FOURTY-SECOND YEAR NO. 25.

OREGON CITY, OREGON. FRIDAY JUNE 19, 1908.

ESTABLISHED 1866.

## ROSE SHOW SUCCESSFUL

THOUSANDS OF PEOPLE CAME TO ADMIRE THE BEAUTIFUL FLOWERS.

## HEAD OF LAST YEAR

Judges Make Awards of Prizes to Happy Exhibitors and Show Closes Saturday With Programme.

More than 1000 people gazed upon thousands of beautiful roses of almost every conceivable variety and color, when the second annual Rose Show of the Clackamas County Rose and Carnation Society was opened in the Testout and graceful Manan Cochet were by far the finest ever exhibited here and excited the admiration of even the critical judges.

Hundreds of people went to Williamette Hall and admired the beautiful blooms. The display was far ahead of last year as the flowers were arranged artistically on two long tables running the length of the hall, with cross tables at each end. The Caroline Testout and white Maman Cochet were by far the finest ever exhibited here and have been especially commended.

Charles F. Street, of Clackamas, added much to the show by the donation of several clusters of handsome carnations, and the strawberries were no small feature of the show. There were ten crates exhibited, and the prizes were taken by C. P. Andrews, who had a crate of Clarks, second prize for a commercial berry was taken by County Fruit Inspector A. J. Lewis of Maple Lane, who exhibited a crate of the New Oregon berries. The Canby growers, whose exhibits were directed by R. S. Canby, came to the front with eight crates of Clarks, and the first prize was taken by A. R. Cummings. Second prize went to H. Douglas. Other exhibitors were Mr. Coe, S. B. Reese, Fred Hampton, Chas. Roth and Adam Miller. The Canby growers also provided berries for the tables, and many people were served with the delicious fruit, with cream and cake in the rooms of the Christian Science church across the corridor from Williamette Hall. The judges of the berries were Frank T. Barlow and J. W. Canby.

The Rose Show closed Saturday night with an attractive programme. Mrs. Reatha Fowler, of Portland, sang several numbers, Harold Swafford, of Astoria, sang "The Old Fashioned Rose," J. W. Norris recited "The Song of the Rose," and Miss Louise Huntley and Miss Louise Walker rendered piano duet. Miss Fowler's songs embraced rose subjects, and the programme was concluded with a battle of roses by six girls.

Saturday afternoon A. R. Stauffer, of the faculty of the West Side High school of Portland, talked on "Wild Flowers," and admission was free to the school children in the sixth grade and over. There was a generous exhibit of wild flowers and they were judged by Thomas Howell, who ranks as an authority on the flora of Oregon. The judges of the roses, William S. Sibson and Mrs. Milton Smith, of Portland, made the following awards:

### Foresters Attend Church.

Twenty-five members of Court Robt. in Hood, Foresters of America, attended church Sunday night at the invitation of Rev. T. F. Bowen, rector of St. Paul's, who preached on "He That Saveth His Life Shall Lose It, and He That Loseth His Life For My Sake Shall Save It." Mr. Bowen said that this text is the keynote of all fraternal organizations. Many of the wives of the Foresters were present and special music was rendered by the vested choir.

### MR. LINDEN'S ESTIMATE.

He Was Close in Some Cases and Off in Others.

Election estimates are always interesting, but far more so after the votes are counted than before. A few days prior to the county election Rev. John M. Linden, pastor of the First Baptist Church of this city made an estimate on the probable vote for and against Prohibition. Mr. Linden favored Prohibition with all his heart and did more to make Clackamas County dry than any other one man. The Enterprise, as a bit of interesting news, is giving his estimate, along with the actual tabulated votes. Mr. Linden figured that the county would go dry by 95 votes, with 2656 for a dry county and 2561 for a wet community. The vote was 2606 for wet, while the dry people obtained 2437, a majority of 169.

## PROHIBITIONISTS ARE LOOKING INTO FUTURE

PLAN FOR DRY STATE IN 1910—ARE ALREADY ARRANGING FOR CAMPAIGN.

It is planned to put the prohibition question up to the voters of the entire State of Oregon in November, 1910.

Twenty-two counties of the state are now dry, besides a number of precincts in other counties where a vote was secured on the prohibition question by petition, the wets carried. These counties were: Clackamas, Coos, Harney, Lake, Marion, Wasco and Washington. In Coos and Clackamas counties the wets carried by majorities of 38 and 169 respectively. Only small majorities for the saloon interest were noted in Lake and Harney counties as well.

