BARBECUE OF FIREMEN.
Fighters of Flames Arrange For Annual Good Time.
The volunteer firemen have concluded to keep their hands off of the proposed Fourth of July celebration. It was anticipated that the fire ladders might join the celebration and their annual barbecue together, but at a meeting of the joint committees of the six companies, it was decided to go it alone, and hold the barbecue on some Sunday in July, probably about

July 12. This agreement was reached after a full discussion. The final meeting of the joint committee to arrange for the barbecue will be held Thursday evening, July 2. Sam Stow is chairman, H. W. Stratton secretary, and William Frye treasurer. The committees for the barbecue follow:
Advertising—Noble, Rainey, Peters. Reception and refreshments—Gleason, Frye, Stratton, Jones, Sinnott, Muller.

Grounds and music—Frye, Peters, Jones.
Sports—Cannon, Sinnott, Nicholls, Howell, Smith.
May Become Army Officer.
John Edward Hanny, of this city, has excellent chances of becoming an officer in the United States Army and has been ordered to report July 1 at Fort Leavenworth, Kan., to take the examination for admission to the Army as a Second Lieutenant. Mr.

Hanny graduated from the Oregon Agricultural College this year and was captain of Company G, of the cadet regiment, his company taking second prize in a recent competitive drill. Mr. Hanny obtained his early education in St. John's Parochial and High School, now McLoughlin Institute.
A Graceful Act.
(The Oregonian.)
The School Board did a graceful

act when it promoted Miss Fannie G. Porter to be principal of the Falling School. For a number of years she has been "next to the head" in that and other schools, the only block in her upward progress being apparently her sex. Now this limitation is wisely removed.
