

OREGON CITY ENTERPRISE

FORTY—SECOND YEAR No. 23.

OREGON CITY, OREGON. FRIDAY, JUNE 5, 1908.

ESTABLISHED 1866.

CLACKAMAS STAYS WET

COUNTY ESCAPES DRY COLUMN BY A DANGEROUSLY NARROW MARGIN.

SIX SALOONS ARE OUT

Estacada and Boring Saloon Are Forced to Quit Business But Milwaukee Will Be Wet For Two Years More.

Clackamas County has gone wet, but by a very narrow margin. The vote in 37 out of the 39 precincts, according to Rev. W. J. Weber, of Canby, who has tabulated the vote, gives the saloon people a majority of 118, with Highland and Marquam to hear from. It is expected that Highland will go dry heavily, as will Marquam, but it is not considered probable that the returns from these precincts will materially alter the result. If the county goes wet by less than 50 votes, it is probable that a recount will be requested. The majorities by precincts follow:

Wet—Abernethy 3, Barlow 16, Canyon Creek 3, Clackamas 9, Cherryville 6, Cascade 20, George 2, Hardly 14, Harmony 21, Macksburg 75, Milwaukee 47, Needy 10, New Era 2, Oak Grove 6, Oregon City No. 1, 88, Oregon City, No. 2, 54; Oswego 6, Soda Springs 15, Tualatin 77, Union 26, West Oregon City 6, Pleasant Hill 32. Total 538.

Dry—Beaver Creek 37, Bull Run 9, Boring 30, Canby 16, Canemah 10, Damascus 1, Eagle Creek 40, Estacada 25, Killin 53, Molalla 53, Maple Lane 29, Milk Creek 54, Oregon City No. 3, 29; Springwater 2, Viola 22. Total 420.

The attempt to drive saloons out of Milwaukee by forming a local option district composed of the precincts of Milwaukee, Oak Grove, Clackamas and Harmony failed, the vote in these precincts going wet by 83 majority. No one of the precincts was carried by the dry people. There are five saloons in Estacada that will have to discontinue, and one of them commenced Tuesday to pack his stock preparatory to moving away.

VOTE ON AMENDMENTS.

Biennial Elections Will Be Held in November Hereafter.

The vote on the amendments in Clackamas County was heavy, and indicates that about 75 per cent of the voters cast their ballots for or against the various measures that were submitted. Incomplete returns from the entire state indicate that the following measures have been adopted:

Scattering state institutions, for November elections, sheriff to have prisoners, army appropriation, university appropriation, wheelmen's fish-bill, ginnetter's fish bill, recall, people's senator choice, proportional representation, corrupt practices bill, jury indictment, Hood River County, Port of Portland.

The following measures are defeated:

Legislators' increased pay, more supreme judges, compulsory passes, woman suffrage, "open town" bill, single tax.

WEVER IN THE FIELD.

Canby Man to Boost For Coming Chautauqua Session.

Rev. W. J. Weber, of Canby, who has long been connected with Chautauqua talent has been engaged as the Chautauqua booster this year. He will

At least 50 members of the next Legislature will be pledged to support Chamberlain for United States Senator. With Senator Kay, of Marion, and Representative Bonebrake of Benton included (both conditionally pledged), the state one members will number 52. Of these 13, and possibly 14 are Democrats, and 38 or 39 Republicans.

Governor Chamberlain, Democrat, has carried the state of Oregon for United States Senator over H. M. Calk, Republican, by a majority ranging from 1000 to 1200. Returns from all the counties are nearly enough complete to leave no question of the result. Chamberlain has been successful in 14 out of the 33 counties, as follows: Baker, Clackamas, Clatsop, Crook, Douglas, Jackson, Josephine, Lincoln, Linn, Malheur, Marion, Multnomah, Polk and Union, and probably in Lake.

Mr. Calk has carried the remaining 18 counties, but his average pluralities are much smaller than his opponents.

Hawley, Republican, is elected to Congress in the First District by 15,000 or more, and Ellis, Republican, by 15,000 or more in the Second District. Bean, Republican, for Supreme Judge, has a very large vote, having no opposition, while Bailey, Republican, for Food and Dairy Commissioner, wins by 25,000 to 30,000. Campbell, Republican, is successful for Railroad Commissioner in the First District and Aitchison, Republican, for Railroad Commissioner, for the Second District, has 5000 or more plurality.

