ALL DISTRESS FROM STOMACH VANISHES

INDIGESTION AND DYSPEPSIA MISERY ENDS FIVE MINUTES LATER.

Take your sour stomach—or maybe you call it Indigestion, Dypepsia, Gastritis or Catarrh of Stomach; it dosen't matter—take your stomach trouble right with you to your Pharmacist and ask him to open a 50-cent case of Pape's Diapepsin and let you eat one 22-grain Triangule and see if within five minutes there is left any trace of your stomach misery.

The correct name for your trouble is Food Fermentation—food souring; the Digestive organs become weak, there is lack of gastric juice; your food is only half digested, and you become affected with loss of appetite, pressure and fulness after eating, vomiting, nausea, heartburn, griping in bowels tenderness in the pit of the stomach bad taste in mouth, constipation pain in limbs, sleeplessness, belching gas, billiousness, sick headache, nervous, dizziness and many other similar symptoms.

If your appetite isficle, and nothing tempts you, or you belch gas or if you feel bloated after eating, or your food lies like a lump of lead on your stomach, you can make up your mind that at the bottom of all this there is but one cause—fermentation of undigested food.

Prove to yourself, after your next meal, that your stomach is as good as any; that there is nothing really wrong. Stop this fermentation and begin eating what you want without fear of discomfort or misery.

Almost instant relief is waiting for you. It is merely a matter of how soon you take a little Diapepsin.

A Common Cold.

We claim that if catching cold could be avoided some of the most dangerous and fatal diseases would never be heard of. A cold often forms a culture bed for germs of infectious diseases. Consumption, pneumonia, diphtheria anr scarlet fever, four of the most dangerous and fatal diseases, are of this class. The culture bed formed by the cold favors the development of the germs of these diseases that would not otherwise find lodgment. There is little danger, however, of any of these diseases being contracted when a good expectorant Cough Remedy is used. It cleans out these culture beds that favor the development of the germs of these diseases. That is why this remedy has proved so universally successful in preventing pneumonia. It not only cures your cold quickly, but minimizes the risk of contracting these dangerous diseases. For sale by Huntley Bros. Co.
