IT'S YOUR KIDNEYS.

Don't Mistake the Cause of Your Troubles—An Oregon City Citizen Shows How to Cure Them.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they may lead to diabetes.

John Vigellus, barber, of 413 Main St., and living at the corner of Fourth and Washington Sts., Oregon City, Or., says: "Standing in a stooped position for hours at a time, as is necessary in my business, began to affect my kidneys, and often my back would almost give out on account of the weakness and persistent dull aching. A friend recommended Doan's Kidney Pills, so I went to Huntley Bros' drug store and procured a supply. I found in a short time that they were doing me good. They relieved the aching pains and strengthened my kidneys and back wonderfully. That was some time ago and the continued relief has been lasting. A little over a month ago we began giving Doan's Kidney Pills to our child, who has a tendency to weak kidneys, and the results have been gratifying in every way. Doan's Kidney Pills are a remedy deserving of the highest praise."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

President Sinnott, of the State League, stated from the platform that while he was in the saddle no factional differences would be tolerated in the affairs of the League. Delegates to the national convention of Taft Leagues were chosen. Walter A. Dimick was elected executive committeeman, and John R. Latourette was chosen vice-president for Clackamas County.