THE POULTRY YARD.

The deadly louse is at work. Do not expect the stock to thrive without any green food.

June is a hot month; do not neglect the supply of fresh water.

Look out for rats. Do not allow them to have any hiding places near the coops.

Cut down the quantity of heating food in the ration, such as corn, and feed plenty of green stuff.

If you give your hens plenty of mixed food, so arranged that they can sort it over, they will balance their own ration.

Placing slatted racks over the water troughs is a good way to keep the festive ducks from wasting their drinking water.

Put everything drinkable into shallow vessels. Fix it so that the chicks can drink and still not get their feet into the water or milk.

To keep flies from roosting on the screen door, ready to come in when it is opened, take a piece of old window shade, or else a folded piece of manila paper as long as the door is wide and about half a yard wide, and cut into narrow strips to within two inches of the top, then tack across the top of the door. The gentle breeze, or the movement of the door when opened, will keep the flies away.

ELECTRIC THEATRE

give his whole time to advertising the Assembly from the second of June on. Mr. Weber will visit as many towns in the Willamette Valley as possible, organize clubs for the purchase of tickets and present the advantages and aims of the Assembly to the people.

The Spanton, Oregon City, Lebanon and Chemawa teams have entered the Chautauqua baseball tournament.

Great interest is being shown in the coming Chautauqua. People are already making up their clubs of ten season tickets in order to save the fifty cents reduction which the management allows such clubs. The Southern Pacific has notified Secretary Cross that they will stop four trains at Gladstone during the Assembly. The two Roseburg locals and the two Cottage Grove locals will stop and deposit and take on passengers and baggage. They make only one important restriction and that is that those wishing to have baggage put off at Gladstone must give up their baggage checks to the baggage man before the train reaches the station for the reason that there is no agent at that point. The Southern Pacific and O. R. & N. will make a rate of one and a third fare to Chautauqua people.

STATEMENT NO. 1 IS IN CONTROL AT SALEM

MORE THAN 50 MEMBERS OF LEGISLATURE PLEDGED TO VOTE FOR CHAMBERLAIN.

Any one who says Canby is dead ought to be wiped off the map. Hammers are pounding in all directions, telling of new homes. Business has compelled the Bank to increase its force and created a necessity for a city lumber office. Four enterprising and wide awake commission men are not only shipping constantly from their home town, but accommodate the farmers by receiving produce at any river point and also neighboring railway station, and all of this money goes through Canby. A new grocery will be opened in the Mack building this coming week. It is rumored that a new teacher will be added to the force already in charge of the public school. The school is to be freshly painted, an electric plant is in course of construction and the County Fair has come to stay and to succeed. Canby is already noted for her fruit and potatoes.

CANBY.

The Canby nine beat the Standard Oil Co.'s team by a score of 15 to 0 last Sunday. The visiting team managed to get one man to 3d base during the first inning, but not able to travel that for a second time.

The Bruns Beavers, of Portland, will play Canby next Sunday at 2:00 P. M. This is supposed to be a fine nine, but Canby expects to send them home beaten.

Next Saturday Canby will play the St. Paul's at Hubbard. This game is in connection with the Knights of Pythias picnic. Last year the same teams played and the St. Pauls won. This year our boys are in much better shape and will show them a thing or two.

Miss Harriet Bates has accepted a position with the Canby Bank & Trust Co. This opening is due to the increased business in the Bank.

Jim Adkins has found it necessary to open an office in Canby and will occupy the building which the Canby Tribune is vacating. Mr. Adkins shipped two carloads of lumber this week and received one carload of finishing lumber which will be used in the building that is going on in Canby.

E. Krueger, who has the contract of loading the Southern Pacific cars with gravel has found it necessary to employ teams to do the work. The S. P. is pulling out on an average of at least 10 carloads of gravel from the Canby pit every day.

Remember the Canby Development League meets the second and fourth Wednesdays of each month at the City Hall. Those actively engaged in this good work want the help and attendance of every farmer in the surrounding country.

It was planned to have the Fair grounds surveyed this week, but election interfered. However, the work will be taken up promptly the first of next week.

