

NEWS OF THE COUNTY

LOGAN.

At the annual meeting of the Clear Creek Mutual Telephone Company on May 14th, the following officers were elected: President, Louis Funk; vice-president, C. M. Folsom. Other directors, T. C. Jubb, E. N. Brock and W. E. Mumpower. G. D. Robbins was elected secretary and treasurer. The company now has 90 stockholders and 7 rented phones. Arrangements were made for connection with Damascus by switch service at W. E. Mumpower's.

TEAZEL CREEK.

Mrs. Joe Simons is very sick with heart trouble. Dr. Leonard of Silverton, is treating her. Grandma Mackrel, of Molalla, is not expected to live. She has never recovered from injuries received from a fall she had last winter. Rev. Caulder, of Marquam, has been carrying on his revival meeting at Glad Tidings during the past week which is exciting considerable interest.

STAFFORD.

Clover is coming on bravely with the sunshine and showers we have been favored with, but the frequent showers make the soil rather too wet to put in the late gardens, in most places. The sick as far as heard from are improving. Mrs. Powell is about the house again, but looking rather feeble. Mrs. Larson had to return home, which leaves Mrs. Powell without needed help in the house, as girls are hard to get in Stafford, or elsewhere. Mr. Gage's wife and daughter are visiting at the old home. Mrs. Brink is able to ride out. Mr. Washburn will preach twice a month in English, instead of once as heretofore, on the first and third Sunday evenings. The Oswego butcher was around Monday collecting up veal. He seemed to have very good success. The sneak thief who stole the hard earned dollar and a half from poor Mrs. Reuter has not been proven guilty, except in the minds of the people, and the same with the seven dollars taken from Mrs. Gebrard's bureau.

SHUBEL.

Fred Hettman and family, of Highland, visited with his parents here Sunday afternoon. Albert Hornschuh and his girl, Henry Hettman and his best girl went to Elwood for a drive Sunday afternoon. Rev. William Essig and wife are spending a few weeks with her parents, Mr. and Mrs. Shiner. Nearly every body went to the circus Saturday. Railroad is the talk around here at present. Fred Hett's little boy is quite ill. The entertainment in the Shubel school house Friday night, for the benefit of the Shubel nine, was a splendid success. Good order, an interesting program and \$49.40 marked the evening's success, although there were only 14 baskets and pies. The boys are worthy of every encouragement for a good baseball team is a credit to any neighborhood or town. The Shubel second nine defeated the Clarks nine on the Clarks diamond Sunday afternoon, 44 to 12.

CLARKES.

Mrs. Hoel is very ill. She is staying with her daughter, Mrs. Lee. Mr. and Mrs. Haag spent Sunday with Mr. and Mrs. Scherrubbe. The boys in Clarkes played ball last Sunday and Clarkes beat. Some boys from Colton were there. Mr. G. Markwardt was in town last Saturday on business. Mr. and Mrs. Stromgreen went to town to see the circus last Saturday. W. H. Bottemiller is going to build a new house. W. G. Kleinsmith will build the house. W. H. Wettlaufer is through planting potatoes and he is going to plant squash now, around a half acre. Mr. Shepard is clearing for Pete Kern. Albert Durst is working in the shingle mill. Fred Force has 110 little chickens. W. H. Bottemiller is moving out of his old house which he is intending to tear down. Elmer Lee was hauling wood last Saturday. Mr. and Mrs. Ben Marshall made a visit to Canby where her sister lives. It is expected that the Clarkes school will close next Friday, May 15, in place of two weeks later. Frank Bittner was in Clarkes last Sunday. Mr. Scherrubbe has bought a Victor talking machine and it is a nice one. Ed Bouel and one of his sisters have the mumps. Mrs. Cumming is on the sick list. C. Stromgreen bought oats and wheat of Mr. Hang last week. We have plenty of rain now, and we ought to have warm weather to make things grow.

MULINO.

Mulino is still alive and busy. Miss Doris Evans and Mr. Otis Dix took a buggy ride to Colton Sunday. The infant daughter of H. Turner has been very sick, but is now much better. Saturday was road day. A number of enterprising men went to Oregon City to discuss road matters. H. W. Shaw was on a short visit to his home here. Mr. and Mrs. Charles Shaw and son, called on Mrs. R. H. Long. Mr. and Mrs. Evans visited at the home of their daughter, Mrs. Turner. Mr. and Mrs. Gent Wood and Mrs. Tom Fish were visitors at Liberal the latter part of the week. C. P. Mallatt took a load of chickens to Liberal market this week. Everybody and his brother went to the circus and had a good time. Mr. Udehl has moved from High Street, Mulino, to Main street, Mulino.

