

# MOVE ON!—MOVE ON!!

We Have Been Doing Police Duty In Every Department. All Laggards And Loiterers Given The **MOVE ON! MOVE ON!** Sign. We must be custodians of our own stocks—we must compel tag-ends odds and ends to **MOVE ON!** in this store—stagnation is the death of trade.

**We go after them with the big stick and prices are radically and effectively lowered.**

What is the natural result? What happens to seasonable, desirable, fashionable goods when they are priced far below regular? They **MOVE ON** and they move at a pretty lively gait.

**These are the facts of the story we have to tell but the figures are the interesting part of it.**

This is a stock adjusting event—an elimination of surplus stocks, odds and ends, broken lines, etc. that have resulted from a busy early season's selling. They must **MOVE ON!**—Remember all sorts of staple lines have received **MOVE ON!** orders and will leave the store in triple quick time.
