TEACHERS ELECTED IN OREGON CITY SCHOOLS FOR THE COMING YEAR.

TOOZE HEADS SCHOOLS

High School May Be Transferred to Eastham Building In Order to Provide Accomodations For Grades.

With only one exception the entire corps of teachers for the Oregon City public schools for the coming school year was elected Monday night by the Board of Directors. The election of a principal of the Eastham building went over for a few days. It is altogether probable that the high school will be transferred to the Eastham building next year, as the Barclay is very crowded, and it is ex-pected that there will be 130 students n the high school next September. In this event the city superintendent will have his office in the Easthur building and the principal of the building will be transferred to the Barclay, where all the grades from the first to the eighth inclusive will be grades were crowded out of the Barclay building by the high schoot. There are ten rooms at the Eastham building and three of these will be devoted to high school students, seating the and there will still be room for six grades and a combinaseventh and eighth grade.

Fred J. Tooze, of Monroe, Mich., was elected city superintendent, succeeding Prof. Walton C. McKee, who ceeding Prof. Waiton C. McKee, who married in Wisconsin. June 20, 1901, was not an applicant for the position and she charges desertion three years next year. Mr. Toose is 40 years of age and has a family of a wife and two children. He has had wide exting. She is represented by Attorney perience, embracing 120 months in rural and city schools of Michigan. Gordon E Hayes. is a graduate of the Michigan Normal College and the University of Michigan. He is a brother to Charles T. Toose of Gladstone, and Walter L. Toose of Woodburn.

PROF. FRED J. TOOZE, who has been elected superintendent of the Oregon City Schools,

Next week The Enterprise will announce in full detail the grand opportunity which is to offered to residents of Clacksmas County for a few minutes' work each day in behalf of the leading publication of the county. A sightly building lot is to

be given away absolutely free. Vacation trips to the seashore are to be paid for by the Enterprise. A business education is with-in reach of anyone who will

earnestly devote a few minutes time each day. Many other awards will be

offered for your assistance in helping us to get the Enterprise into every home in Clackamas County. Besides giving the best paper ever printed in the county, we are going to give other inducements that will make it worth your while to subscribe,

and besides every subscription

received gives some worthy one a chance to get an education,

a vacation, a home site, and remuneration for their few minutes' work. This plan of campaign for new subscribers will be without doubt the greatest ever undertaken by any weekly paper.
