Vanilla Crabapple Jelly.

When putting up crabapple jelly get 10 cents worth of vanilla beans from any drug store. When the juice is strained and measured throw in the piece of vanilla bean and let it boil until jelly is made. It gives apple jelly a fine and delicious flavor.

To weigh and consider the ads is a task that is not only easy and interesting to the person with business insight, knowledge of values, of the city, of people—but is a dollar-earning task.

Accidents will happen, even among the best of children. If you must borrow to get them.

The best neighbor is not always the one who thinks just as you do.

Don't wear yourself out seedling five minutes of anger will do more to shorten life than a week of the hardest kind of work.

The easiest and best way to cook a pumpkin. After washing the outside, set it in a pan in the oven and bake it for an hour or more, according to size. When done, cut a hole in the stem and remove the seeds. The pulp will peel off easily. It is richer and the flavor is better than that of stewed pumpkin.

This is Thanksgiving month, the month sacred to pumpkin pie and roast turkey with cranberry sauce. Have you not a something to give thanks for? On the whole, if we should not all be light in heart, if we have done some soul's kindness, and helped some stumbling burden bearer over a hard place, we are certain to have that singing in our hearts which makes us think of the angel chorus.

Further sum of Twenty (\$20.00) Dollars and disbursements herein.
