

Canby and Southern Clackamas

CANBY.

Canby is quiet this week after the fair. Last week the streets were filled with people who were getting ready for the event, and during the fair the many people who had never been at Canby took advantage of the rates offered by the Southern Pacific.

C. W. Damm has opened his photograph studio in the Henry Knight Building, formerly occupied by Mr. Henton. Mr. Damm is kept busy filling the orders he has, and is meeting with success.

O. R. Mack and son, Earl, went to Portland Wednesday on a business trip.

Mrs. S. Rosenstein, who is conducting a store at Canby, returned Tuesday morning after a few days' visit with her family in Oregon City.

Mrs. J. F. Mills and Miss Mary Mills left Tuesday morning for Seaside, where they will visit relatives for a few weeks.

Mrs. James Evans visited with relatives at Aurora Tuesday.

Mr. and Mrs. Thomas Turner, old time residents of Stafford, have returned home, after visiting with Mr. and Mrs. James Evans during the County Fair. Mr. Turner is one of Clackamas County's prominent farmers, and has one of the best farms in his section of the county.

Miss Letha Jackson and Miss Edith Jackson, of Oregon City, were among the out-of-town people who attended the dance given by the band boys on Saturday night, returning to their home Sunday morning.

William Cantwell, the real estate man, is confined to his home with a severe attack of stomach trouble.

Mr. and Mrs. Herman Burgoyne, of Portland, returned home Sunday morning, after a brief visit with the latter's parents, Mr. and Mrs. James Evans.

Mr. and Mrs. Thomas Turner were among the visitors to the County Fair.

Millard Lee, formerly of this place, but now of Portland, was a Canby visitor Tuesday.

Mr. and Mrs. C. W. LeNoir, of Portland, who have been in Canby the past week, left for Oregon City Wednesday afternoon, when they will remain for a few days. Mr. LeNoir is connected with the Sherman Clay Music House of Portland, and was in charge of the display of pianos and organs at the county fair, where he succeeded in disposing of several musical instruments.

Mr. and Mrs. Clyde Evans, of Portland, visited with Mrs. George Knight during the county fair.

Mrs. W. J. Weber, Mrs. Harvey Douglass and Mrs. W. R. Porter, went to Portland on the Tuesday morning train, where they attend delegates to the W. C. T. U. State Convention. They will return Saturday.

Mr. and Mrs. Sias went to Portland Tuesday to spend the day.

The city school was closed during the county fair, so as to give the pupils and teachers the opportunity of attending. Among the merchants who closed part of the time so as to allow the clerks to attend were O. R. Mack, C. T. Bates, Mrs. Batten and C. Koehler, the latter having charge of the exhibit of A. Koehler at the fair grounds. The clerks of Carlton & Rosenkrans' and the clerks of the store who wished to attend were also given the privilege of doing so.

W. H. Lucke, one of the commission merchants of Canby, shipped two carloads of Burbank potatoes Wednesday to California, one carload being for Wolf & Son of San Francisco, and the other for Wolf & Son of Oakland, Cal. Mr. Lucke left Thursday for Gresham, where he is to purchase potatoes for shipment and will also travel through Eagle Creek, Troutdale, Barton, Clackamas and other sections of Clackamas County. He has one contract for this trade. During his absence his business will be in charge of W. W. Knight.

A. R. Knight, of Canby, feels very proud of his race horse, Jim Jones, which won two of the races at the county fair. The horse is only three years old, and is a very valuable animal. Much betting was done on the horse at the race track by many of the visitors on Friday, Oregon City day, and upon its entry on the track was admired by hundreds of people.

Mr. Knight purchased the horse on Portland about a year ago. Walter, of Portland, came up to Canby on Friday and returned to their home on the Saturday afternoon train, being accompanied by Mr. Goldberg, who is staying at Canby for a few weeks.

Carl Davenport spent Sunday and Monday in Oregon City, and at Park-place, returning to Canby Monday evening.

The Tribune office is being repainted, and in a few weeks will undergo other extensive repairs. The partitions in the business office, will be removed, and the mechanical department will be enlarged to some extent. The rooms will be repainted and when completed will be quite an improvement on the present office.

Born to Mr. and Mrs. William Rider, a son, on Saturday night, October 2. Mrs. Rider is at the home of her mother, Mrs. H. A. Lee.

