

# Milwaukee-Northwestern Clackamas

Those who have news for the Milwaukee department of the Enterprise should either mail it to the Milwaukee Editor of the Enterprise at Oregon City or leave it at the real estate and insurance office of A. H. Dowling in Milwaukee, or with Justice of the Peace Kelso.

**MILWAUKEE.**  
J. Miller has purchased the Browning tract of 2.74 acres. The consideration being \$3000.  
The infant son of A. J. Weller died last Wednesday night. The funeral was held on Friday.

Born, on February 16, to Mr. and Mrs. Clement Wilson, a daughter, Mother and child being well.  
The officials of the Willoughby-Beaverton Railway met with the Council and Mayor on Tuesday and went over the right of way for the new road through the town. Elevations and grades were shown at the various street crossings.

Mrs. J. C. Atkins, who has been in Portland for the last two weeks undergoing treatment for her eyes, is reported much better.  
The dance, given by the Milwaukee Suburban Club, was a decided success socially. All present report that the dance was the best that has been given by the club so far.

Lot Dowling sell your property.  
**OAK GROVE.**  
Miss Deasle, daughter of Mr. Stevens, is convalescing slowly from a severe attack of pneumonia, which came from the escape of the measles. Otherwise the balance of the measles cases are getting along very nicely.  
Jerry Smith and family have left our community to take up their abode at their former home in Eastern Oregon.

Mrs. William Cederson, of Hood River has been spending the past two weeks at Mrs. O. N. Cederson of Oak Grove.  
Ed Bennett has accepted a position as saw filer at the Silverton Lumber Co. He leaves for Silverton Monday morning to take up his work.  
Our County Court must be a little more liberal with their donation of money this year to the Oak Grove district, owing to the travel of the lumber teams, which are daily delivering large loads of lumber, for the many buildings which are being erected in this vicinity. Some of the most beautiful buildings on the O. W. P. lines can be found in Oak Grove.

Real estate transfers are quite numerous in this vicinity, especially on the Risley tract. Two sales were made last week and the real estate agents of Oak Grove are busy showing the new corners around.  
Mr. LaDue, of Wetzel, reports that the O. W. P. Ry. Co. is anticipating the building of a waiting room at that station similar to others along its line.  
Fred Harris, who has received the agency for the Troy Laundry company, was more than pleased with his first week's trip on his line. We feel that our community grows and judging from the amount of work received that in the near future, we can readily support a laundry in our own town.

The Valentine dance given by the Oak Grove Social Club last Saturday evening was a decided success. The valentines given to the ladies were in the shape of a heart, which could be given away easily and without any heart-rending effects on their parents. The club thanks the young people of Oregon City for their patronage.  
The Fraternal Tribunes will give a social dance Saturday evening, February 20, in Green's hall. The proceeds will be used as a fund for the benefit of the local lodge.  
The Ladies' Aid Society will give a series of five entertainments. The first of these entertainments will be given Friday evening, March 26. The proceeds will be used towards the beautifying of the new church, which will be erected in the near future.

The plans and specifications of the new Methodist church, are in the hands of the contractors. The building will commence as soon as the weather permits.  
Don't overlook the fact that we are still in need of sidewalk. What we want is for some of our enterprising citizens to make the start and then others will follow.  
The Rod and Gun Club have already received their paraphernalia, and they will be placed on the grounds preparatory to the shoot, February 25.  
Mrs. G. G. Jones, wife of one of our local carpenters, was taken very ill Wednesday morning. Dr. Grim was summoned, but we hope there is nothing serious.

