STONE.

This is the 21st of October, 1908, and a Jack Frost on hand, and been raining for two weeks, often both day and night. Most of our people have been as busy as a bee in a tar bucket with six legs fast, trying to get out of the tar. Yes, one of the outfit thereabouts has gone up to the mountains for a week to hustle in the snow after game such as what we call venison. William Mumpower and sons have been cutting brush and burning logs and brush this week on the Hayes land near the Clear Creek bridge. It looks like there was going to be something doing with improving this patch of land and there has been more and more people staying in this patch of Hayes land to rest this season than ever rested in one summer since we lived here. When the ex-judge gets up a fine mansion and a horsemobile there may be more surprising events to pen by the scribe. The Oregon Indians went a fishing last week below the Clackamas hatchery. They claimed they caught a heap of fish. Frank Hatton was plowing in the dust before the rains with a disk and four big horses on the disk. Frank rode to weigh the disk down. If every farmer would disk his land when it was dry and hard and plant his crops in the dry land they might get more bushels of grain to the acre. Stone school has two teachers this year and part of a new school house, and there has been a new residence house and that makes one and one half of a new house and one half of one. Oh my! how we do increase! Evangelist Sewall will preach here at Stone at eleven o'clock on the 25th of October, being the first day of the week. The Damasacus people will be over and the Bible reading will commence promptly at ten o'clock. All people are invited to attend.

Every one seemed to have a pleasant time at the young people's sock social.

MARQUAM.

The basket social given at the pavilion last Saturday night was a great success, the proceeds being \$55. Credit is largely due to the excellent work of the auctioneer, Mr. Charles Birtch. The Marquam school, both teachers and scholars, extend their thanks to all who assisted in any way toward the success of the social. A party of 30 Estacadans chartered a special car to attend "The Girl of the Golden West" at a Portland theater, leaving Estacada and arriving in Portland in time for dinner at the Astoria, and leaving for Estacada following the after-theatre luncheon. It is hoped to make the affair a monthly feature in Estacada social life.

The Methodist congregation have decided to finish their parsonage. The foundation was built when the church was constructed, but nothing more has been done with it. When it is completed, it is estimated it will cost between \$1200 and \$1500. This will add another fine building to the town.

It is reported that the young ladies of the surrounding country have organized a matrimonial club and are sending out circulars and price lists. The prices range from \$150 to \$2700. We wish the ladies much success in their new undertaking.

A meeting was held at the home of Rev. H. W. Kuhlman Saturday evening in the interest of the Epworth League. Owing to other attractions in the town few attended the meeting. A social meeting is being planned for two weeks hence.

The trial of the case of the Mount Hood Brewing Co. vs. Jost & Wilson was held in the Estacada Bank building, F. M. Gill, Justice of the Peace, presiding. The brewing company was represented by George J. Perkins, of the firm of Platt & Platt, and P. R. Wilson, defendant, was represented by George C. Brownell, who was ill. Arthur Leihmer, cashier of the brewing company, testified in behalf of his company, that he was instructed by Mr. Plass to charge the rent of the building to Mr. Wilson. Three months' rent at \$42.50 per month was claimed by the company. J. R. Wilson was called by the defense. He testified that G. J. Plass, vice president of the company told him that he might store his goods and saloon fixtures in the building without charge. He had boxed up his goods on June 2. He testified further that the brewing company had never asked him to pay any rent and that the first intimation he had of its intention to charge was the attachment of his goods. He presented a statement in writing signed by Plass in which Plass stated that he had granted permission to him to store his goods without charge. Judge Gill found in favor of the defendant, J. R. Wilson, and adjudged to him recovery of the costs and disbursements of the case.

STAFFORD.

Since last week when the Fall rains began, and we got four inches of water, we have had sunshine and April showers.

A few potatoes have been dug, and some land is being plowed. A fellow going west stopped at Mrs. Nussbaum's last week and asked for a hand-out. She gave him something in a paper sack and he trudged on happy, apparently, eating his sack of good things he had not helped to earn.

He is beginning to feel happy again in their new dress denoted for the winter and talk and sing all day, and as human bipeds are now looking for an increase of eggs and corresponding lowering of prices.

Mrs. Powell has been boarding the teachers for the past week. Grace and Lyle Toedemeyer do the janitor work for the school.

SIMPLE MIXTURE SAID TO RELIEVE VICTIMS

MIX THIS SIMPLE, HELPFUL RECIPE AT HOME AND TRY IT, ANYWAY.

Get from any prescription pharmacist the following: Fluid Extract Dandelion, one-half ounce; Compound Gargon, one ounce; Compound Syrup of Sarsaparilla, three ounces.

