Letter from A Forty-Niner

Here is a simple, interesting and sincere letter from a rugged ploneer of '49, who braved the dangers and hardships of the overland trail to Cal-ifornia. It should appeal to all catarrh victims. Santa Rosa, Cal., May 5, 1908.

Booth's Hyomel Co., Buffalo, N. Y.
Dear Sira:—I was afflicted with catarrh, and tried a number of remedies, but received no relief. I purchased an outfit of Hyomel, and before I had used the bottle I noted a marked relief. I used it for a month or so, and thought I was cured, and stopped using it for a year or so. Thought I was getting catarrh again I use it every morning and keep my-self clear of catarrh. I consider it the best catarrh medicine that is I have often recommended to my friends. I am \$1 years old I came to California in 1849, and of course am not as vigorous as I was 58 years ago. My address is 841 4th
