time until late next Fall, when it is expected that the plant will be complete and in operation. Mr. Hawley returned last week from the East, where he went to purchase machinery for his mill and he speaks in glowing terms of the prospects for the future. The machinery has been promised for June delivery and no time will be lost in putting it in place after its arrival at Oregon City, where it will be erected at the basin on the East side of Willamette Falls.

Workmen are now busy remodeling the old Station A, which will be utilized for a pulp mill, with a full equipment for a pulp and saw mill. The same water wheels that were used for the former station of the Portland General Electric Company and later for the pulp station of the Willamette Pulp & Paper Company will be made use of, and the pulp mill will have a capacity of 24 tons daily. Logs from up river points will be dropped into the basin and sawed at this sawmill, and with a sawmill at the station and another at Milwaukie, Mr. Hawley will be able to supply his mill with pulp material from both ends of the line. He states that his Milwaukie mill will give him a great advantage in preparing wood for the grinders away from the pulp mill, as all of the dirt incidental to a sawmill will be left there and he will be able to manufacture clean paper without difficulty. He has an immense supply of timber on the lower Columbia and by bringing it to the Milwaukie mill, he is able to save 20 cents per thousand feet in the cost of towage alone.

Mr. Hawley worked out his preliminary plans carefully before launching his new project. He secured a carload rate of 50 cents per thousand over the Oregon Water Power & allway lines from Milwaukie to Oregon City, and spurs will be run from the main line into his sawmill and the blocks will be thrown from the cars at the sulphide mill directly into the choppers.

All of the machinery in the mills of the Portland Flouring Mills Company has been removed and the building will be turned over to the new company in a few days. The main building on the west side of the street will hold the beating engines and the second floor will be the finishing room. In the old grain warehouse on the west side of the street there will be two digesters, 12x25 and the necessary equipment, for a producing capacity of 25 tons daily.

It is in the big paper machine that Mr. Hawley takes a special pride. He went all over the east inspecting the various machines of the many factories, noting the best features of all of them, and then went to Milwaukee, Wisconsin, where he spent two weeks in the draughting room with experienced men. A huge machine was mapped out to the finest details, and Mr. Hawley will have the first paper machine in the world for the formation of a perfect sheet at any speed. This is a 122-inch machine, with a capacity of 30 tons of newspaper and 20 tons of manila paper every 24 hours. To house the big machine there will be constructed a building 40x204 feet, directly alongside of the east side pulp mill of the Crown-Columbia & Paper Company, and it is possible that a party wall will be built for both these buildings.

The dock will be extended 12 feet on the north side to reach to the river and will come straight up to Main street, within a few feet of the woolen mills.

## SOCIALISTS NAME TICKET.

Have Candidate for all County Offices But Two.

The Socialists of Clackamas County nominated a ticket in mass convention here Saturday. The national platform of the Socialist party was re-enacted, but there were no resolutions passed. About 30 members of the organization were present. M. V. Thomas was chairman of the meeting and Charles E. Spence, of Beaver Creek, was secretary. Delegates were elected to the state convention which met at Portland Monday. The following ticket was nominated: Representatives, M. V. Thomas, of Bull Run; Elijah Coalman, of Sandy; John F. Stark, of Maple Lane; sheriff, C. E. Hilton, of Needy; clerk, Robert Ginther, of Beaver Creek; commissioner, A. C. Thomas of Sandy; recorder, Bayne Howard, of Mulino; treasurer, J. W. Park, of Dodge, assessor, August Splinter, of Maple Lane; coroner, J. S. Imel, of Abernethy. There were no nominations for school superintendent or surveyor.