**JENNINGS LODGE.**  
The observance of the one hundredth birthday anniversary of Abraham Lincoln, and the semi-centennial of Oregon, which was held at the school house of this place by the Women's Industrial Club, on the evening of February 12th, was very largely attended and a very fine literary programme was carried out. A number from Portland, Milwaukie, Halsey and Gladstone were present and assisted in the entertainment. The programme opened by the singing of "America" by all present. A few words of welcome by the president, Mrs. Morse, and Mrs. Palinton stepped forward and in a few well chosen words, and in behalf of Mrs. H. H. Emmons, presented the Jennings Lodge school with a beautiful picture of Abraham Lincoln. Mrs. Palinton said in part, that the lesson which the pupils would carry with them from that picture, for the love Lincoln had for his mother; his faithfulness to his books and studies, the love of his country and his fellow-men, and his honesty can not but help to influence the lives of these children. While they cannot all become

Abraham Lincoln, they all have their places to fill and through the influence of his grand face, may they grow up to love their country, to be ever ready to defend their flag and become honest and honored citizens.  
Mr. L. Wilcox, president of the board, responded and thanked Mrs. Emmons for the gift, which could not have been given at a better time than at the one hundredth anniversary of Lincoln's birth. He also thanked the Women's Club for what they had done. And as Mr. Wilcox is an old soldier he paid a very fitting tribute to Abraham Lincoln.  
Miss Lettie Hampton accompanied by Mrs. Hampton, sang a solo and responded with an encore. An essay on the Life of Lincoln, by Mrs. J. B. Evans, was read by Miss Broote Jennings, which told of his humble birth and early childhood and up to his tragic death. A solo by Victor Gault, of Gladstone, accompanied by Mrs. Gault on the piano, pleased the audience very much and he reluctantly responded with an encore.  
Mrs. Beckner, our vice-president, gave an original poem on "Oregon." It was well received and appreciated very much, and ought to grace the pages of every magazine published in Oregon. A duet followed by Helen M. Palinton and Edna Ross on "My Oregon Home," they responded to a hearty applause with an encore. A paper on Oregon by Mrs. Clark, of Gladstone, was very interesting and instructive. Mrs. Clark, coming from an old pioneer family, the ladies were very fortunate in getting her for the evening. She vividly told of the early days of Oregon, and so many interesting things space will not permit a write-up of it in these columns that would do justice to Mrs. Clark's paper. It was so well delivered and so full of meaning we all felt like once more pledging allegiance to our flag, that unfurled its stripes and floated over this state just fifty years ago. A recitation was given by Miss Cavline, of Portland, part of which she sang with her sweet voice in a most charming manner, and responded with a comic selection. Miss Caffall, of Milwaukie delighted the audience with a recitation of a poem, and an artist of some note and it is needless to say she was most heartily applauded and responded to an encore. A solo by Mr. Hampton, of Portland, accompanied by Mrs. Hampton, also responded to an encore.

Miss Broote Jennings gave a temperance recitation in her own charming way and was so well pleased she responded to an encore. Mrs. Morse thanked the audience and those who took part in the programme and spoke a few words to the children and announced that refreshments would then be served. The programme was certainly a success from a literary standpoint and also netted a neat sum to the treasury.  
The agent of the Troy Laundry, of Portland, was calling on our people making arrangements to call on Monday and get the laundry and deliver on the following Saturday. They are making special rates on family washings and doing the same for 5c a pound. This will be greatly appreciated by the busy housewife as heretofore it had to be taken on the car to Oregon City.  
The camping association held a meeting in Portland on Friday and it was decided the tabernacle should be built near the center of the grounds at this place. The building committee was instructed to proceed at once to the erection of the building, and

