

## GRAYS ARE BEATEN AT CAMAS SATURDAY

TAKEN INTO CAMP BY A CLOSE SCORE FOR FIRST TIME THIS SEASON.

The hitherto unbeaten baseball team of the Oregon City Grays returned Saturday night from Camas, where they were taken into camp July 4, by a score of 4 to 3. The boys are still the champions on their home grounds. Nefzger struck out 14 men, and only three innings saw any runs come over the pan. Shaw allowed no base stealing, throwing out every man who attempted it. Only one earned run was made, and fielding errors were responsible for the score. Cox brought down a hard hit from Politz but over second base, while two men were in line for home. Douthit and Ott both played consistently in the field. In trying to get back to first in the sixth inning, Ott stepped on McGinnis' hand, and Duffin was called in from the field to occupy the initial sack. The score:

## Estacada and Eastern Clackamas

### ESTACADA.

From the standpoint of a good time and a satisfied crowd of visitors, the celebration at Estacada on the 4th was a decided success. There were at least 3000 visitors from the surrounding country and from Portland. With very few exceptions the programme was carried out as advertised. Mayor Heyman introduced the speakers after the invocation by Rev. Paronougan. Dr. Larson, of Portland, spoke first and delighted the crowd with a few well chosen words and some good stories. Hon. Lewis M. Head, the speaker of the day, held the pleasure seeking crowd for over an hour. No one showed any desire to leave until he had finished. The afternoon dance was free to all. There were about a hundred couples who enjoyed the whirl and rhythm of the evening dance which lasted until 3:00 A. M.

Speaking from the financial standpoint, the success was not so great. Figures will tell the tale best and the following is the report as accepted by the Volunteer Fire Department of Estacada at their meeting on Monday night. Donations to the fund: Ed. Bonner, \$15.00; J. J. Mackbank, \$10; Wm. Dale, \$5; A. Morrow, \$2.50; C. F. Howe, \$5; E. F. Surface, \$5; H. Cooper, \$2.50; G. H. Lichthorn, \$1; F. Van Duran, \$2.50; J. V. Barr, \$2; Geo. W. Lockery, \$1; Wm. Delap, \$1; The News (advertising), \$5; H. N. North, \$5; A. E. Sparks, \$5; Dr. Adix, \$1; Estacada State Bank, \$5; N. L. S. Lairy, \$2.50; A. Friend, \$10. The receipts were: The dance \$69.75; stand \$47.80; baseball grand stand, \$9.45; concessions, \$20.00. Total receipts, \$232.50.

The disbursements: Prizes—Baseball, \$20; horse race, \$20; pony race, \$15; 100-yard dash, \$5. Expense—To obtain speaker, \$3; printing, \$6.50; G. F. Shutz, \$3.85; C. F. Howe, merchandise, Wm. Dale, merchandise, \$10.75; W. A. Jones, \$5.00; T. J. Regan, \$6; E. F. Surface, \$8; goods for stand, \$38.45; A. Morrow, \$4; Earl Delap, \$4; Bert Page, \$1; The Estacada Band, \$55; orchestra afternoon, \$7.00; evening, \$16.35. Total disbursements, \$235.40. This left a deficit of \$1.90 to be paid out of the reserve fund of the Fire Company. It might be added that the dance of the 27th together with the contest for the goddess of liberty brought in only a small profit and this was put with the above mentioned reserve fund.

At the meeting of the Volunteer Fire Company held last Monday evening it was unanimously voted to disband the company and turn the books, together with small amount of money on hand over to the city. The boys feel and from the indications shown in the above financial report they have the right to feel that the people do not give them sufficient backing. They had this celebration in order to earn some money for more fire fighting apparatus. The department consisted of 18 members.

Al Lindsey has received the contract for building the bridge at what is known as Eagle Creek Falls. This is on the German Burn road and will help this section of the country.

J. W. Jones, of Wisconsin, is visiting in Estacada and making arrangements to buy a farm near Garfield. William Belfield and wife, C. W. Shoemaker and wife were visitors at the Reed home Sunday.

Mrs. Al Kabat and the Misses Nita and Leona Kabat of Portland, were guests at Mr. Belfield's home on the Fourth.

Vincent Jones, of Portland, was an Estacada guest on the Fourth.

Mrs. A. D. Eckerman was the guest of Mrs. Posson on the Third.

Tom Jones has opened the restaurant on Broadway and will keep it going if he can make it pay. We wish him good luck. Estacada needs a good restaurant.

The Western Banking Co. has loaded three cars of telephone poles for Johnson Garver this week.

Rob. Duncan left the early part of the week for Boise, Idaho.

Cecil Shock, Carl Cary, Ray and Rus. Wilcox have gone to work on the forest reserve.

Mrs. Wilcox presented Ray with a fine 7½ pound baby girl on July 3. No wonder Ray celebrated the 4th with a vim.

Although Estacada is only a little over 4 years old it contains many pretty homes. Of these there is none more cozy nor with a more slightly situation than Orchard Home, owned by Mr. and Mrs. B. O. Boswell. Every breeze that blows across Estacada circles round this place.

Ed Bates and wife, from Sellwood, spent the Fourth in Estacada, and Sunday with his parents, Ed Bates and wife of Garfield.