The saloon interests filed petitions in seven counties, placing the question on the ballot. These counties were: Lincoln, Lane, Linn, Sherman, Tillamook, Wallowa and Yamhill. These counties were voted dry in 1906, along with Benton County. Apparently the saloon men thought it was no use to attempt to carry Benton County, so no vote on the question was taken there this year. They lost the vote of every one of the counties which they had hoped to gain; in fact, the majorities against the liquor interests increased at this election rather than diminished.

Besides the showing made against the saloon, the Reddy bill has been defeated, having favorable majorities in Multnomah and Baker counties only. The majority in the former county is 764, and in Baker County very small. Every other county of the state has been rolled up majorities against the bill.

Of the 28 counties in Oregon where prohibition was at issue in the election of June 1, 21 were voted dry, and seven remain wet. It will thus be seen that seven-eighths of the counties of the state are now dry, there being 33 counties in all. The counties now dry are Benton, Crook, Douglas, Gilliam, Grant, Josephine, Klamath, Lincoln, Linn, Lane, Malheur, Morrow, Polk, Sherman, Tillamook, Umatilla, Union, Wallowa, Wheeler and Yamhill.

### Puryear Gets \$250.

In the Circuit Court Saturday afternoon O. L. Puryear was awarded \$250 by a jury in his suit against the Milwaukee Country Club for \$1000, which was double the amount Puryear is said to have lost while gambling at the club. The case was on trial all day Friday and a motion for a nonsuit was denied after the testimony of Puryear was in. The case went to the jury at noon Saturday.

### Mrs. Diona Currin.

Mrs. Diona Currin, who died last Wednesday night at her home in Currinville, was born in Indiana July 12, 1827, and was aged 80 years, 10 months, 23 days. She was the daughter of Robert Young and crossed the plains with her parents to Oregon in the fall of 1847, locating near Silverton. A year later they moved to what was known as Young's Prairie. On November 29, 1849, she was married to Hugh Currin, who died in November, 1874. Mrs. Currin is survived by three children, Mrs. Martha Ann Calhoun, of Brownsville, Or.; George J. Loway, of Brownsville, Or.; and Robert Y. Currin, of Payette, Idaho, and two grandchildren. The funeral was conducted from her late home last Saturday. Mrs. Currin lived on the donated land claim taken by herself and her husband until her death. She was a woman of many noble qualities and was highly esteemed.

## COMPLETE HIGH SCHOOL AFTER REPEATED TRIALS

People of Oregon City Instruct Board of Directors to Add Eleventh & Twelfth Grades to the Present Course.

After repeated trials by the friends of higher education the establishment of a complete high school in Oregon City is at last assured. There was a time a number of years ago when the city maintained an eleventh grade to the course, but this was abolished and during the last four years Oregon City has had only the ninth and tenth grades, while every other town of its size in the state, and many of them smaller, has had a four-graded high school. Scores of young people have left Oregon City to complete their high school education in Portland and elsewhere. Several attempts to secure the establishment of a district high school here have failed, and two elections to relieve the situation by starting a county high school have resulted in defeat for the friends of the measure. A plan to unionize the districts of Oregon City and vicinity for high school purposes was suggested one year ago, but was defeated by the outside districts. But Monday night, at the annual meeting of the taxpayers of the city, the following resolution was presented by C. Schuebel and adopted with a dissenting voice:

"Whereas, the present course of the Oregon City High School is incomplete, comprising only the 9th and 10th grades, and

"Whereas, the children of Oregon City are compelled to go to Portland or other cities to complete their high school education, and

"Whereas, Oregon City is one of the very few towns of its size in this state that has no complete high school, therefore be it

"Resolved, That we, the taxpayers of School District No. 62, Clackamas County, Oregon, hereby instruct the board of directors of said district to establish a complete high school in Oregon City by adding the 11th grade to the present course at the opening of the Fall term in 1908, and by adding the 12th grade to the course at the opening of the Fall term in 1909."

This action was followed by the passage of a resolution authorizing the directors to borrow money for the purpose of completing two additional rooms in the Eastham building and to furnish them. While this authorization shows the sentiment of the people, it will also be necessary to hold a special meeting in the very near future for the purpose of making a bond issue to defray the expenses of the addition, which cannot be paid out of the general fund. It is possible that the directors will ask the taxpayers to authorize the construction of a four room addition to the Eastham building, as the city is growing constantly, and while four rooms will not be needed next Fall, it is certain that at least two will be required and the other two could be left in an unfinished condition, so far as their interior is concerned, unless they become necessary. This is the plan that is being followed at Gladstone, where an 8-room building is being erected, the plan being to complete four of the rooms and leave the others until such time as they may be needed.

### NEW MEN ON BOARD.

Huntley, Hedges and Beatie Will Help to Govern Schools.

