

70 YEARS

There are two kinds of whiskey. One is—the other isn't.

The kind that IS contains all the constituents that come from proper distillation and aging—That's what makes it REAL whiskey.

The kind that ISN'T is made of alcohol, prune juice and bead oil or is simply alcohol put in charred barrels, and branded whiskey.

The Pure Food Law aims at having the consumer get exactly what he calls for.

When you call for whiskey ask your dealer if it will respond to a government laboratory test.

Ask him if he guarantees it.

Then you will know what you are paying your money for. Buy the brand you know, the standard for 70 years.

Cyrus Noble—pure whiskey—all whiskey—old whiskey.

Marion Tong and Miss Ada Sumner Just Miss Hoodoo Book.

Marion Tong and Miss Ada Sumner are the real lucky ones, and if their married life is not a success it will not be because they have been the victims of an unfortunate superstition. Mr. Tong and Miss Sumner were given a license to marry last Saturday afternoon and their names are the last to be entered in Book 12 of the Records of Marriage Licenses. Their next pair to come along will be given a page in Book No. 13, and the will have to brave the hoodoo, or wait a year or more until No. 14 is placed on the counter of County Clerk Greenman's office.
