C. N. McARTHUR FOR JOINT REPRESENTATIVE.

REPUBLICANS!

I beg to announce myself as a candidate for the nomination for representative in the Seventeenth District, subject to the decision of the Republican voters of Clackamas and Multnomah Counties at the primary election on April 17th.

If I am nominated and elected, I will during my term of office, support a sane business-like administration of public affairs. I will oppose graft, humbug and demagogism, and will work industriously for the people of my district. I will do my duty as I see it and will not take dictation from any man or set of men.

I will vote for the Republican voters' choice for United States Senator. C. N. McARTHUR, Portland, Or., March 15, 1908.

HOLMAN FOR CORONER.

Economy in Office Has Always Been His Record.

The honesty and integrity of R. L. Holman has not been questioned by those who know him. He has always stood by his word. He has not promised any one he would not be a candidate for coroner. It is recognized by people who know the duties of the office of coroner. Mr. Holman has more economically by an undertaker than by a physician. Mr. Holman has had experience and understands the duties of the office. Consequently as the records will show, he has saved the taxpayers of Clackamas County hundreds of dollars during his term of office as coroner. Mr. Holman has always been prompt in answering calls in his official capacity and his judgment and efficiency have never been questioned. A vote for Mr. Holman will help keep the coroner's office where it belongs in the hands of one qualified to find the causes of death and to give interment at the least expense.

PRAISE FOR MR. GARY.

School Enthusiast Commends His Efforts to Interest Pupils.

OREGON CITY, April 6.—The patrons of the Clackamas County schools should tender a special vote of thanks to our courteous, ever popular and enthusiastic Superintendent of Schools T. J. Gary, for his untiring efforts in trying to interest the school children of this county in soil culture.

We have long since felt the need of a man who has the interest of the school boy and girl at heart—and we do not hesitate to say our present Superintendent is the right man in the right place.

Hundreds of boys and girls will take up the culture of flowers and vegetables—and we may expect excellent results from the child gardener, and while they are cultivating their gardens they will naturally cultivate a desire for the beautiful and intellectual.

Cruelties of the Congo. Much has recently been said about the cruelties and atrocities imposed upon the natives of the Congo in the furtherance of the rubber traffic by King Leopold of Belgium. The facts concerning the cruel and inhuman treatment of the Congo people will be told by an eye-witness, the Rev. Thomas Moody, next Sunday at the evening service at the First Baptist Church. All interested in knowing the facts about these atrocities ought to hear Mr. Moody next Sunday night.

The Barclay High School team and the Willamette school team played an interesting game of baseball Friday on Willamette Falls field. The score was 13 to 7, with Barclay on the long end.

A vote for Dixon is a vote against the Single Tax.

IF YOU WERE TO SAVE the time you spend each year in obtaining thru indirect sources the information contained in Polk's Oregon & Washington Gazetteer, it would be well worth \$7.00. Have you an order in for the next edition?