The city school board has been given a sharp shake up, four members having retired within the last four months. At the annual election Monday Charles H. Canby, who has been a member of the board for 14 years, and who declined to become a candidate for re-election, was succeeded by William A. Huntley, who last week was elected by the board to fill the vacancy created by the resignation of Thos. F. Ryan. Mr. Huntley will serve five years. The four year term is held by George A. Harding, who was re-elected last year, and J. E. Hedges was elected for the three year term, succeeding Mr. Huntley on the Board. For the two year term there was a contest between Dr. A. L. Beatie and H. L. Kelly, the former receiving 83 votes to 17 for Mr. Kelly, who has been serving on the board since the retirement of Charles Albright several months ago. The new chairman of the board is Dr. W. E. Carl, who has one year to serve. At the annual meeting of the taxpayers of the district Monday night a resolution was unanimously adopted commending the efficient service of Charles H. Canby during his years of work in behalf of the city schools, and to this was added a verbal expression of appreciation, through Attorney Schuebel, of the results obtained by the entire board of directors, who have the district free from floating indebtedness for the first time in many years.

### Other School Elections.

At the annual school election Monday night in Willamette the following directors were elected: Frank Capen, 3-year term; H. T. Shipley, 2-year term; E. P. Berdine, 1-year term. Ernest Mass was elected clerk. Attorney J. E. Hedges appeared at the meeting and explained the financial condition of the district, following the investigations of the expert who worked on the books after the discovery of the Olson defalcations. Gladstone voted to establish a 10-grade school and elected the following

directors: E. P. Carter, three years; H. E. Cross, two years; William LaSalle, one year; Mrs. Estella Salisbury was re-elected clerk.

H. Peckover, was re-elected a director for three years at Parkplace, and W. A. Holmes succeeds himself as clerk.

In Mount Pleasant A. C. Warner was elected director for the three year term and J. A. Roman for the one-year term. Ward Lawton was re-elected clerk.

Charles W. Gray succeeds P. Hansen as director in West Oregon City for the three-year term. John B. Lewthwaite was re-elected clerk.

Lake A. May is the new director at Canemah, succeeding T. J. Searle. The clerk is Sam L. Stevens, who succeeds himself as clerk.

The salary of city superintendent was fixed at \$1,200 per year and the salary of the high school teacher at \$75 per month. The board will fill these positions later and will select men for both places. Salaries were increased all along the line, and the total increase for the year is \$1032.50. Miss Edna Canby was elected supernumerary teacher. The minimum scale of salaries for grade teachers will be \$50 with an increase of \$2.50 for each year of service until the maximum of \$60 is reached. The first primary teachers will receive \$60 per month, regardless of their term of service. The entire corps of grade and primary teachers was re-elected, with the exception of Mrs. Beatrice Harrison, who did not apply, as she goes to Michigan. This position was filled by the election of Mrs. Helen F. Grisez at a salary of \$60.

### HIGH SCHOOL GRADUATES.

Twelve Receive Diplomas From the Hands of Dr. Carl.

The friends of the 12 graduates of the Barclay High School assembled Tuesday night at the Shively Theatre to hear the commencement exercises. Canby, Margaret E. Lynd, Walter W. Hart, Edna Kinney, Raymond Olson, and Helen B. Wilcox, were seated on the platform and were presented with beautiful flowers. Bowen delivered the invocation and this was followed by the salutatory by Bertha A. Wourms. The first oration "The Spirit of Liberty," by Raymond F. Olson, was a splendid effort, and Mrs. Kathryn Ward Pope delighted the audience with her rendition of "Lenz" (Eugene Hildach). Miss Edna Kinney gave an oration on "Ideals and Realities," and was followed by Miss Elizabeth Cooper, who read an interesting paper on "The Class." Miss Ona Renner's piano number "Lef Myrtel" (Wach), was well received and Dr. Clarence True gave the graduates seasonable advice and was listened to attentively. Mrs. Pope sang "You Loved the Time of Violets" (Lohr), and Miss Laura Ekern gave the valedictory. The class were presented with their diplomas by Dr. W. E. Carl, chairman of the board of directors, and the programme closed with a piano duet.

## CITY WILL CELEBRATE THE GLORIOUS FOURTH

CITIZENS PLAN TO JOIN WITH VOLUNTEER FIREMEN FOR ROUSING TIME.

The volunteer firemen are not to go unassisted in their plan to arrange for a Fourth of July celebration at Oregon City. County Judge Dimick has placed in circulation subscription papers, which will be passed among the business men, and it is hoped to obtain sufficient money to guarantee a celebration that will be highly successful. Judge Dimick's thought is to have a committee to work in conjunction with the firemen, who will hold a meeting in the hall of Fountain Hose Company, to make final arrangements for their annual barbecue, which may be held July 4. It has been the custom for the council to make an appropriation for firemen's hose races for the Fourth of July. This was done last year. There is no celebration in Portland this year, and an attractive affair here will bring thousands of visitors to the city.