RUSSELLVILLE ITEMS.

Mr. and Mrs. Wood and Mr. and Mrs. Newman have moved from near Oregon City to their home here, which they recently purchased from E. P. Carter. J. Teter has his new house nearly completed and is no building a wood house and is preparing to build a barn. He is a mechanic and a rustler even for Russellville. County road work seems to be the order of the day, and judging from the amount of blasts we hear, there will be few stumps and rocks left in the road limits. E. K. Dart and family, Sidney Cordett and family and Miss Lillie Gibson were visitors at the Soda Hill Farm Sunday; also Mr. and Mrs. Scott Carter and son Arthur. Crops of all kinds are doing well and promise an abundant harvest. Our school is progressing finely with Miss Stella Christwell as teacher. Our country seems to be booming; several places have been sold lately, and some one every few days looking for land.

MAPLE LANE.

A large number from this place attended the circus at Oregon City Saturday. Mrs. Bigelow and son visited with relatives at Molalla a few days last week. Miss Nora Criswell visited with friends at Marquam Sunday. The Grange under the management of Mrs. Swallow and Mrs. Parker, are preparing exercises for children's day, the first Saturday in June. The Maple Lane ball team will give another dance and oyster supper at Beaver Creek hall next Friday evening, April 15. Mr. and Mrs. O'Connell were a surprise party by a number of their friends last Thursday evening. The Maple Lane baseball nine defeated the Shubel team on the Highland diamond last Sunday. Next Sunday the home team will play at Willamette against the West Side team.

SPRINGWATER.

Our school closes this week. It has been a success, from start to finish. The officers of the Springwater church made an agreement with Rev. Robertson for him to continue the supply for this church to July 15. Mr. and Mrs. James Shibley have gone to Eugene to attend the State Grange convention. It is getting near the June election. It will be well for the voters to study the many different measures before making their X. The writer will name a few that he thinks are important: First, Local Option 2d, the Single Tax, and to consider on this proposition, that it exempts about \$5,000,000 worth of taxable property in Clackamas County. Who is going to make it up? The farmer mostly. Another proposition is the proposed High School in Oregon City. The writer is in favor of more high schools, but would it not be better to vote for a high school at Oregon City, or let Oregon City build its own high schools, and three or five districts in the county group together and build their own high schools. Nice growing showers and every thing growing nicely. Strawberries are getting ripe, and now we may have fresh berries until November. Next to strawberries, goose berries, then raspberries, Logan berries, blackberries, and then comes the second crop of strawberries, and the evergreen blackberries. We think that is hard to beat.

JENNINGS LODGE.

The doctors are of the opinion that Mrs. Shaver can last only a few days longer. The operation which she had performed some time ago did her not material good. Mrs. G. D. Boardman, who has been in the Portland sanitarium, will be at home in Jennings Lodge next week. Mrs. Brown's large, new barn is nearing completion. Mrs. Yale has moved into her temporary new house. Col. Morse has been doing some clearing up lately. Mr. Beach, of Estacada, visited Mrs. Ervend last week, and they both attended the circus at Oregon City. It is understood by the citizens of Jennings Lodge that we are soon to have five-cent fare from Oregon City. The song of the saw and hammer has all winter, and still continues to be heard in almost every section of this neighborhood. Mr. Spooner's sister was visiting her Tuesday.

CASTORIA. Bears the Signature of Dr. H. H. Weston

DAYTON.

The baseball game here Saturday between the Sherwood White Sox and Dayton's team, was 2 to 3, and Sunday's game by the same teams, was a score of 3 to 4, both games in favor of Sherwood.

WILSONVILLE.

The baseball game on the Wilsonville diamond, Sunday, between St. Paul, and Wilsonville, was 1 to 2, in favor of St. Paul.

BOOSTING FOR GLADSTONE.