Some of the California horsemen are thinking of wintering at Canby now that she is going to have a track. Last week the Development League

arranged to give some cash prizes for the best exhibit of Canby Strawberries at the Rose and Strawberry Shows. The first prize will be \$5.00 the others have not been determined. The League also passed resolutions to boost the city water works and aid in the organization of a fire company.

Mr. Coleman, former principal of the Canby School, and now principal of the school in Stevenson, Washington, is in town visiting friends and relatives.

This year there were 233 registered in the Canby precinct, 12 of these moved away before election and 22 votes were sworn in at the poles. There were 224 votes cast showing that at least 19 voters failed to do their duty on election day.

Messrs. Chas. Bates, Howard Eccles and George Penman went to Portland this morning to attend the rose show.

Messrs. W. H. Bair and Wm. Lucke left on the morning train for Portland on business.

J. P. Cole, James Smith and Albert Gribble, of Macksburg, were in Canby Wednesday.

B. H. White, who has been hauling piling at Eagle Creek, had the misfortune to break his leg Wednesday morning. He is confined in bed at Elyville.

While driving along Main street last Monday, Mrs. Sannes' horse was frightened by the train and ran away. Mrs. Sannes was thrown out near the blacksmith shop and received numerous painful bruises, but no serious injury. The buggy was almost completely demolished, but the horse escaped injuries.

Mr. C. C. Kocher has accepted a position with the Union Meat Co., at Troutdale.

Claud Spencer is inspecting ties at Barlow.

Mr. Chase has purchased five acre from M. T. Mack in Canby, consideration \$130 per acre. He expects to improve the land and build a house in the near future.

The services at the Methodist church for next Sunday are as follows: Sunday school 10 A. M.; preaching, 11 A. M.; Children's Class 3:00 P. M.; Epworth League, 7:00 P. M.; Stereopticon Lecture, "China's teeming Millions," at 8:00 P. M. Prayer meeting will be held Thursday evening at 8:00 o'clock. The Ladies' Aid will meet at the parsonage at 2 o'clock on Wednesday.

The W. C. T. U. will meet on Friday at 2:30 in Knight's Hall.

Buck Hinton is leaving Canby to open up business in Aurora or Wood-William Gilmore, of Lisle, Washington, visited his parents Sunday.

Mrs. Weed expects to join her son Frank on his homestead in Lake country sometime in July.

Strawberries are selling two for 25c now.

Miss Ora Lee visited her parents Sunday.

CHAMBERLAIN WINS FOR UNITED STATES SENATOR

Carries Clackamas By 510 County Elects the Entire Republican Ticket Except Greaves and Moody For Sheriff and Assessor.

Governor Chamberlain has carried Clackamas County by 510 votes. Highland was the last precinct to come in and gives him a majority of 25 over Calk. The Governor's popularity enable him to obtain a majority two years ago over Withycombe of 442, and although Calk defeated Fulton in Clackamas at the primaries, the Republican candidate for United States senator was unable to poll anything like his party vote, obtaining 2134 to 2644 for the Governor. There were about 1500 Republicans who did not go to the polls at the Primary nominating election who evidently were Chamberlain men last Monday, and it is believed that the Fulton men here voted for the party nominee.

The vote on Congressman probably illustrates the true party strength rather closely, Hawley obtaining 2229, and Whitney 992.

The Republicans have elected their full county ticket in Clackamas, with the exception of sheriff and assessor. Beattie leads Greaves by 1070 with Highland to hear from, and Jack is elected over Moody by 509, without Highland, Beattie received 2954, and Greaves 1884, while Jack obtained 2678 votes to 2169 for Moody. For Commissioner W. H. Mattoon was given 2451, and J. W. Smith, Dem., 2917, Mr. Mattoon's majority being 434.

The Republican candidates for Representative received a large vote, Walter A. Dimick heading the ticket with 3110, Jones getting 3072, and Campbell 2939. Highland is not embraced in these figures. Robbins, Democratic candidate for the legislature, ran slightly ahead of his ticket.

