St. Paul won a hard game Saturday. The White Sox, of Sherwood, had too much of Butteville's booze, we are sorry to say, while St. Paul's were calm. Much enthusiasm was shown on both sides by the large crowd of spectators who witnessed the game.

More pepper and ginger on the part of both teams were shown, owing to the fact that White Sox walked over St. Paul two games in succession not long ago. The game Sunday was on St. Paul's diamond, and the score was 7 to 9.

## PLEASANT HILL.

Decoration day was observed in our cemetery despite the inclemency of the weather, and a very appropriate programme was rendered. ## CLACKAMAS.

Friday afternoon, May 29, the pupils of the public school rendered a very enjoyable program in honor of Opal Langenberg and Mary Flaherty, graduates from the ninth grade. In a few fitting words Miss Munson presented these young girls with diplomas, commending them for the creditable work done in that grade. Miss Armstrong announced that two primary pupils had completed the school year without being absent or tardy. Dora Barnholster and Merle Webster would be entitled to the usual reward for faithful attendance. Herbert Holcomb, of Miss Munson's room, had been neither absent nor tardy. An epidemic of mumps had spoiled the otherwise perfect record of several of her pupils. Mrs. W. B. Moore, Mrs. Langenberg and the writer each made a few remarks. School being dismissed, the Mothers' Club held a short meeting. It was voted that each member of the club pay ten cents into the treasury to make up the sum necessary to buy a cover for the organ. The Ladies' Aid served three meals as advertised, netting \$19.50 for their treasury, and had a good time socially. The Christian Endeavor young people served ice cream and cake and netted a neat little sum.

The funeral services of the wife of Charlie Naas, former resident of Clackamas, were held in the Congregational church Memorial Day. A little company of veterans joined the procession to the Clackamas cemetery and decorated the graves of their comrades. Altogether the observance of the day here was unusual and rather sad.

## STAFFORD.

We still have April sunshine and showers, giving grain and clover a big boost, but how the weeds grow in the wet gardens.

Mrs. Nussbaum's three months old baby is very sick with whooping cough. The other two children are getting over the disease very nicely, but the father whoops-up, yet, to bat the band. The little girl, five years old, had a narrow escape last week. In her play she ran into Julia Keckel just as she turned from the stove with a kettle of boiling water which slopped into the child's face, and burned her painfully, but not deeply. They succeeded in getting the fire out by simple household remedies and the little thing is doing well, and the skin peeling off nicely.

A new pupil came to live with Mr. and Mrs. Fred Baker last Wednesday and already he is boss of the house. His name is Ernest.

The election at George was a quiet, peaceful affair. The different amendments were discussed, picked to pieces and sifted in an earnest desire of the people to vote to the best interests of all. The north side of the precinct was well represented, considering the weather and the rough roads they have to travel to get to the polls. By county road it is about ten miles, while the trail across Eagle Creek is nearer, but is like traveling in the Alps, rough and rugged. We hope to have our own voting precinct in another state election. There is no reason why we shouldn't have; we have our own road district, post office and there are plenty of voters in the district, many who do not vote now owing to the distance to the polls.

Joseph DeShazer has found his horse.

Crops in general in this section are looking well considering the cold weather and continuous rains.

The election board was presented with a young rabbit as a mascot. The rabbit's foot, and good luck and all the rest that goes with it.
