The Eagle Creek team expect to meet some Portland team and play for a large purse. The O. W. P. has consented to make special rates and also do all in its power to make the day a success. The contest for the Goddess of Liberty is now on. The vote stands as follows: Emma Tehardus, 1; Mable Judd, 18; Ruth Dale, 22; Lena Lehman, 1; Gertrude Morrow, 1. The voting will be closed at 10 P. M. June 27. This is the night of the big dance given by the fire company to help get funds for the Fourth. The proceeds of the celebration will go toward new fire apparatus. The school election on Monday night was the most spirited that Estacada has witnessed in many a day. The school district No. 108 comprises Estacada, Cazadero and adjacent territory. John Stormer, for five years a member of the school board, was unanimously re-elected for another term of three years. The principal contest was in the election of a school clerk. J. F. Lovelace, who has served for four years, and L. E. Belfils, cashier of the Estacada State Bank, were the candidates. Some of the votes were challenged and four or five people voted on the strength of being telephone stock holders. The vote stood 56 to 27 in favor of Mr. Belfils and before the chairman declared him elected Mayor Heylman moved that Mr. Belfils be given a unanimous vote, which motion duly carried.

It was also voted to add a fourth teacher in the school, who is to begin in the fall term. This carries with it the necessity of equipping the fourth room in the school building.

The meeting also declared in favor of a three mill tax on a property value of \$700,000 in the district. The school is to have a furnace next year and the teachers' salaries are to be raised. Prof. Thomas D. Miner, of Lents, who was principal of the Sunnyside school last year, has been elected principal for the coming year. He is an able man, a man with a family and expects to move to Estacada sometime in September. But the little burg is not asleep and she proposes to have the best school in the county. Undoubtedly at last the eleventh grade will be added this year.
