# TALKING MACHINES AND RECORDS

We want everyone who has not yet experienced the delight of owning and listening to an Edison or Victor Phonograph to come to our store and hear the latest songs and instrumental music by the world's greatest singers and musicians. There is only one way to know how grand they are, and that is to hear them.

## **Edison** Amberol Records

made to play on Edison Phonographs. They play twice as long as the old ones and play far better. We can equip your machine to play both the old and new records.

## Victor Double-Faced Records

are the new Records which have been A record with a good Song or Instrumental selection on each side for a very little more than the price you have been paying for a single selection.

> We carry a full selection of these records in both sizes 10 and 12 inch.

WE REPAIR ALL MAKES OF TALKING MACHINES.

We will duplicate any special offer made by any Victor or Edison dealer in United States.
