USEFUL MAN GONE IN RICHARD SCOTT

WELL KNOWN MILWAUKEE CITIZEN IS STRICKEN BY HEART FAILURE.

Richard Scott, of Milwaukee, died suddenly at 12:45 Monday morning, at his home. His death was most unexpected, heart failure being the cause.

Mr. Scott was apparently in his usual health Sunday. He attended church at Sellwood, in the morning, and ate his usual meals and did not complain of illness. His death occurred after he had retired for the night, having gone away without the least warning. The end came pathetically and after being stricken he died at once. A physician was immediately summoned, but could do nothing.

Few men are better known throughout the state than Mr. Scott. He was prominent in the Oddfellows, which was the only lodge he ever joined. He was past grand master, as well as being trustee of the Oddfellows' Home, a position he held at the time of his death. He had been County Commissioner of Clackamas County where he was held in very high esteem. During the Lewis and Clark fair, Mr. Scott was a member of the State Commission.

Mr. Scott was 62 years old. He was born in Devonshire, England, and came to Oregon in 1870. After living in Portland for a number of years, he moved to Milwaukee, where he engaged in dairying. He owned some of the best dairy stock in the state. He has lived at Milwaukee for the past 25 years.

Mr. Scott is survived by a widow and the following children: Richard Winfield, Scott, of Corvallis; Mrs. John H. Willman, of Portland; Mrs. H. A. Adams, of Pomeroy, Wash.; Henry Scott, of Portland; Eva Jane Scott, of Milwaukee; and Gilbert Scott of Kalama, Wash.

Mr. Scott was untiring in working for enterprises for the common good and his great native shrewdness and intelligence made him a valued booster of any public movement. In the State Dairy Association he was a prominent figure and has accomplished a great deal in raising the standard of dairy cattle in the state. He worked during the Lewis and Clark fair to remember. Milwaukee has lost a strong friend for his efforts were always directed in behalf of the public welfare.

The funeral was held Wednesday afternoon, from the school house at Milwaukee. The interment was in Riverview cemetery. Rev. William Powell, of the Episcopal church, officiated at Milwaukee, and the Grand Lodge of Oddfellows had charge of the services at the grave.

Some of the residents of Milwaukee are complaining of the way rattle and horses are allowed to run loose about the streets. Something should be done to keep them from running the laws and keeping people awake nights.

There is a law provided by the city which gives the poundmaster the right to lock up such animals as are found at large and holding them until the owner calls and pays charges. Now, if this was done a couple of times, there would be very few cattle about the streets, and consequently no complaining.

F. A. Miles, of Oregon City, was arrested after business Wednesday. The masquerade ball given by Hoosier's Orchestra in the pavilion at Crystal Lake Park was a great success. The music was fine and every one reports having a very nice time. Bud Warren, of Oak Grove won the gentleman's prize and Miss Nellie Roberts, of this place, won the lady's prize.

W. E. Bonney Finds Norwegian in a Pitiable Condition.

Died—At the residence of W. E. Bonney, near Colton, October 18, E. A. Ness, a Norwegian by birth.

Mr. Bonney happened to go to the cabin where Ness was living and found the door bolted from the inside. He knocked on the door and heard a groan. He broke the door in and found the man in a dying condition, past speaking, lying on a slat bed with no blankets over him and nothing under him but the bed slats. As near as Mr. Bonney can find out, Ness had been lying there helpless for two days and two nights. Bonney summoned his neighbors and took Ness home and did all he could for him, but he died next morning. He was too near gone to give any information about his relatives. He has a farm and relatives in the East, so he told the neighbors.

If any one knows this man will please notify Mr. Bonney, who is trying to find out where his relatives are, to notify them of Ness' death.

Ness was given a Christian burial at the Colton cemetery. His age was about 58 years.

"For many years I have been a sufferer from bronchial catarrh, and had despaired of anything like a cure. Judge of my pleasant surprise when I first used Hyomel, which brought complete relief. Hyomel has been a veritable godsend."—Rev. Charles Hartley, Sardinia, Ohio.

Thousands of catarrh sufferers have given up in despair. They have tried stomach dosing, snuff, sprays and douches without success, and now believe catarrh to be incurable.

But Huntley Bros. Co. the druggists, hold out hope to all distressed. They sell a remedy called Hyomel which is guaranteed for catarrh, colds, coughs, bronchitis, asthma and croup.

Hyomel (pronounced High-o-mee) is medicated air, full of the healthy virtues of the mountain pines. You breathe in the delightful antiseptic air, and as it passes over the inflamed and germ ridden membrane, it allays the inflammation, kills the germs, and drives out the disease.

A complete Hyomel outfit, including a hard rubber inhaler, costs but \$1.00, and an extra bottle of Hyomel, costs but 50 cents. See Huntley Bros. Co. about it today.

"For many years I have been a sufferer from bronchial catarrh, and had despaired of anything like a cure. Judge of my pleasant surprise when I first used Hyomel, which brought complete relief. Hyomel has been a veritable godsend."—Rev. Charles Hartley, Sardinia, Ohio.

Thousands of catarrh sufferers have given up in despair. They have tried stomach dosing, snuff, sprays and douches without success, and now believe catarrh to be incurable.

But Huntley Bros. Co. the druggists, hold out hope to all distressed. They sell a remedy called Hyomel which is guaranteed for catarrh, colds, coughs, bronchitis, asthma and croup.

Hyomel (pronounced High-o-mee) is medicated air, full of the healthy virtues of the mountain pines. You breathe in the delightful antiseptic air, and as it passes over the inflamed and germ ridden membrane, it allays the inflammation, kills the germs, and drives out the disease.

A complete Hyomel outfit, including a hard rubber inhaler, costs but \$1.00, and an extra bottle of Hyomel, costs but 50 cents. See Huntley Bros. Co. about it today.

W. E. Bonney Finds Norwegian in a Pitiable Condition.

Died—At the residence of W. E. Bonney, near Colton, October 18, E. A. Ness, a Norwegian by birth.

Mr. Bonney happened to go to the cabin where Ness was living and found the door bolted from the inside. He knocked on the door and heard a groan. He broke the door in and found the man in a dying condition, past speaking, lying on a slat bed with no blankets over him and nothing under him but the bed slats. As near as Mr. Bonney can find out, Ness had been lying there helpless for two days and two nights. Bonney summoned his neighbors and took Ness home and did all he could for him, but he died next morning. He was too near gone to give any information about his relatives. He has a farm and relatives in the East, so he told the neighbors.
