This includes his house and improvements and the property is very desirable. The bid of Olds and Reed for the construction of the Fifth street steps was rejected and the recorder was directed to re-advertise bids to be received December 22. The council considered the Olds and Reed bid too high. The matter of the city pound, which seems to have mysteriously disappeared, was referred to the committee on streets and public property. The lot was rented from Mrs. H. L. Clark for \$20 per year and the rent was paid by the city up to next March. The fences and buildings were destroyed by unknown persons several days ago and there are two claimants to the property.