### HOMING PIGEONS TO FLY.

B. T. McBain Will Release Birds in This City Next Sunday.

The members of the Pacific Pigeon Club, of Oakland, California, will again risk their valuable birds in an endeavor to better the record from Oregon City, Oregon, to said point.

Birds belonging to W. W. White and Dr. M. V. Kempe will be shipped from 16th St. Depot, Oakland, California, on Wednesday, June 17th, arriving in Oregon City Friday morning, June 19th. While in Oregon City they will be in the care of B. T. McBain, formerly a homing pigeon fancier and still a member of the club.

Oregon City is distant air line from Oakland, about 513 miles. This can be flown in a day if conditions are right, but never has been known on the Pacific Coast or in any country where like climatic conditions prevail and where birds must fly over a mountain range, the height of that south of Ashland, Oregon, the Siskiyou range. The birds will be liberated Sunday morning, June 21st at daybreak, thus giving them the longest possible day in the year to complete the tedious journey and break, if in their power, the present record.

### Vacations for Telephone Girls.

The Pacific Telephone & Telegraph Company will give its Oregon City operators one week's vacation with pay. Miss Stella Womer, of Estacada, a well known school teacher and former operator, will act as relief operator during the summer. Miss Emma Quinn, of the local office, leaves in a few weeks for Southern California, to spend a month.

### Pastor Takes Vacation.

Rev. E. Clarence Oakley, pastor of the Congregational church, and Mrs. Oakley, leave next Monday over the Canadian Pacific for an Eastern trip and will be absent until the latter part of August. They will go to Detroit, and as far East as New York city. Mr. Oakley will preach next Sunday morning and evening. On the two Sundays following the pulpit will be occupied by Rev. Folsom, the home missionary superintendent, and on the next two Sundays Rev. Howard N. Smith, state Sunday School superintendent, will preach.

## FEATURES OF CHAUTAUQUA

LIST OF BASEBALL TEAMS FOR COMING TOURNAMENT IS COMPLETE.

## RARE MUSICAL TREATS

Eighteen Classes in Summer School Make Morning Sessions Profitable—New Buildings Under Construction.

The list of baseball teams for the coming Chautauqua tournament is complete. The Spantons and Montavillas, from Portland; the Oregon City Aces, Lebanon Cubs and Gresham Giants will compete for the honors. The Chautauqua management has made a strict rule that there shall be no interchanging of players. The baseball grounds are being put into fine shape and everything promises fine sport.

The music lovers of Clackamas County and adjoining, are to have a rare opportunity to receive free musical training this year. Dr. R. A. Herltage will be in Oregon City on and after June 22, and will give free class instruction daily to those who are going to enter the Chautauqua chorus. This will give them four weeks training under one of the most able of America's teachers. Those joining the Chautauqua Chorus are also entitled to season tickets at less than half price.

A great number of people are forming clubs of ten in order to avail themselves of the reduced rate offered all such clubs that are formed before the opening day. The firms, Huntley Bros., Jones Drug Store, and Harding's Drug Store, have each started clubs that anyone can enter before Chautauqua opens, and the prospects as shown by the present activities give promise to the best season that the Chautauqua has ever had.

One of the best and greatest features of the Chautauqua is its summer school. There are to be eighteen classes this year taught in every instance by specialists. There is but one way to enjoy this privilege and that is by camping on the grounds.

The directors are now constructing two new buildings in the park, one for the kindergarten and the other for the music classes. The secretary's headquarters has been remodelled and a convenient dressing room has been added for the benefit of lady visitors.

### GERMANS AT WILLAMETTE.

Arion Society Came Up From Portland To Celebrate.

What turned out to be a most successful outing was held Sunday when more than 250 members of the Arion Society gathered at Willamette, on the Schooner farm, to celebrate their annual picnic. As the cars came in sight of the little town in Clackamas County, carrying the members of the society, a salute of 21 guns was fired. The visitors were then escorted to the place of their festivities by the Schooner family.

Among the many features at the outing was an imitation circus which was arranged for the purpose of amusing the young people. A professional acrobat was on hand and a burlesque menagerie was one of the attractions. In order that it might be possible for all to participate in the dancing, a special floor had been laid and Japanese lanterns afforded illumination for those who wished to stay late. Everybody took their own lunch, but in the evening a hot dinner was provided for those present by Mrs. Schoener. President Harry Proemeder, Dr. Maerz and Gustav Schoener delivered addresses and an orchestra from Oregon City furnished the music. The Arion Singing Society, numbering 40 voices, rendered several selections.
