NEWS OF THE COUNTY

MULINO.

The Mulino school has been closed for a few days on account of the teacher being sick. Charlie Daniels has been grubbing out some of the trees in front of his house and making quite an improvement in the looks of his place. Mr. Lee bought a fine Jersey cow at Mr. Wright's sale, Tuesday. Arthur Mallatt has bought a new saddle horse from Bert Lamb. Mulino was visited with quite a snow storm Wednesday. March is giving us a variety in the weather line. We have been able to see the sun shine a couple of days this month. Mrs. Myers, who has been visiting her mother, near New Era, returned home a few days ago. Bert Wallace came home Saturday from Shaffer's mill where he has been working the past week. Mr. Snodgrass and a crew of men are bringing down a lot more shingle bolts and the mill is idle this week. Cascasweet is for babies and children, and is especially good for the ill so common in cold weather. Look for the ingredients on the bottle. Contains no harmful drugs. Sold by Jones Drug Co.

OSWEGO.

Ed. Pollard, of this town, is very ill with small pox. Cliff Johnson and Frank Anderson were initiated into the United Artists last Saturday. The Red Men lodge will give a dance here March 17. On account of a heavy rain Sunday, the people were obliged to content themselves indoors. Mr. Johnson and Mr. Monroe have been very ill for some time at their homes in Oswego. The Oswego baseball team has got new suits for the coming season, and they expect to have a very fast bunch. Will challenge anything that wears a uniform. Mrs. Heininger gave a tea party at her home March 2d. Those present were as follows: Mrs. M. Bell, of Portland; Mrs. S. E. Prosser, Mr. G. W. Prosser, Misses Prosser, Mr. E. P. Hawke, Jesse Coon and C. E. Austin. The evening was spent in playing games and singing songs, after which a delicious supper was served. Mr. Johnson's brother-in-law from the east, is visiting him for a time. The Oswego school boys are organizing a second team. Thomas Elston and Albert Rosenrater are soliciting money to buy new auto. The little lads expect to have a good time playing their games. The first game will be next Saturday against West Oregon City, on Oswego grounds. They will play five games here this season. Mr. Prosser has put a new lock on his front gate, and also a wire fence to keep the chickens out. The dam which was washed out during the high water, at Sucker lake is nearly completed. Frank Davidson, road supervisor, is

greatly improving the roads in the district. Mr. E. Messinger is visiting friends here.

FIRWOOD.

The debate of Saturday, March 6, was well attended and did credit to the county. The subject was, "Resolved: That Firwood has greater advantages as a Fruit County than has Hood River." The fourteen speakers did their best to uphold their respective sides, but the evidence was too strong, that though Hood River has the start of us a few years in reputation, present output, and railroad facilities, Firwood has better soil for trees and fruits, a natural supply of moisture, greater protection from all winds, ideal climate, and in all making the very best and ideal locality for nearly every fruit from strawberries, raspberries and cherries up to pears and apples. The judges were Mr. Walton, of Portland, whose son has a ranch in Hood River; B. F. Hart, of Montavilla, and Frederick Koennecker, of Firwood, who gave a unanimous decision in favor of the affirmative. The Progressive Association will hold a business meeting on Saturday, March 20. Everybody is requested to be present. It is surprising the amount of clearing going on lately. Everybody has a few trees going whenever the weather will permit. The Firwood school last Friday closed the most progressive year in its history, but it is hoped that hereafter it will be accounted only as a beginning of its improvement. The library seems to be in great demand lately, both for the books and agricultural pamphlets.

STIFF NECK.

Stiff neck is caused by rheumatism of the muscles of the neck. It is usually confined to one side, or the back of the neck and one side. While it is often quite painful, quick relief may be had by applying Chamberlain's Liniment. Not one case of rheumatism in ten requires internal treatment. When there is no fever and no swelling in muscular and chronic rheumatism, Chamberlain's Liniment will accomplish more than any internal treatment. For sale by Huntley Bros. Company.

EAGLE CREEK.

Rain is again the order of the day. Mrs. Cora Udell called on Mrs. Viola Douglass Saturday afternoon. Mr. and Mrs. James DeShazer and children spent Sunday with Mrs. DeShazer's parents, Mr. and Mrs. J. W. Douglass. H. S. Gibson, accompanied by his brother Dick, made a business trip to Barton, Monday. A pleasant surprise was tendered Mr. W. J. Howlett at his home Monday evening, when about twenty-seven of his relatives and friends stepped in to spend the evening, it being Mr.