People Form Club and Will Exploit the Park. Some of the live ones of Gladstone have organized a Boost Club for the purpose of exploiting the beautiful park where the Chautauqua is held each year. Many new homes are going up all around the park, and a new \$5000 school house will be erected this summer. A new church will also be built. The citizens of Gladstone are beginning to realize that no better place exists for the erection of homes. There are many beautiful nooks and corners of this valley that entrance the stranger and hold the permanent resident with a fascination that lends a constant charm to life in this beautiful place. A publicity committee was appointed Friday night for the purpose of petitioning the O. W. P. R. Co. for the re-establishment of the car station at the Clackamas bridge, the establishment of a new station at Herford street, a 3-cent commutation ticket to Oregon City, and a 10-cent fare to Portland, Oregon. The people of Gladstone seem to have thoroughly awakened and are prepared to fight these important matters. H. E. Cross was made permanent chairman of the publicity committee, and C. A. Warren, president of the Warren Publicity Company, was elected secretary. The entire membership of the Boost Club are enthusiastic for a greater Gladstone.

GLADSTONE.

The school directors of Gladstone have selected the plans for the new school building. It is to be a two story structure of eight rooms, besides the basement. The four rooms on the first floor will be ready for use in the Fall. The upper floor will be finished as needed. The directors have been careful to select a plan which calls for straight stairways with an outside door at the foot of each flight. All outside doors will open out so as to avoid jams in case of fire alarms. The dominating ideas throughout the whole structure will be simplicity, utility and comfort. As soon as all plans and specifications are ready, they will be open to those wishing to bid on the construction. However the school board has not fully decided to let the job by contract. Mr. and Mrs. E. M. Raumsunsen were visitors at the home of Mr. and Mrs. Salisbury last week. Mrs. Alnie, of Portland, was the guest of Mrs. Wm. Williams last Sunday. Mrs. J. J. Tingle has just completed extensive repairs and improvements on her home in Gladstone. The inside of the house has been newly tinted and a new windmill and tank furnishes all the luxuries of city water. The ladies of the Christian church expect to hold a social next Friday night. Mr. Dauchy, who met with a rather serious accident while raising a windmill tower, is improving rapidly. Mr. and Mrs. Wm. Nash and son spent Sunday at the home of A. P. Parker. Miss Pearl Seavers has completed her year of teaching and is now home on her summer vacation. Mrs. C. A. Warren, who has been quite ill for the past few days, is improving rapidly. Mr. and Mrs. Richard Warren expect to move to Gladstone about May 15, from Eugene. Mr. Warren owns the Thurman property but expects to build a new home for himself during the coming summer. Miss Mella Clinger and sister, of Hood River made a short visit at the homes Mrs. H. E. Cross and Mrs. Wm. Hammond last week. Mr. J. W. Moon, of Kelso, Washington, purchased two lots from the Gladstone Real Estate Association across the street from the Bell home. Mr. and Mrs. Moon are among the pioneers of the settlement which is being built up around the Christian church. They will build a home for themselves during the coming summer.

He promises a careful and economical administration, and will always endeavor to save money for the tax payers.

BRETON AT THE OAKS.

Daredevil Automobile Rider Makes Sensational Whirl. It requires a hardy man to smile calmly in the face of death. Under the stimulus of patriotic excitement, in the rush and strife of battle men have done heroic things and have become noted for bravery. To coolly take one's life in hand and dash with it to the brink of the grave with the muscles is something which not every one can do. Yet there is a man in Portland today who has often done this thing, who in fact makes it a business to brave death. He has looked the black angel in the face so many times that the sensation has lost its awe for him. This man is Harry Breton, who, when The Oaks opens for the summer season, May 16, will make his bow to the people of Portland in his daredevil automobile ride. Breton's ride is a sensation in itself and throughout the east has made him the center of many scenes. He has an automobile made of steel throughout and weighing something like 344 horse-power engine. This machine is driven down a steep incline which after a swoop down a 45 per cent grade equals a mile a minute. At the foot of the incline is a gap 25 feet, and across this the car is driven. After the gap is jumped the car is run out onto the roadway and brought to a standstill. The least swerving of the steering gear would send the driver to instant death. The slightest lack of calculation would end the ride with the funeral of the driver. Many times Breton has had thrilling escapes, but so far has escaped serious injury. He will be the principal feature at the opening week of The Oaks beginning May 16.

HOOD VIEW.

There is one case of diphtheria in the family of William Murray of this place. Jessie, the little girl, was taken ill in school last Wednesday. The home has been quarantined and school closed. It is greatly feared it may spread as the child was taken with fever in school. Wilsonville Farmer Insane. J. C. Jaeger, a native of Germany, aged 69 years, was Monday committed to the insane asylum. He is a farmer of Wilsonville and last February was stricken with an attack of paralysis, which enfeebled his mind.