Gary has beaten J. W. Gray, the Independent candidate for county school superintendent by a very large majority. Mr. Gary obtained a good vote in Abernethy which Mr. Gray expected to have in his pocket, and the popular school superintendent carried nearly every precinct. Tom J. Myers, Democratic candidate for coroner,

gave Mr. Holman a hard run, though the later is elected by a majority of probably 250. F. W. Greenman, for county clerk, Chauncey E. Ramsby for recorder, J. C. Paddock for treasurer, and S. A. D. Hungeate for surveyor, are elected by handsome majorities.

C. N. McArthur, Republican candidate for Joint Representative from Clackamas and Multnomah Counties, is elected by a large majority, and carried Clackamas against A. King Wilson by probably 800. Although McArthur was not for Statement No. 1, he received his party vote in nearly every instance and carried Oswego, which is Wilson's home. The inconsistency of many voters is shown by the result in Estacada, where Chamberlain won by 37, and McArthur gets the same majority.

Clackamas cast an overwhelming vote Monday due to the strenuous fight that was made for and against Prohibition. In every precinct crowds of local option people button-holed the voters on their approach to the polls and worked every string that might bring ballots.

The disagreeable weather that prevailed nearly all day had no leverage in keeping voters away from the polls. George Chamberlain's friends were active in his behalf and the Governor has probably carried the county against Calk by 500 votes.

Oregon City was a lively town Monday night and the pool rooms of McFarland & Goodfellow, where the returns were tabulated on a blackboard, were black with people. Intense interest was manifested everywhere and crowds of people poured into the city from almost every district of Clackamas County, everybody anxious to know the result.

T. J. Gary, Republican nominee for county school superintendent, has defeated the Independent candidate, J. W. Gray, by a large vote. The proposition to establish a county high school has met with defeat.

SATURDAY IS MARKET DAY

LOCAL BUSINESS MEN TAKE CHARGE OF CITY'S BIG CELEBRATION.

PLAN FOR GREAT CROWD

Thousands of People From Country Districts Will Be Guests of Merchants Who Have Provided Entertainment.

Oregon City first Booster and Market Day will be held next Saturday and the local business men have combined to offer the people from the surrounding country as tempting a programme as one would wish for. It is planned to make a permanent feature of the affair, but at this time the business men are only looking forward to next Saturday, June 6, when there will be great doings in Oregon City. S. G. Green will have charge of the arrangements for the affair and he is getting busy all along the line, encouraging the people to boost for the town and Market Day celebration. Mr. Green has had some experience in this line that will stand him in good stead and he is in touch with a number of wholesalers of Portland, and they will be here Saturday and everything in sight offered for sale will be purchased at the highest market price, and no one will quibble. All kinds of produce, live stock, and in fact anything that the farmers have to sell may be brought into the city, for the business men are determined that no farmer shall go home and knock Oregon City with an assertion that he was not able to dispose of the things he had to sell.

Hotels and restaurants are going to make provision for 10,000 people next Saturday, for it is confidently anticipated that there will be great throngs in the city from every section. The Portland Railway, Light & Power Company will provide ample accommodation for people between Oregon City and Portland and on the Estacada branch and the feed and livery stables will be swept and cleaned out as never before for the reception of teams that will come from far and wide, from North, East, South and West.

Oregon City has never had a Market Day, but this is the real genuine article, with no fakes. The Oregon City Band will play all day, and there will be races, sports and every form of amusement for the old and young and middle aged besides. The business men are a unit for the success of the Market Day celebration and unless all signs fail it will be the biggest thing ever held here.

HIGHLAND TO CELEBRATE.

Busy Village Plans High Time For Glorious Fourth.

Highland will celebrate the glorious Fourth of July in the most approved style, and in the afternoon there will be a ball game, together with all sorts of races and sports, for which prizes will be given. The programme of athletics consists of high and running broad jumping, shot put, hammer throw, pole vault, 100 yard dash for men and boys, 440 yard race, foot, sack, hurdle and potato races. In the evening there will be a grand ball in the Highland Grange hall and this will be preceded by a great display of fireworks. The music will be splendid and a basket picnic will take place at noon. G. A. Schuebel, George Kirbyson and Ferris Mayfield are in charge of the celebration.

Butter may be kept solid in warm weather if put in a bowl that is covered with a plate and set in a pan of cold water. Then fold a towel and lay across the plate with the corners hanging down into the water, and put the pan in a cool, if possible, a drafty place, and the evaporation will keep the butter firm.