Howlett's 78th birthday. All spent a pleasant evening together.

CLARKES.

Mr. G. Marquardt went to town on Monday. Mr. Swanson, from Colton, was in Clarkes last Saturday to get a load of oats. The Grangers had a meeting last Saturday. Mr. Stout and his family were intending to leave last week, intending to move to Ashland. Ed Horschub is sick in the hospital in Portland. She was operated on recently. The Clarkes school was started on Monday. Tom Grace sowed oats last Saturday. Miss Effie Grace had neuralgia in her teeth last week. Fred Schorrable, from Portland, was out last week to visit his parents, Mr. and Mrs. Schorrable. W. H. Wettlaufer is going to Beaver Creek on Monday on business regarding the telephone meeting. Division 14 had a telephone meeting last Friday night. R. Sullivan sold sheep to the butcher, and took them to Oregon City last week. Mrs. D. Haag is visiting Mrs. Pete Schowle at present. Mrs. C. Haag has been very sick and she is now but little better. Frank Mueller sowed oats last Saturday. Mr. Wettlaufer purchased a new 3-horse drill last week.

MEADOWBROOK.

George Williams, of East Meadowbrook, was driving logs on Milk Creek last week. Mr. Hazeltine, of California, was in town Friday. He will likely invest in real estate near town. Mr. McCord, head sawyer at the Schaffer saw mill, was called to Portland Saturday to attend the funeral of his father. Uncle Dave Robison, of East Meadowbrook, has returned from Southern Oregon, where he has been spending the winter with his daughter, Mrs. Garrett. We now expect to see him take off his coat, roll up his sleeves, and go to work in the interest of the Socialist party. The stork found its way to the Holman ranch Sunday morning at 8 o'clock and left a 10-pound boy with Mr. and Mrs. Holman. The mother and son are doing well, but Ralph is in a critical condition. Wonder how many revolvers a boy must carry before he can go to the reform school. Mr. Bonney, Edgar May and F. R. Cooper, were helping drive logs last week. R. H. Snodgrass, of the Mulino shingle mills, is driving bolts down the creek this week. The Misses Merrill Crayne and Mary Kay were visiting friends in town last Sunday afternoon. The farmers are all wanting to see more sunshine and less rain. J. W. Staudinger made a trip to Portland for repairs for his shearing machine which he expects to run with his gasoline engine. The single tax club will meet next Friday night with the Council.

GREENWOOD.

Walter Mead and wife have moved back to this vicinity from Shannon's mill where they have been living during the winter. Harry Eastman is laid up with a felon on his thumb. Mrs. G. F. Knowles is again on the sick list. There is considerable interest being manifested, in this vicinity, in the new and easy world language, "Esperanto," and there is talk of a second class being organized. Esperanto is the greatest invention of modern times and every one who wishes to be up to date must learn parol esperanto. Cu vi parolas esperanto? (Tre bona, sinjoro—veni re kelka fojo.—Printer.)

SMYRNA.

Mrs. J. F. McCormick, of Park-place, came up last week and visited relatives and friends for a few days, returning again on Tuesday. Miss Nellie Yoder and Miss Ella Elefson went to Oregon City and Portland on Tuesday last, the former expects to spend a few days with relatives at Logan before returning, while the latter had some dental work done in the city by the falls. Our latest real estate deals are: John Hinderlie, who sold 30 acres adjoining the Ben Rood D. L. C. for \$2600; David Heffner, who sold 100 acres of the Patterson D. L. C. for \$3000. We have failed to learn the name of either of the purchasers. John Fosmark is ahead of the fruit inspector with his old bug infested orchard. He dug it up by the roots and burned the branches. Our latest newly weds, Mr. and Mrs. Albert Yoder, have gone to housekeeping in the home prepared by the groom last autumn. Mr. G. H. Giger, who bought the Joe Schwartz farm sometime in January last, has been cleaning up the premises, with the intention of building a new house as soon as the weather will permit. The place had been vacant for several years, and had begun to look rather dilapidated. Last Friday a number of the patrons of No. 2 route from Hubbard met at cross roads and erected a commodious waiting shed, with a settee

along one side and a writing desk at one end, making it very convenient for those who are some distance from the route. There are twelve boxes at this point.

