AT HUNTLEY'S THURSDAY, DEC. 3rd

Another year has rolled around and we again have the pleasure of announcing our annual Holiday opening. This is a custom we started in Oregon City several years ago and the habit has grown upon us until, like many of our customers, we look forward to this day with a great deal of pleasure. Each year we give some fitting souvenir of the occasion and this time we have secured 500 handsome decorated China Plates for this event. One only will be given to each customer making a purchase of 25 cents or over. Besides this beautiful plate, which of itself is worth more than 25 cents, we will give away five prizes as follows: To every lady visitor a numbered ticket will be given entitling the holder to a chance in the drawing, no purchase being necessary to get a ticket. The prizes will be:

- 1st Prize--A Fine Leather Bag, value \$5.00
2nd " A Silk Umbrella, " \$4.00
3rd " A Piece of Chinaware " \$3.00
4th " Hand Painted Jardiniere " \$2.00
5th " Box of Stationery " \$1.00

At this time we will have our Holiday stock marked and displayed on our counters where you can look things over at your leisure. You will not be asked to buy; indeed it is our intention to make this opening day one of pleasure for every person coming to our store, and no visitor will be asked or expected to buy unless they wish. We will have two musical programmes, one from 2 to 5 in the afternoon and from 7 to 9 in the evening. During the evening the drawing will take place and the prizes will be awarded.

The Thanksgiving prayer meeting will be held on Thursday morning at the M. E. church. The Thanksgiving sermon and appropriate music were given at the M. E. church on Sunday, and the services both morning and evening were well attended. It is probable that Rev. Phillips, of Portland, will be in attendance at the Sunday School convention this week. On Sunday evening, the pastor, Rev. W. J. Weber, will deliver a sermon on "Temperance" that will be of interest.

stables here. John Sawyer, one of the best known horsemen of Portland, was in Canby on Tuesday looking over the situation, but, like Mr. Lindley, refuses to keep his horses in the buildings on the fair grounds. It is an assured fact that some of the best race horses in the West would be brought here and trained for the next county fair, but as the buildings are at present, owners will not risk the lives of their valuable horses there. WHY SUFFER?
Breathes Hyemol and Kills the Loathsome Catarrh Germs.
Just as long as your nose will itch, your breath will be foul, you will hawk and spit, and you will do other disgusting things because you can't help yourself. The germs of catarrh have got you in their power; they are continually and persistently digging into and irritating the mucous membrane of your nose and throat. They are now making your life miserable; in time they will sap your entire system of its energy, its strength, its vigor and vitality.
