Alone in a Sawmill at Midnight. Unmindful of dampness, drafts, storms or cold, W. J. Atkins worked as night watchman at Banner Springs Tenn. Such exposure gave him a severe cold that settled on his lungs. At last he had to give up work. He tried many remedies but all failed until he tried Dr. King's New Discovery. After using one bottle, he writes: "I went back to work as well as ever. Severe cold, stubborn coughs, inflamed throat and lungs, hemorrhages, croup and whooping cough get quick relief and prompt cure from this glorious medicine. 50c and \$1.00. Trial bottle free, guaranteed by Jones Drug Co."