MISERY IN STOMACH IS ENDED FOREVER

TELL READERS HOW TO RELIEVE INDIGESTION IN FIVE MINUTES

Why not start now—today, and forever rid yourself of Stomach trouble and Indigestion? A dieted stomach gets the blues and grumbles. Give it a good eat, then take Pape's Diapiesin to start the digestive juices working. There will be no dyspepsia or belching of Gas or eructations of undigested food; no feeling like a lump of lead in the stomach or heartburn, sick headache and dizziness, and your food will not ferment and poison your breath with nauseous odors. Pape's Diapiesin costs only 50 cents for a large case at any drug store here, and will relieve the most obstinate case of indigestion and Upset Stomach in five minutes. There is no better thing to take Gas from Stomach and cleanse the stomach and intestines, and besides, one triangle will digest and prepare for assimilation into the blood all your food as same as a sound, healthy stomach would do. When Diapiesin works, your stomach rests—gets itself in order, cleans up—and then you feel like eating when you come to the table, and what you eat will do you good. Absolute relief from all Stomach Misery is waiting for you as soon as you decide to begin taking Diapiesin. Tell your druggist that you want Pape's Diapiesin, because you want to be thoroughly cured of indigestion.

MOLALLA.

Meetings at the Methodist Church will continue, through the week, over next Sunday. Mr. J. S. Hamilton, of Portland, a beautiful singer and a pleasing talker, is most efficiently assisting the pastor, Rev. J. W. Craig. He sings one or more solos every evening and leads the choir in special music and the congregation in singing the old songs. Rev. Hamlin, of Marquam, will preach tomorrow evening and remain for the week. All cordially invited.

CLACKAMAS.

There's something brewing, something doing, but whether car shops, soldiers' barracks, electric line or horseradish plant, "nase body koms." The entertainment given Saturday evening was quite successful. The programme held the attention of a large audience, and the varied numbers were well received. After the programme, the lunch was well patronized. Receipts of the evening were \$21.85, expenses \$6.25, leaving the Aid \$15.60 for the treasury. Mill Capps and family returned to Tillamook last week. Mr. Harris, who has occupied the Breeze place for a year or two, is moving to Portland this week.

Good Cough Medicine for Children.

The season for coughs and colds is now at hand and too much care cannot be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of those who have tried it are willing to use any other. Mrs. F. F. Starcher, of Ripley, West Virginia, says: "I have never used anything other than Chamberlain's Cough Remedy for my children, and it has always given good satisfaction." This remedy contains no opium or other narcotic and may be given as confidently to the child as to the adult. For sale by Huntley Bros. Company.

TWILIGHT.

Miss Anna Wilehart was calling on old friends last Saturday afternoon. Mrs. William McCord is on the sick list. Mrs. George Schreimer spent Sunday with Mrs. Burgoyne at New Era. Mr. and Mrs. James Hylton made a business trip to Portland last Tuesday. George Graves had the misfortune to fall while he was playing in the barn and sprained his foot. He was unable to attend school last week. The little daughter of Mr. O. S. Martin is suffering from a severe attack of whooping cough.

The Crime Of Idiocy.

Idiocy means trouble for any one. Its same with a lazy liver. It causes constipation, headache, jaundice, sallow complexion, pimples and blotches, loss of appetite, nausea, but Dr. King's New Life Pills soon banish liver troubles and build up your health. 25c. at Jones Drug Co.

DODGE.

The baby of Mr. and Mrs. Joe Keller, of Aurora, was buried in the Springwater cemetery. We sympathize with the bereaved parents. A cow belonging to J. M. Park has been very nearly dead for some time but there seems to be a chance to save her yet. Mr. and Mrs. John Park, of Springwater, were visitors in Elwood and Dodge Sunday. Some one not concerned in either of the Dodge or Redland telephone lines tied a wire from one line to the other where they cross each other. The Redland company got pretty mad at the Dodge Company and also at Estacada central and cut its line loose from Estacada central. They blame the Dodge company, but it had nothing to do with the affair whatever.