### SPRINGWATER.

Temperature 90 degrees, good for making hay.

Independence day has come and passed. Quite a celebration at Estacada. Mr. Head of Portland, gave a good sensible patriotic talk. The Estacada band did well in the way of music. Quite a number of people from other cities were in attendance.

Portland, Astoria, Vancouver, Camas, Hood River, Joseph, Sandy, Gresham, Clackamas, Oregon City, Canby, Salem, Woodburn, Newport, and others. Quite a number of attractions to make it interesting, baseball, foot racing, horse racing, Indians riding wild bronchos, and the boy with the fire crackers, which was all right. As Estacada is a dry town, not a man was seen under the influence of that monster, Kink Alcohol.

Rev. Robertson and family have moved in the parsonage of the Presbyterian Church.

Mrs. Zell, of east of the mountains, who has been visiting relatives and friends, has returned home.

Albert Smith, of Astoria, is visiting relatives and friends.

Sidney Smith has lagrippe.

Willie Clossner is improving slowly from inflammatory rheumatism.

Miss Erma Shibley, after spending the Fourth, has returned to the normal school.

Miss Ova Marrs, has returned to Oregon City, after spending the Fourth with relatives and friends.

J. A. Shibley and Elmer Dibble are

loading their last old potatoes to take to Portland and have been getting \$1 per hundred.

### GEORGE.

Haying has commenced in this neighborhood. The hay is of a fine quality.

F. Lins and brothers finished planting corn last week.

Mrs. Robert Mills is on the sick list again.

Henry Rimes has sold his farm for \$4000 and will soon move away.

Will Held has his granary nearly completed.

Emma Mueller was out from Portland to spend the Fourth with home folks, but returned to the city the next day.

There was no preaching at the church last Sunday on account of the minister's wife being sick.

Adolph Miller is treating his horse to a new coat of paint.

Fred Lins has been hauling shingles for Henry Johnson.

Ed Harders is doing some carpenter work for Mr. Weldesholt. He is also going to build a new house for Frank Ochs this fall.

Hans Jepson has finished sawing logs for I. Sherwood. He sawed the wood 4 feet long on 3 acres for \$20. It took him nearly 4 weeks to do the work. This certainly looks like hard times.

T. Harders and wife are spending a few days with the latter's parents, Mr. and Mrs. Fanton.

Mr. Johnson, our road boss, is doing some fine work on our roads, and surely deserves credit.

Mr. and Mrs. Paulsen are camping on their farm in our country. They are enjoying the fresh mountain air, and while out here they are looking after their cherry crop and other necessary work.

Mrs. Lins and daughter Tilly spent a very pleasant afternoon with Mrs. Schmidt Sunday.

### DODGE.

The ball game July Fourth at Clarkes between the Maple Lane team and a picked team of Shubel, was an interesting one, Maple Lane being the winner. Score 4 to 9.

James Park, of Dodge and F. Gibbs, of Elwood, are going to attend Normal at Salem.

Miss Myrtle Park, has gone to Salem to attend the Normal, preparatory to teaching. We miss her in Sunday school work as well as the community miss her smiling face.

Hay making commenced in earnest July 6. The crop in general is short. All other crops look fine.

J. M. Park has been putting out a large patch of cabbage and kale for his milk cows.

Mr. Wilson, of Elwood, who had a small store, says he is going to run out F. M. Baker by underselling him. Go it, Mr. Wilson. F. M. has a fine trade. We wish him success.

Part of Springwater and Dodge attended the celebration at Estacada.

The Eagle Creek boys won the ball game.

### BARTON.

About a carload of people went to Eagle Creek last Sunday to see the best ball nine in Clackamas County get "beat" by the coon nine of Portland the "Golden West" team, they saw it, 7 to 0 "agin" the Crickets. 'Tis rumored that the Crickets will take revenge on the coons in the same place in two weeks.

The people of this vicinity seem to have spent a very enjoyable Fourth—no one killed and but few married.

A certain logging boss hasn't much to say of the man or woman who rolled away an 8 gallon keg of beer, but he sure will orate to that party if they don't return the keg to the brewery.

### KELSO.

The Glorious Fourth is over and most of us went to the celebrations at Estacada and Gresham. All report a good time.

David Jarl is still on the sick list.

B. and John Nelson were in Troutdale all of last week piling their ties.

### CASTORIA.

ESTACADA SALOON OPEN.

But Proprietor Sells Only Soft Drinks and Cigars.

Sheriff Beattie was called to Estacada Friday by reports that stated a saloon keeper named Close had his place open and was selling liquor in violation of the law, as Estacada went dry at the last election. The sheriff took a car out to the Eastern Clackamas town and found the place open, but Close was offering for sale nothing but cigars and soft drinks, and had all of his stock of intoxicants packed and ready for shipment. This is the same line of conduct that is being pursued by Roy Stewart, whose place on Fourth and Main streets was closed by the city council, because Stewart sold liquor to intoxicated persons.

Lindsey Gets Bridge Contract. The county court Monday let the contract for a span of bridge at Eagle Creek Falls to A. L. Lindsey, whose bid was \$340. The bid of Olds and Reed was \$345 and that of C. R. Crawford \$354. Construction will be commenced at once.