Benjamin Bernoser of this city, is very ill at his home in the north part of the city.

Miss Hazel Howard, who has been attending college at Mount Angel, has returned to Canby, and will accompany her parents, Mr. and Mrs. J. H. Howard, to Newport, where they will make their future home. Mr. Howard will go into business at that place.

Mrs. L. D. Shank, of Willhoit, returned to her home Tuesday, after a brief visit with Mrs. C. O. Hutchinson.

Mr. and Mrs. William Robinson, of Portland, returned to their home Saturday, after a few days' visit with Mr. and Mrs. J. F. Deyoe. Mr. Robinson had one of his horses at the county fair, and was awarded a premium.

The horse is very valuable, and Mr. Robinson received a premium last year at the county fair on the same animal.

Mrs. R. Andrus and daughter, Miss Flora, of Dayton, Oregon, returned to their home on Tuesday, after a few days' visit with Mrs. J. A. Lee.

The residence of J. H. Suteland, has been undergoing extensive improvements, and an addition of three

rooms is among the improvements made. The carpenter work, which was done by Mr. Hein, was completed on Wednesday, and the house will be painted at once, making it a very attractive residence.

W. W. Jesse, one of the most prominent farmers of the county, was in Canby on Wednesday with a load of his famous tomatoes, which found a ready market. Mr. Jesse's tomatoes, of which he had three varieties at the county fair, attracted no little attention by the many visitors.

The exhibit of painting of Mrs. H. A. Dedman at the county fair were one of the most attractive features there, and were awarded first premium. The pipe, and tobacco, of which she received first premium on at the state fair, was admired by all, as was the Poinsettia, a California flower, of which they are of a rich color and with the handsomest dark frames, and to a good advantage. Mrs. Dedman has shown excellent taste in the framing of her beautiful pieces of art, making them very attractive to the eye. She received the second prize in the Poinsettias at the state fair. Another picture in the collection was a pleasing study of the study of the books and the candle. The booth was artistically finished with the tapestry work of this artist, and with the dark green background made it harmonious. There were 24 paintings and three pieces of tapestry in this collection.

The dancing party given on Saturday night at the city hall by the Canby band boys was a decided success, both socially and financially. There were over 200 people present, who enjoyed the excellent music furnished by the Garrett orchestra, of Aurora, composed of five pieces. All of the latest waltzes and two-steps were played. The only regret was that the hall was not larger to accommodate the large crowd. Dancing was indulged in until an early hour in the morning. An old-fashioned quadrille was one of the features of the evening, and caused much amusement. One of the pianos belonging to the Sherman Clay Company that had been on exhibition at the fair grounds was used for the occasion and the band boys are contemplating to install one of these pianos in the hall. This is the first dancing party that has been given in this city for about two years, and it is probable that one will be given every two weeks hereafter. J. B. Howard and R. E. Cox acted as floor managers. Supper was served at the store of Ralph Knight. Many of the Oregon City people who had attended the fair that day, and who were in the city, arrived at the depot in the 10:30 train, and the train did not arrive in this city from the south until after 3 o'clock.

The people of Oregon City and other points north who attended the fair on Saturday, and who intended taking the south bound train for home, were greatly disappointed when upon arriving at the depot to find the station locked and to their sorrow found that the train was late, so they built large bon-fires to keep warm, and were huddled around these until 3 o'clock Sunday morning, when the train came rumbling into Canby. Most of the seats were occupied when the Oregon City people boarded the train, and many were compelled to stand all the way home. Many others intended coming to Oregon City, but upon finding that the train was late, they returned to their homes at the hotels and rooming houses. There weren't enough rooms in the city to accommodate all, and many were turned away.

