CANBY

Satter House Burns.

The house of John Satter burned to the ground Sunday afternoon. Very little was saved. The alarm was turned in by the persistent whistling of a Southern Pacific engine just as the base ball game was in progress and the large number present at the game assisted by the ball team hurried to the scene of the fire and saved the church and other adjoining buildings from destruction. The fire in the Satter place had gained too much headway to attempt to save it with the inadequate facilities at hand and great credit should be given for saving any of the neighboring structures. The loss was partially covered by insurance, to the amount of \$400, which was promptly paid Monday by L. D. Walker. Had the fire occurred at a more inopportune time, the business section of the town might have been entirely wiped out. The town should now seriously consider a system of waterworks. There is plenty of water in the Molalla river, and there are springs near the city that could furnish enough water not only for fire protection, but also to give the citizens ample for drinking and other purposes. The question has been up before, but now that the dearth of protection in case of fire has been brought home to the people, some action should be taken.

E. J. Sias is again able to be around. The funeral of Mrs. Clara Stewart, who lived between Needy and Macksburg, was held Sunday at the late residence. The interment was at Turner.

The Ladies Aid held an ice cream social in Knight's Hall, Thursday night. The band boys furnished the music. An enjoyable time is reported.

Oscar Senneke will erect a residence on the Dick lot.

F. Fenske has sold 25 acres of his farm near Macksburg to G. Henge formerly of North Dakota.

Geo. Welch has transferred 40 acres near Macksburg to Wm. Schwabauer, of Gladstone, who will make his home on the place.

It is reported that the frost has injured the prospects of the prune crop at least 75 per cent.

The strawberry crop has been slightly diminished on account of the frost. White Bros. have purchased a handsome new automobile runabout for the use of the traveling public.

Alma Knight, Orva Seaton, Orsula Zeek, Hazel Hilton and Ida Krueger attended the Barkow Sunday school last Sunday.

The Canby ball team has got a winning streak now. After putting out the fire the boys put out the University Park team, of Portland, in one-two-three order with a final score of 7 to 3 in favor of the home team. Oswego plays next Sunday.

County School Superintendent, Gary, made a short visit to Canby Sunday. Miss Marian Swanby has gone to Newport to begin school Monday. She will teach for about two months.

J. Peery Conder will lecture under the auspices of the Christian Endeavor at the City Hall, Saturday night. Subject: "Mazes, Phases and Crises of

Love." The Republican Candidates will speak in Canby, Monday evening, May 25.

From all indications, a couple of Meadowbrook boys whose hearts are yearning for love and whose souls are rattling around for somebody to call them darling, are thinking seriously of love as they have been seen lately washing their necks and applying lard freely to their hair.

The Vancouver Pioneers and the Oregon City Papermakers broke even in a double-header Sunday afternoon on the Vancouver grounds. The first game was won by the Falls City aggregation 5 to 4, and in the second game the Washingtonians shut out the

Oregon City team. The second game was one of the fastest exhibitions of the National game ever seen on the Vancouver field, the score standing 1 to 0 at the end of the exciting contest. One lone hit was all the visitors could make off McConnell's delivery, while Habe, for the visitors, was touched up for four.

In the first game Robinson was on the firing line for the Oregon City team and he held the Evergreen State contingent safe at all stages of the game, allowing but five hits and fanning ten of the opposing batters. The Vancouver contingent was wobbly in the opening chapter, and with a timely hit by Chapin, the Papermakers chased two runs across the pan: Poor baserunning by Vancouver was in a measure due to their defeat. In the second game Southpaw Pender occupied the mound for Vancouver, and the best the visitors could do with his delivery was one lone single. In addition to this, he ozoned ten in the six innings he pitched. The score:
