

OREGON CITY ENTERPRISE

FORTY—SECOND YEAR NO. 28.

OREGON CITY, OREGON, FRIDAY, JULY 10, 1908.

ESTABLISHED 1896.

REDISTRIC THE FORESTS

NAMES AND BOUNDARIES OF TIMBER SECTIONS ARE TO BE CHANGED.

NO ADDITION TO AREA

Comprehensive Plan Will Further the Interests of Stockmen, Miners, Lumbermen and Other Users.

WASHINGTON, July 9.—The second step in the comprehensive plan of redistricting the National Forests in the Western states has just been made by the President in signing executive orders which will change the names and boundaries of the Forests in Oregon. The only other state in which these plans have been completed is Idaho, but it is expected that the work of redistricting in all the National Forest states will be finished and the changes announced in the next few days.

No addition to forest area is involved in the plans for redistricting in any of the states of the Northwest. The object of the work is to equalize the areas of administrative units and to arrange their boundaries in such a manner as to promote the most efficient and practical administration of the Forests. It will enable officers of the Forest Service to give prompt attention to all forest business and further the interests and add to the convenience of stockmen, lumbermen, miners and all other users or settlers in the National Forests. The Oregon National Forests which will be affected by this rearrangement are as follows:

A new Forest to be known as the Umatilla will contain 550,176 acres and will consist of all of the Heppner and of the northwestern portion of the Blue Mountains Forest. It is located in Morrow, Umatilla, Grant and Wheeler Counties.

This Forest will continue to be administered by Supervisor Thomas E. Chidsey with headquarters at Heppner, Oregon.

The Forest is to be known as the Whitman will have an area of 1,264,739 acres and will consist of the northeast portion of the Blue Mountains Forest which is in general the area formerly known as the "Blue Mountains (W) National Forest." It is located in Umatilla, Union, Baker, and Grant Counties and will be under the administration of Supervisor Henry Ireland with headquarters at Sumpter, Oregon.

The new Malheur National Forest is what has been formerly known as the "Malheur Division of the Blue Mountains" and will embrace 1,183,458 acres. It consists of the southwestern portion of the "Blue Mountain (W) Forest" and is located in Umatilla, Union, Baker and Grant Counties. This Forest will continue under the administration of Supervisor Cy J. Bingham with headquarters at John Day, Oregon.

The Forest to be known as the Deschutes will consist of that portion of the Blue Mountain Forest formerly known as "Blue Mountain (W)", the northern portion of the Fremont, and certain townships of the Cascade containing 1,475,480 acres. It is located in Crook, Lake, Wheeler, Klamath, Grant and Harney Counties. The Forest will be administered by Supervisor A. S. Ireland with headquarters at Prineville, Oregon.

The Fremont National Forest will consist of the southern portion of the old "Fremont" and all of the "Goose Lake" Forests and is located in Lake and Klamath Counties. This Forest is very irregular in outline and is composed of many segregated areas, the total area of which will be 1,236,960 acres. It will continue to be under the administration of Supervisor Guy M. Ingram with headquarters at Lakeview, Oregon.

The land formerly included in the "Bull Run" and the "Cascade (N)" Forest, except that portion south of the Willamette Valley Cascade Mountain Wagon Road, covering 1,788,320 acres, will be called the Oregon National Forest. This Forest is located in Multnomah, Clackamas, Wasco, Marion, Linn and Crook Counties and will continue under the administration of Supervisor Thos. H. Sherrard with headquarters at Portland, Oregon.

Cascade will continue to be the name of that portion of the old "Cascade" Forest (not included in the Fremont) lying between the Willamette Valley and Cascade Mountain Wagon Road and the middle fork of the Willamette River and West Deschutes River. This Forest has an area of 1,845,120 acres and is located in Lane, Linn, Crook, and Klamath Counties. It will be administered by Supervisor C. R. Seltz with headquarters at Eugene, Oregon.

The Forest now to be known as the Umpqua will embrace 1,698,560 acres and will consist of that part of the "Cascade (S)" National Forest (which has not been included in the Fremont) between the middle fork of the Willamette and the West Deschutes River and the Rogue River and the South Umpqua River Divide, also the southern portion of the old "Umpqua" Forest. It is located in Lane, Klamath, Jackson, Coos, and Douglas Counties. This Forest will continue to be administered by Supervisor S. C. Bartrum with headquarters at Roseburg, Oregon.

SOCIALISTS PLACE CONVICT ON TICKET

MAN WHO IS SERVING TERM FOR MURDER NOMINATED FOR PRESIDENT.

CARSON CITY, Nev., July 6.—M. R. Preston, who is serving a 25-year sentence in the Nevada State Prison for murder, and who was nominated by the Socialist party at New York for President of the United States, when shown the telegram announcing his nomination, expressed no surprise at the news. From his cell he gave out the following interview last night: "I am not greatly surprised at the action taken in the matter by my party; in fact, I was aware they would recognize me in some way or another. I am particularly well known to members of my party, and am a Socialist from the ground up."

Ratify Preston's Nomination.
NEW YORK, July 6.—The nomination of Martin Preston, Presidential candidate of the Socialist party, was ratified at a mass meeting in Cooper Union tonight. Preston is serving a term of imprisonment for shooting his employer in Goldfield, Nevada. The nomination of Donald Monro, a dentist machinist, for Vice-President was also ratified. The Marcellaise was played and radical speeches were made. Taft, Bryan and the "capitalist press" were scored and President Gompers came in for bitter criticism.

FOURTH OF JULY WAS QUIET IN THIS CITY

HUNDREDS GO TO WRIGHT'S SPRINGS, HIGHLAND, ESTACADA AND TO GLADSTONE.

The Fourth of July was entirely sane at Oregon City. The children exploded their fireworks with glee, and in Canemah Park a large number of people attended the celebration under the auspices of the Fraternal Brotherhood, but hundreds of people left the city for Estacada, Wright's Springs, and Highland where celebrations took place. Attorney Walter A. Dimick was the orator at Wright's Springs, and the beautiful grove was the scene of much merriment. In the afternoon there were races and sports and the Molalla Band provided music. At Highland the oration was delivered by County Judge Dimick.

Several picnics were held in Gladstone Park. The Welch people had a reunion there, and the Presbyterian Church and Sunday School annual picnic was an enjoyable affair. The basket dinner was up to expectations, and ice cream cones and lemonade were served all day. The most interesting feature was the ball game between the men and boys and the young ones took the elders into camp to a score of 11 to 10. David Williams and Frank Andrews made home runs and the line up was:

Men	Boys
Arthur Williams, p.....	Kent Wilson
Charles Ely.....	Clyde Green
Frank Andrews.....	Dave Williams
Billy Wilson.....	Andrew Koerner
A. Matheson.....	A. Brownell
C. Schuebel.....	A. Matheson
E. Burdon.....	Lloyd Devers
Geo. Wishart.....	Verne Taylor
Rev. Landsborough c.....	Ellis Brown

The Crater National Forest will contain 1,106,802 acres and will consist of the southern portion of the old "Cascade (S)", the "Ashland" and a portion of the "Klamath" and "Slaskiyon" Forests. It is located in Jackson, Klamath, and Curry Counties, Oregon, and Shasta County, California. Acting Supervisor C. A. Buck will administer this Forest with headquarters at Medford, Oregon.

The Slaskiyon will now consist of the greater part of the old "Slaskiyon", all of the "Coquille" and part of the "Klamath" and will contain 1,305,657 acres. It is located in Jackson, Curry and Coos Counties. This Forest will be administered by Supervisor M. J. Anderson, with headquarters at Grants Pass, Oregon.

All of the old "Tillamook" and "Umpqua" Forests, except the southern portion of the old "Umpqua," embracing 973,918 acres, will be known as the Siuslaw National Forest. This Forest is located in Tillamook, Lane, Douglas, Coos, Lincoln, Polk, and Yamhill Counties. Supervisor A. E. Cochran will administer this Forest with headquarters at Eugene, Oregon.

The Wallowa is the Forest formerly known as the "Imnaha." It contains 1,750,240 acres and is located in Wallowa County. This Forest will continue to be under the administration of Supervisor Howard K. O'Brien, with headquarters at Wallowa, Oregon.

The Forest Service desires to reduce the area of the average administrative units to approximately 1,000,000 acres. This was not possible in all cases as is shown by the fact that under the plan of redistricting there will be 14 Supervisors in the United States who will administer more than 167,000,000 acres of National Forests.

Dye Wins Scholarship.
Word has just been received from the president of Columbia University, of New York City, that Trafion M. Dye, a son of Mr. and Mrs. Charles H. Dye, has won the Vanderbilt scholarship in law at Columbia University. The value of the scholarship is \$150. Mr. Dye is now touring Europe and does not know of his good fortune.

FINE WEATHER AND CROWD AT CHAUTAUQUA OPENING

More than 1000 Campers In the Tented City at Gladstone Park — Programmes Are Full of Interesting Features.

The deep toned voice of Congressman Hawley rolled out over a sea of faces in the big auditorium Tuesday morning, marking the opening of the 15th annual session of the Willamette Valley Chautauqua Assembly. The crowd for the opening day was a record breaker, and the number of campers on the grounds outstrips any previous assembly. The Chemawa Indian school band is back in their old place again this year, and furnish music at all of the sessions.

On the platform with President Hawley were seated 15 of the 16 instructors of the Summer school. Hawley's address of welcome was a masterpiece of its kind, showing that he has grown as a member of congress. Dr. Paul Rader of Portland responded, and his brief talk came well up to the measure of the welcoming address.

The organization of the Summer classes and announcements by instructors followed. Mr. Hawley announcing his own classes in United States History at the old stand under the trees on the subject of "United States Government as Exemplified by Actual Experience in Congress," for the season of 10 lectures. Professor W. Eugene Knox, of Puget Sound University, will have his classes and lectures in education, and Dr. B. J. Hoadley outlined his classes in English Literature. Dr. R. A. Heritage reported a new auditorium for the special study of music, as did also Miss Elizabeth K. Matthews, who has charge of the kindergarten. These two buildings are new permanent structures on the Chautauqua grounds.

Rev. C. A. Phipps, who has just arrived from the National Sunday School gathering at Louisville, Ky., outlined his plans for the new idea Sunday School Normal. A. M. Grilley has just returned from the great Y. M. C. A. gathering at New Jersey and reports four classes in physical culture in the old auditorium. Professor A. R. Sweetser, of the University of Oregon, began his classes Wednesday and Mrs. Ellen R. Miller will preside over the school of Domestic Science, under the auspices of the Y. W. C. A. William L. Finley, who is to have charge of the class in birds, has not returned from his late exploration of the Klamath country, and will probably not be able to begin his work until the latter part of the week. Miss Anna Lewis Clark, of St. Louis, Mo., an officer of the National Federation of Women's Clubs, is on the grounds and commenced her women's institute Wednesday. Mrs. Henrietta Brown, of Albany, state president of the W. C. T. U., announced her first programme at 3 o'clock Wednesday. Daily lectures on practical sociology will be given by Dr. Rader at 10 o'clock, and Professor Boughton, of McMinnville, will conduct daily classes in Foreign Mission study.

The first lecture of the session was given Tuesday afternoon by Alfred Montgomery, the former painter of Chicago. Mr. Montgomery is an eccentric character, and while he talks entertainingly, the chief interest lies in his wonderful paintings. His collection at Gladstone Park being valued at \$90,000. His farm scenes are realistic beyond description, and must be seen to be appreciated. Montgomery does not like to be termed an artist, but he is a painter of farm scenes and country life that show rural scenes as they are.

The baseball game Tuesday between the Gresham Giants and the Lebanon Cubs was won by the latter with a score of 11 to 5. The match was remarkable for the large number of errors.

Mrs. Leonora M. Lake, of Chicago, lectured Tuesday on "My Neighbor and I." The first night Chautauqua audience was large, all applause was spontaneous and liberal. Mrs. Lake is a noted Catholic woman and is interested in temperance work.

In Gilbert & Sullivan's comic opera "Trial by Jury" and Bordie's operetta "Rose of Savoy" on Wednesday night. Dr. R. A. Heritage achieved a musical triumph, and a large and satisfied audience filled the auditorium. Miss Edna Browning was the soprano and

UNIVERSITY IS GRATEFUL.

President Campbell Says Outlook For the Future is Very Bright.

Eugene, Ore., July 2, 1908.

Mr. E. E. Brodie, Oregon City, Or.

Dear Sir: Now that the Commencement exercises of the University are over, and there is leisure to think back over the incidents of the campaign for the University appropriation bill, as I begin to realize the immense import, both to the University and to the state at large of the success of that bill, I grow still more deeply grateful to the friends who so loyally fought for it through the heat of the battle. I wish personally to express my heartfelt appreciation of your loyal efforts in support of the University. We now realize that every vote was needed, and we are sure that we owe a part of our majority to your efforts in the field. I express not only my own thanks, but the thanks also of the Alumni Committee and every member of the University Faculty.

her lyric voice is sweet and flexible. The flower girl in the operette was Miss Ruth Field, of Salem, who displayed a great deal of talent, and Miss Eleanor Colony was the milliner. She has a phenomenally low alto register of good quality. The chorus of Oregon City girls was distinctly pleasing.

W. H. Varney was the Judge in "Trial by Jury," and both his acting and pronunciation were good. The tenor, Eugene E. Garlicks, who represented the Defendant, was four years with Frank Daniels, and his acting is excellent. W. A. Ross, C. A. Miller and V. Harris had the other leading male parts and a strong feature was the chorus of 12 bridesmaids by Oregon City girls. The jury men, a motley array of ordinary citizens, had some humorous stunts that were very pleasing and the spectators numbered 64 voices.

Dr. B. L. Whitman, of Seattle, opened his bible class Wednesday with an unusually large attendance. He is one of the strongest men identified with Chautauqua. Miss Anna Lewis Clark opened her Woman's Institute at the Federation headquarters Wednesday with a gratifying attendance. Miss Clark, who comes from Missouri, is a direct descendant of Captain Clark and a relative of Captain Lewis, bearing both their names. She is among women what Dr. Whitman is among men, both in stature and in mental ability.

Dr. H. M. Crooks, president of Albany College, gave an address on "Morality and Literature," at the Forum Wednesday morning. His familiarity with popular literature covers not only the classics, but a wide range of modern popular fiction. Mrs. Allen Brown, of Jennings Lodge, made a happy hit as a popular reader, inasmuch that she was immediately engaged for several programmes. The Philomath male quartette, led by President White, of that college, rendered several selections at the Forum and also on the platform this afternoon before the lecture of Mrs. Leonora M. Lake, on "The Divine Rights of the Child." In manner, voice and appearance she was a delight to her audience. Her plea that the child should be well born, well nurtured and surrounded by proper influences struck a responsive chord that met with continuous applause.

This is the first time that a Catholic has spoken on the Chautauqua at form here, although the Eastern Chautauqua platforms regularly engage more or less Catholic talent. Mrs. Lake is a former parishoner of Archdiocese of Portland. She takes special pride in the fact that her fellow countryman, Dr. John McLoughlin, was the author of the first prohibition law in the United States, dated at Oregon City, in 1844. Mrs. Lake was given a reception immediately after her afternoon lecture.

The kindergarten class, conducted by the congress of mothers, of which Mrs. E. B. Colwell is president, opened Wednesday morning with a very large attendance. Miss Elizabeth K. Matthews, superior of the Kindergarten Training Class of St. Helens Hall, has charge of the class and is assisted by Miss Rebecca N. Hatton. The kindergarten class will open every morning in the new building, which has been constructed expressly for this purpose and which will be a permanent edifice at Chautauqua. Miss Matthews will give a platform talk Friday morning at 11 o'clock in the auditorium.

The ball game Wednesday was won by the Spantons, of Portland, by a score of 5 to 4. The opposing team was the Oregon City Grays. Baker and Hitsman were the batterers for Spantons and Robinson and Ganing for the Grays. The score by innings:

Spantons.....	1 3 0 0 0 1 0 0 5
Oregon City.....	0 0 0 1 0 0 1 2 4

It is understood that John Sharp Williams, who talks Saturday July 11, brings his wife, formerly a belle of Mississippi, and the ladies of the State Federation of Women's Clubs are planning an elaborate reception for her and for the wife of Congressman Hawley, who is camping on the grounds.

Accident at Gladstone.

Irvine Hoar, a son of Rev. Hoar of Gladstone, suffered a broken wrist Wednesday morning while exercising on the gymnasium platform at the Chautauqua grounds. He was pushed off the platform by a young companion.

WILLIAMS TALKS SATURDAY.

John Sharp Williams will not lecture at Chautauqua this afternoon, as scheduled. Secretary Cross has received a wire from the distinguished Democrat from Mississippi, stating that it will be impossible for him to arrive in Portland before 9 o'clock Friday night. It will be necessary to schedule Williams' lecture for Saturday, and the hour is 2 P. M. Dr. Landrith lectures this afternoon.

Judge Stipp is Deputy.

Judge Lvy Stipp has been appointed Deputy District Attorney of the Fifth Judicial District for Clackamas County. The appointment was announced Tuesday by District Attorney E. B. Tongue, of Hillsboro. Judge Stipp's third term of Justice of the Peace, for Oregon City and surrounding precincts has just expired. The appointment meets with popular approval. Howard M. Brownell, a son of Attorney George C. Brownell, of this city, will be Deputy District Attorney for Clatsop County.

PROSPECT BRIGHT FOR NEW COMMERCIAL CLUB

BOARD OF GOVERNORS NAMED AND TOM RICHARDSON STIRS UP ENTHUSIASM

Business and professional men of Oregon City met Tuesday night in the banquet hall of the Masonic Hall and listened to a stirring address from Tom Richardson, general all around publicity man and manager of the Portland Commercial Club. Mr. Richardson warmed up to his subject and created considerable enthusiasm among the local promoters, some of whom talked briefly. The meeting was one of happy accord and indicated exceedingly bright prospects for the formation of a commercial club at Oregon City.

Dr. E. A. Sommer, John Adams, and C. D. Latourette were appointed a board of governors, with authority to add six more members to the governing body. These men will formulate rules and by-laws and on next Tuesday evening will make a report to the club members, who will hold a meeting at the same time and place. Officers will be elected next Tuesday evening when it is expected that definite plans will be agreed upon and that the organization of the club will proceed without delay. With a membership fee of \$25, and with fully 100 members in prospect there is every reason to believe that the club will be formed on a sound and permanent basis.

POWDER FLASHES BURNS AGED PEOPLE

MR. AND MRS. DAUCHY, OF GLADSTONE, HANDLE EXPLOSIVE CARELESSLY, AND MASS CATCHES FIRE.

C. H. Dauchy, Sr., and wife of Gladstone Park, were severely burned Friday at their home by the burning of one hundred pounds of powder. Mr. Dauchy is connected with the Oregon Safety Rock and Smokeless Gunpowder Company and spends his time manufacturing the powder. He was stirring a kettle over the fire in the open air. The rule in making the powder is that the ingredients must be mixed off the fire. Mr. Dauchy was in a hurry and put some syrup left from a former batch in the boiling kettle. Some of the mixture immediately granulated and the whole kettle catching fire went up in a flash.

Mrs. Dauchy was standing near, scraping a paddle that her husband needed to stir the mixture. The kettle has a flaring top which caused the flames to spread. The shock threw Mrs. Dauchy to the ground and the flames burned her severely on the face and arms, also burning away a lot of her hair. Mr. Dauchy was also severely burned on the arms and had a quantity of powder burned into his face in addition to having his beard and hair singed nearly off.

The couple were alone in the yard, but Miss Olson, a neighbor, was in the house. Mr. Dauchy ran in and telephoned to Dr. Norris while Miss Olson went for help, then noticing that the dry house was on fire and realizing that everything would be lost if something was not done at once, Mr. Dauchy went out and tore away part of the burning roof with his hands burned in blisters. His presence of mind saved their home, a quantity of powder, and the surrounding out-buildings.

The powder which is made there will not explode unless it is ignited under heavy pressure. Mr. Dauchy says that the accident was wholly due to his thoughtlessness in mixing the stuff over the flames.

Mrs. Dauchy is suffering a great deal. Her eyes are swelled completely shut and a ring on one of her fingers had to be filed off on account of the swelling.

New School District.

The people who have been clamoring for a new school district in the Logan section were successful Monday when the district boundary board granted the petition for the establishment of the new district, to be created out of the districts of Lower Logan, Evergreen, Redland and Linn's Mill. The petitioners states that their children have to walk too far to their respective schoolhouses.

Expert Bores Holes in Big Safe of Harvey E. Cross.

The law office of Harvey E. Cross, secretary and ground manager of the Willamette Valley Chautauqua Assembly, presented a thrilling appearance Monday night, when passers-by were attracted by the spectacle of a dark browed man, hatless and in his shirt sleeves, armed with a brace, bits and other tools, boring a hole in the door of the big Diebold. Officer Cooke joined the gaze of the serious, but did not attempt to make an arrest for the cracksmen was working in the interest of Mr. Cross, who had lost his combination and all of the tickets for the session of Chautauqua that opened Tuesday, were locked up in the safe.

Like many other men, Mr. Cross does not keep the combination to this safe in his brain, but depends on a written record which he carries in his pocketbook.