The Canby baseball team played the Spantons on Sunday on the Canby diamond, making the third game won by the home team from the Portland boys. Before the close of the game a great deal of excitement was caused by a row on the field, the first one this season at Canby. The Portland papers in recent issues spoke of the Canby boys mobbing the visiting team, but this was an error. It is reported that upon the arrival of the Spantons in this city that they had boasted that they were going to whip the Canby boys before they left. On Sunday afternoon while engaged in playing, Ralph Baty, one of the Canby team slid in on third base, and the umpire called for the Spantons to bat. Baty to prevent him making a home run. This, the umpire, Adam Knight, objected to, and then there was "something doing." as the umpire allowed Baty to make a home run, making another inning for the home team. By this time the Spantons were up in arms, and warm words followed. During the game the Canby team landed on Coterngan, the famous pitcher, for 15 safe hits, and a number of two and three base hits. The score at the close of the game stood 6 to 1 in favor of the home team. This was the third game won from the Spantons within three successive days, and it is probable that the Spantons will not be anxious to play the Canby team again very soon. The line-up follows:

Spantons
R. Baty Zenk
Wang Elckenb
Bobby Saver
Saver Mackie
Storey French
R. Knight Cotterman
Sater Smart
A. Knight Anderson
L. Dimick Meyers

Mrs. W. R. Porter of this city, was awarded the first premium at the county fair for bread made of the White River flour, which is made at The Dalles. The flour is made by C. T. Bates, who has been appointed agent for same, at this place.

The residence of George Fletcher that is under construction in this city, will be ready for occupancy in a few weeks. The house is very attractive in appearance, and is one of the most up-to-date residences that have been erected in this city, with all of the modern conveniences. There are six rooms with the reception hall. The winding stairway leading to the second floor enters the hall way. The large living room faces the north side of the house, and adjoining this is the dining room. At the rear is the kitchen and pantry. On the second floor are the three bedrooms, clothes closets and bath. The building was constructed by Frank Dodge at a cost of about \$1500, and is situated in a lovely location. There are 2.45 acres surrounding the home, making it a most desirable place to live. This, with the handsome bungalow of L. D. Walker of the Canby Bank, and the neat cottage of Howard Eccles, which are under construction, attracted the attention of the visitors of the county fair.

A. A. Elliott, who has been a resident of Portland for the past 20 years, was in Canby on Wednesday looking for a suitable location. Mr. Elliott has been at Goble for the past two months, and this was his first visit to this place. He was very much impressed with Canby.

Dr. A. T. Stevenson, of Bay, Mich., has arrived in Canby and will have charge of Dr. Dedman's practice while the later is in the East, where he is to take up a special medical course in Chicago. Dr. Stevenson comes to Canby highly recommended, and the people of this city are confident that Dr. Dedman's successor will sustain the reputation that the former physician has established.

Mrs. Stier, who lives at Macksburg while in this city Friday was thrown from a buggy and seriously injured about the head. The woman's horse was standing in front of the Cantwell real estate office, and Mrs. Stier was ready to start for her home, when a passing automobile frightened the animal, and turning suddenly turned heavily to the ground, sustaining a laceration of the face. Mrs. Stier was rendered unconscious, and was carried to the Evans home nearby, where her injuries were given the proper attention. After a few hours the injured woman was taken to her home, where she is getting along nicely.

Dr. H. A. Dedman and wife left this week for Chicago, where the doctor will take up a special course of medicine for three months. Mrs. Dedman, who is an artist of much promise, while in Chicago, will take up a course of art with some of the best artists of that city. Her work will be in portrait and study from life.

Herbert Johnson, who lives about seven miles from Canby, while working near a pile of lumber on his place last week, met with a narrow escape from death. The pile of lumber suddenly fell burying him beneath, and the man, who was working with him at the time hurried to his assistance and found that his leg was broken in two places, as well as the jaw bone. Dr. Dedman of this city was summoned, and the patient is reported as improving.

The hotels and boarding houses of this city were taxed to their utmost capacity during the three days of the fair, and many residents of this city, to accommodate the people, opened their homes.

Two valuable cows belonging to H. A. Lee and Warrane were poached the latter part of the week by cutting paint. Men engaged in painting a sign board for the Ben Selling Clothing store of Portland, negligently left paint standing in the cans, where the cows ate, and during their absence the cows ate a large portion of it. The cows, working to Mr. Lee died, and a veterinary surgeon of Needy was summoned and the stomach of the cow analyzed and found to contain large quantities of the paint, death having been caused by lead poisoning. The other cow was saved. The man who painted the sign board pay for the damages, which will probably teach the painter hereafter engaged in sign painting to be more careful.

Editor Dixon was among the Oregon City visitors on Thursday.