Shake well in a bottle and take a teaspoonful dose after each meal and at bed time.

The above is considered as the most certain prescription ever written to relieve Backache, Kidney Trouble, Weak Bladder and all forms of Urinary difficulties. This mixture acts promptly on the eliminative tissues of the Kidneys, enabling them to filter and strain the uric acid and other waste matter from the blood which causes Rheumatism.

Some persons who suffer with the affections may not feel inclined to place much confidence in this simple mixture, yet those who have tried it say the results are simply surprising, the relief being effected without the slightest injury to the stomach or other organs.

Mix some and give it a trial. It is the prescription of an eminent authority, whose entire reputation, it is said, was established by it. A druggist here at home, when asked, stated that he could either supply the ingredients or mix the prescription for our readers, also recommends it as harmless.

A BUSINESS PROPOSITION

By W. A. HOLMES, Prop. Parkplace Cash Store

YOU EXCHANGE YOUR LABOR FOR THE LARGEST AMOUNT OF MONEY YOU CAN GET. NOW THE ESSENCE IS TO GET ALL THE MONEY YOU CAN. THEN YOU EXCHANGE AS LITTLE MONEY AS YOU CAN. FOR AS MUCH AS POSSIBLE OF THE NECESSITIES OF LIFE (AND SOME LUXURIES OF COURSE). NOW THE ESSENCE OF THIS IS TO KEEP ALL THE MONEY YOU CAN.

NOW, IF YOU ARE IN DEBT HOW MUCH CAN YOU KEEP? DEBT HAS DRIVEN MANY A GOOD MAN TO DRINK, TO SUICIDE, TO CRIME, AND ALL THAT IS BAD. ALSO IT KEEPS THE YOUNG MAN FROM MAKING A HOME FOR HIMSELF, THEREFORE HE DOES NOT MARRY, AND HUNDREDS OF GIRLS MUST SEEK EMPLOYMENT TO SUPPORT THEMSELVES ALL BECAUSE OF DEBT. DON'T THINK IT IS ALL RIGHT TO GO INTO DEBT, FOR IT IS ALL WRONG. ASK YOURSELF THIS QUESTION: HOW MUCH ARE WE (THIS GENERATION) PAYING FOR INTEREST ON DEBTS AND DEBTS THEMSELVES THAT WAS MADE BY THE GENERATION BEFORE US, IS THAT RIGHT? MUST WE SPEND OUR LIVES PAYING R. R. BONDS, SCHOOL BONDS, COUNTY BONDS AND INTEREST ON ALL SORTS OF DEBTS, AND IF WE GO INTO DEBT THE NEXT GENERATION WILL HAVE TO EARN MONEY TO PAY THEM. WHEN AND WHERE WILL IT STOP? YOU CAN GET MORE FOR YOUR MONEY AT THE CASH STORE THAN IS POSSIBLE AT A CREDIT STORE. BY BUYING FOR CASH DOWN I CAN TAKE DISCOUNTS AND CATCH SPECIALS AND BARGAINS, THEREBY GIVING SPECIALS AND BARGAINS. I TRIED FOR NEARLY EIGHT YEARS THE CREDIT SYSTEM AND WAS SUCCESSFUL ENOUGH THAT MY CREDITORS DID NOT SEND THE SHERIFF TO CLOSE ME OUT. I FIGURED THAT LIFE WAS WORTH TOO MUCH TO ME, TO SPEND IT PAYING DEBTS AND IF I COULD NOT RUN A STORE WITHOUT PUTTING IN ALL MY TIME EITHER KEEPING BOOKS OR SEEING WHO I COULD GET TO WAIT A LITTLE LONGER ON SOME DEBT, OR MAKING THE EXCUSE THAT "COLLECTIONS WERE SLOW," THAT I WOULD SELL OUT AND QUIT. BUT I FOUND THE CASH PLAN A SUCCESS. TRY THE CASH PLAN AND YOU WILL NEVER BE SORRY.

TEACH THE CASH PLAN TO THE CHILDREN. TEACH THEM TO EARN THEIR MONEY BEFORE THEY SPEND IT. IT IS SAID THAT "MARSHALL FIELD ALWAYS PAID CASH FOR EVERYTHING HE EVER BOUGHT," AND HE MADE MILLIONS BY IT, AND HIS HEIRS HAD NO DEBTS TO PAY. TRY IT AND YOU WILL SOON BE A FREE MAN, IF YOU WERE NOT IN DEBT NOW YOU COULD SOON HAVE A BANK ACCOUNT.