have it in readiness for the annual gathering in July.  
Messadams Palinton and Emmons were business callers in Portland on Thursday.  
A number from here attended the meeting at the White Temple on Tuesday of last week to hear Billy Sunday.  
Mrs. Sara Scripture, of Oregon City was calling on relatives at this place on Thursday of last week.  
Mrs. Briggs, of Portland, and baby, were visitors at the McConnel home on Monday and also called on old friends. She has decided to name the baby Harold Hinman Briggs.  
Miss Arline Shaver had the misfortune to sprain her ankle on the way home from the school house on the evening of February 12th, and has been confined to her home since.  
Miss Sara Kaminsky, who has been in the office of Emmons & Emmons in Portland, for some time, will leave soon for Spokane, Wash., to make that her future home. Miss Kaminsky spends the summers at this place and will be greatly missed by her friends here.  
Rev. Shupp and wife, of Milwaukie, were calling on friends on Monday and getting better acquainted with the people of this place.  
Sunday School will be held at 2:30 P. M. on Sunday, February 21st, followed by preaching by Rev. Shupp. The old and handsome men who attend the Sunday school have promised to sing for us, and we hope this will induce a representative from every home of the woodsaw was heard on Monday and a number in this locality are having their wood sawed for the summer.  
Mrs. Spooner was called to Portland on February 7th to help care for Mrs. Olson and children. Mrs. Olson has been critically ill and the children have had an attack of the measles. Jack, the Peeper, has been making visits on some of our people of late, whose soul object seems to peek in the windows after night and frighten women and children. Surely this can not be the work of any sane person and it is hoped he will soon discontinue these visits.  
Hugh Roberts has returned to his work in the paper mills after an attack of the grip.

**Objects to Building Dam.**  
The Portland Water Power Electric Transmission Company is plaintiff in a suit filed at the court house, last week, the defendants in the case being Nancy Sutherland, et al.  
Plaintiff is a corporation, authorized by its articles of incorporation, by the laws of the State of Oregon, to appropriate and divert the waters of the lakes and running streams of the Clackamas river, and its tributaries, for generating and furnishing electrical power for all purposes and to operate mills of all kinds and to appropriate and convey lands for such purposes. Defendants are the owners of certain property along the Clackamas river upon which notices have been posted, stating that a dam would be constructed across the channel as a reservoir for storing water. The defendants object to the construction of such a dam or reservoir on their property, and that this suit is instituted to condemn the land for the use and purposes above mentioned.

Mr. Robbins father, Martin Robbins, and family are in McMinnville, but intend returning to Clackamas county, and will probably make their home in Canby where they will be near the race tracks of the fair grounds. It is probable that one will be held there by Mr. Gary within the next few months, and several of the instructors of the Oregon City schools have signified their intention of attending.

**A Common Cold.**  
We claim that if catching cold could be avoided some of the most dangerous and fatal diseases would never be heard of. A cold often forms a culture bed for germs of infectious diseases. Consumption, pneumonia, diphtheria, an scarlet fever, typhoid, the most dangerous and fatal diseases, are of this class. The culture bed formed by the cold favors the development of the germs of these diseases that would not otherwise find lodgment. There is little danger, however, of any of these diseases being contracted when a good expectorant Cough Remedy is used. It cleans out these culture beds that favor the development of the germs of these diseases. That is why this remedy has proved so universally successful in preventing pneumonia. It not only cures your cold quickly, but minimizes the risk of contracting these dangerous diseases. For sale by Huntley Bros. Co.

Defendant has treated his wife cruelly and has made life burdensome, and came home in an intoxicated condition and used abusive language.  
In the complaint Mrs. King says King is strong and healthy and able to work, but she spends a large portion of his time traveling from place to place without any apparent cause, and begs from strangers (telling tales of woe and misfortune which are untrue, and endeavoring thereby to procure money for his own use and benefit. **HANDICAPPED**  
This is the case with many Oregon City people.  
Too many Oregon City citizens are handicapped with bad backs. The unceasing pain causes constant misery making work a burden and stooping or lifting an impossibility. The back aches at night, preventing refreshing rest and in the morning is stiff and lame. Plasters and liniments may give relief but cannot reach the cause. To eliminate the pain you must cure the kidneys.  
Doan's kidney pills cure sick kidneys and cure them permanently. Can you doubt Oregon City evidence?  
W. M. Stone, a well-known resident of Oregon City, Oregon, says: I have been greatly benefited by the use of two boxes of Doan's Kidney Pills. My troubles were occasional dizzy spells and too frequent passages of the kidney secretion. I had to get up often at night on account of the latter annoyance, also suffered at times from attacks of back ache. Having found such great relief through the use of Doan's Kidney Pills I do not hesitate to recommend them.  
For sale by all dealers. Price 50 cents. Foster-McBreen Co., Buffalo, New York, sole agents for the United States.