At the Chautauqua grounds the book was lost and the secretary of the Chautauqua Assembly suddenly realized that he was up against a hard proposition and kept the telephone line to Portland hot for a few minutes in an effort to find an expert. The safe was opened at 10:30 o'clock Monday night.

STATE LAW IS INVALID

JUDGE GALLOWAY DECIDES THAT STATE PROPORTIONMENT IS UNFAIR IN OPERATION.

YAMHILL WINS SUIT

Law Prescribing the Apportionment of State Taxes Said to Conflict With the Constitution of Oregon.

That the law prescribing the apportionment of state taxes conflicts with the Oregon constitution and is therefore invalid, is the gist of a decision rendered in the Circuit Court by Judge Galloway.

The case at hand was the suit brought by Yamhill County to prevent payment of alleged excessive taxes to the State Treasurer. The suit reads, "County of Yamhill vs. County Treasurer Foster and State Treasurer Steel," wherein the former is enjoined from paying and the latter from collecting the sum of \$22,482 excessive state tax for 1907, alleged to have been wrongfully and arbitrarily apportioned to this county by the state board, and arguments on the demurrer were heard Saturday.

Attorney General Crawford, who appeared for the state, contended that the money collected by the county was for a specific purpose and must be turned over to the state if levied and collected for the purpose of being applied to the payment of state tax; furthermore, that the taxpayers and not the county should have brought the suit.

The county was represented by Martin L. Pipes and McCain & Vinton. The attorneys for the plaintiff attacked the constitutionality of the law of 1901, prescribing the mode of apportioning the state tax and cited numerous authorities to prove that a county could sue and to be sued and could resist the collection of taxes unjustly or unequally levied, as it was contended they were under this law. The court overruled the demurrer. The Attorney General declined further to plead and gave notice of appeal, whereupon the injunction was declared perpetual on the grounds that the law conflicted with the constitution.

CHANGE IN RURAL ROUTE.

No. 3 Will Be Shortened for Benefit of No. 4.

Postmaster Randall has recommended a change in rural delivery routes Nos. 3 and 4, and it is expected that the department will approve his recommendation. No. 3 now runs from Oregon City to Beaver Creek and then 3-4 of a mile south to Studeman's, where the carrier of route No. 4 is met and the mail for No. 4 transferred. It is the postmaster's plan to shorten the route of No. 3, and make the connection at Beaver Creek store, where the carrier on No. 4 will have an opportunity to route his mail, and will also receive it earlier in the day, shortening the route of No. 3 and lengthening that of No. 4, who will go to Studeman's via Daniels, and cover his usual route as heretofore.

MATLOCK SUED FOR DIVORCE.

Prohibition Orator's Wife Charges Cruel Treatment.

Mrs. Sarah Matlock has begun suit in the Lane County Circuit Court against J. D. Matlock, Mayor of Eugene, for divorce, on the grounds of cruel and inhuman treatment. Mrs. Matlock alleges that since their marriage, about eight years ago, they had frequent quarrels over property owned separately by them, and that Mayor Matlock had used cruel and harsh language toward her. They have been living apart for two months. Mrs. Matlock, who is in very poor health, is living with her daughter, Mrs. Robert M. Pratt, wife of a Eugene capitalist. Mayor Matlock obtained some notoriety in Oregon by campaigning for prohibition previous to the June election.

LOSES COMBINATION.

Expert Bores Holes in Big Safe of Harvey E. Cross.

The law office of Harvey E. Cross, secretary and ground manager of the Willamette Valley Chautauqua Assembly, presented a thrilling appearance Monday night, when passers-by were attracted by the spectacle of a dark browed man, hatless and in his shirt sleeves, armed with a brace, bits and other tools, boring a hole in the door of the big Diebold. Officer Cooke joined the gaze of the serious, but did not attempt to make an arrest for the cracksmen was working in the interest of Mr. Cross, who had lost his combination and all of the tickets for the session of Chautauqua that opened Tuesday, were locked up in the safe.

Like many other men, Mr. Cross does not keep the combination to this safe in his brain, but depends on a written record which he carries in his pocketbook. At the Chautauqua grounds the book was lost and the secretary of the Chautauqua Assembly suddenly realized that he was up against a hard proposition and kept the telephone line to Portland hot for a few minutes in an effort to find an expert. The safe was opened at 10:30 o'clock Monday night.