J. W. GRAY Candidate for County School Superintendent

ROBBINS FOR REPRESENTATIVE.

L. W. Robbins, Democratic candidate for Representative for Clackamas County, is a native son of Oregon and Clackamas County, having been born at Molalla in 1876 and is the son of Levi Robbins, one of the old settlers of Molalla. When a mere boy he took a position as clerk in the General Merchandise store then conducted by Robbins & Son at Molalla and filled the position so well that when in 1896 the partnership of Robbins & Co. was dissolved, though only twenty years of age, he was placed in charge of the store, which he reorganized under the firm name of Robbins Brothers Company and of which he is still the manager and principal owner. In politics, Mr. Robbins has always been a consistent Democrat; he has taken an interest in the affairs of the county and especially in the affairs of his community; it was largely through his efforts that the Mutual Telephone Line was established from Oregon City to Molalla and he has been a persistent worker for its improvement. Mr. Robbins was married in 1900 and has two children; he has a beautiful home and is respected and honored by all who know him. He signed Statement Number one without qualification, and as a thorough business man will ably represent Clackamas County in the legislature.

SEELEY'S THE BIG STORE

9th and Main Sts., Oregon City

near Hubbard, Monday, May 4, 1908. Mr. Colderen was one of the pioneer settlers of this place, and a very much loved and respected citizen. He was born June 7, 1834 in La Grange County, Indiana, and was almost 74 years old at the time of his death. He moved to Ft. Scott, Kansas, in 1869, where he resided until 1879, when he moved to Oregon and located at Silverton, where he lived a few years and then moved on the place where he died. He was married to Sarah Ann Reynolds, November 19, 1854, in La Grange County, Ind., and she preceded him to that better land about six years ago. Shortly after her death he went to reside with his daughter and son-in-law, Mr. and Mrs. Nixon Blair, whose home is a part of the old homestead. He never gave up his home, entirely, but every day as long as he was able he attended to his duties so dear to him, and with reluctance he finally gave up, when too weak to attend to them longer. He leaves one daughter, Mrs. Mary Blair, and two sons, Lemuel, of Irving, Oregon and Charley, of Portland, to mourn his loss; also several grand children, and one great grandchild. Rev. Bradstreet, of the Congregational church, preached the funeral, which was held from the church at Hubbard at 11 A. M., May 7, and his remains were laid to rest by the side of his wife in the Hubbard cemetery.

Anniversary at New Era. The crystal wedding anniversary of Mr. and Mrs. George Brown, of New Era, was celebrated Friday afternoon, by many of the friends of Mrs. Brown who spent the afternoon at her home. She was the recipient of many beautiful crystal gifts. The afternoon was spent informally with vocal and instrumental music and conversation, and refreshments were served. Those present were Mrs. I. S. McArthur, Mrs. F. E. McArthur, Mrs. H. P. Wink, Mrs. K. Spulak, Mrs. M. Haines, Mrs. J. Pitts, Mrs. William Dustin, Mrs. J. Hoffman, Mrs. J. Reif, Mrs. T. Blanchard, Mrs. Miller, Mrs. Dundas, Mrs. Norton, Mrs. G. W. Grace, Mrs. George Brown, Mrs. Stauber, Mrs. O. Slyter, Miss Emily Spulak, Miss Gertrude Fairclough, Miss Edna Crisler.

CASE AFTER CASE.

Plenty More Like This in Oregon City.

Scores of Oregon City people can tell you about Doan's Kidney Pills. Many a happy citizen makes a public statement of his experience. Here is a case of it. What better proof of merit can be had than such endorsement?

Theodore Heurth, living at Park-place, about two miles from Oregon City, Ore., says: "I found Doan's Kidney Pills do just what is claimed for them. For a long time I suffered a good deal with lameness and aching over the kidneys and irregularity of the action of the kidneys. The trouble was not severe enough to lay me up, but was very annoying and made it difficult for me to stoop or lift anything without my back aching me. I was induced to try Doan's Kidney Pills from the recommendation of a friend, and went to Huntley Bros' drug store for them. Their use absolutely removed the trouble with the kidneys, strengthened my back and in every way proved your remedy to be worthy of all confidence."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Fire at Maple Lane.

The residence of George A. Brown, of Maple Lane, narrowly escaped destruction by fire Sunday. The flames burned a large hole in the roof about eight feet square, and had not Mr. Brown been assisted by neighbors in extinguishing the blaze, the result would have been a total loss of the house.
