

**WARNER GRANGE MEETS.**

Interesting Lecture Work Will be Given at November Meeting.

The regular monthly meeting of Warner Grange, Patrons of Husbandry, was held last Saturday at New Era. Two candidates were initiated at the morning session and the usual business session was held. The ladies of the grange, Mrs. George Lazelle, the grange lecturer, had prepared an unusually attractive programme, including a reading by David McArthur, an instrumental solo by Miss Verne Robinson, a recitation by Mrs. Curtis Dodd, a reading by Mr. Dodd and an original poem by William Gardner, on the county fair. R. S. Oe, of Canby, and others, talked of their impression of the different county fairs they had visited.

**The County Fair—1908.**

It was October, 1908, I'm certain sure that was the date that I to Canby took my way. To see the fair the second day.

And when I got to Canby fair I saw things new and grand and rare. Of fruits and grain of every kind, And cows, and horse and goats and swine.

**But I think you all do know it.**

The fair has been a grand success—At least so thinks the poet.

When summer has passed in these northern states the sun is only mild under the bright blue skies of Southern California. This is one of nature's happy provisions—eternal summer for those who cannot endure a more severe climate. California has been called the "Mecca of the winter tourist." Its hotels and stopping places are as varied as those of all well regulated cities. Visitors can always find suitable accommodations, congenial companions, and varied pleasing recreations.

**NEW YORK NEWSPAPER PRINTS PRESCRIPTION**

DIRECTIONS TO PREPARE SIMPLE YET REMARKABLE HOME MIXTURE.

A well-known authority on Rheumatism gives the following valuable though simple and harmless, prescription, which any one can easily prepare at home:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce;

Compound Syrup Sarsaparilla, three ounces.

Mix by shaking well in a bottle, and take a teaspoonful after each meal and at bedtime.

He states that the ingredients can be obtained from any good prescription pharmacy at small cost, and, being of vegetable extraction, are harmless to take.

This pleasant mixture, if taken regularly for a few days, is said to overcome almost any case of rheumatism. The pain and swelling, if any, diminishes with each dose, until permanent results are obtained, and without injuring the stomach. While there are many so-called Rheumatism remedies, patent medicines, etc., some of which do give relief, few really give permanent results, and the above will, no doubt, be greatly appreciated by many sufferers here at this time.

Inquiry at the drug stores of this neighborhood elicits the information that these drugs are harmless and can be bought separately or the druggists here will mix the prescription for our readers if asked to.
