

Aurora and Northern Marion

AURORA.

D. Ritter and wife, nephew of W. S. Hurst, who has been visiting at Needy for several days, left for Condon to look over that country with a view of locating a home. Mr. and Mrs. Ritter have been making their home lately at South Bend, Wash.

C. Zimmerman and son, returned from San Francisco Tuesday. Ralph is all right now, but looks pretty thin after his severe illness of typhoid.

The grand ball given last Saturday night was an immense success. Over 100 numbers being sold and \$50 cleared on the dance.

The streets of Aurora are full of hop pickers, both coming and going. By the last of this week practically all the yards of this neighborhood will be cleaned and the yield is far from being satisfactory, although the market bids fair to be firm at a fancy price.

The ice cream parlor on the corner has been doing a rushing business. Howard Eccles, acting secretary of the Clackaman County Fair Association, was in Aurora Tuesday on business relative to the coming fair.

Mrs. William Ryan was in Hubbard Monday to see the dentist.

Juno Copper, of Marks Prairie, finished picking his hops Monday.

Pick-up teams of Aurora and Donald locked horns Sunday at the latter place and a good game was the result. Aurora dug the ball a little bit harder and ran a little faster than Donald and won on the close score of 5 to 4.

Thompson and Doane were Donald's battery and Long and Frost for Aurora. A large crowd saw the game and cheered or booed the different sides. Thompson struck out 14 men and hit the only two batters of the game, while Long whiffed 12 of the mighty sluggers that faced him.

A complaint was laid before the Oregon Railroad Commission by the real estate dealer, A. F. Will, in regard to the poor train service of the S. P. Co. The matter is now under consideration by the company, having been submitted by the commission. This is a good step and should be followed up vigorously if we want to stay in the front ranks of the Willamette Valley town.

After the ball game at Donald last Sunday, the young folks passed away a few hours by dancing and stinging. A dance was given at Donald last Wednesday night and was well attended.

Charles Beck turned off his hop pickers Monday after finishing up the yard.

Joseph Scheurer, of Butteville, was in Hillsboro the other day and purchased some property, where he and family will make their home.

Postmaster Snyder was in Portland Tuesday looking after a few business matters.

Miss Eulalie Francis Bauer, officially connected with the New York Mail as a writer and musical critic; also her mother, three sisters and Miss Genevieve Thompson, of Portland, were in Aurora last week visiting

Mr. and Mrs. Henry T. Finck, who were stopping with his sister, Mrs. Beck. Miss Bauer is a native of this state and has been visiting with her mother in Portland this summer. She will soon return to New York to again take up her duties.

Mr. and Mrs. Henry T. Finck, after taking a short trip to Oregon's famous hill, Mt. Hood, and other places of interest beside visiting his sister, Mrs. Beck, of this place for some time, have departed for their home in New York city to again resume their duties as musical critics on the New York Evening Post.

Clarence Schauer lost his finger the other day while working on a threshing machine. While trying to adjust some gearing the index finger of the right hand was caught in the cogs and crushed entirely off at the first joint.

Messrs. Hill and Hostetler will hold their regular auction sale at Aurora this next Saturday.

The electric flat irons to be installed by the Aurora Electric Company have been lost in the shipment from Los Angeles and so far cannot be located.

A. H. Giesy has started picking his hops. A fair yield for this season is expected.

Miss Hazel Gray of the Mitchell, Lewis & Blythe Co., is at present in Aurora visiting with her parents.

The Aurora Electric Company is contemplating a power line from this place to Donald as the extra rapid growth of that little place will fully warrant the expenditure.

William Fry started picking hops Monday on his yard of about four or five acres.

Willie and Tom, the tent revivallists, are now holding regular meetings here every night with a fairly good attendance.

Gottlieb Schwader was taken to the Good Samaritan Hospital last week and underwent an operation which he stood very well, and is at present doing well.

The hop house of F. H. Peters was burned to the ground Saturday. A good share of the crop was also destroyed at the same time.

Died.

The small son, aged two years, of Mr. and Mrs. Walker, of Donald, passed away last Friday at their home and was buried Monday at the cemetery at Salem, where Mr. Walker was previously engaged in the nursery business.

Two ladies, whose names we were unable to ascertain, were very badly injured one day last week while on their way to this place from the hop yard of Hong Lee, where they had been at work. An auto was standing by the side of the road and their horse became frightened at it and the rig was turned over, fracturing four ribs for one and very badly spraining a limb of the other. Dr. Benny Giesy was called and cared for them.

M. H. Gilberison was in Portland Tuesday attending to business matters.

The company purchasing the telephone line of George Scramlin is intending to install a good many im-

provements and among others will replace the Aurora switch board with an automatic switch which will enable this central to call up Portland as well as other long distance points without going through the other central for that purpose.

Many of our young people were in Aurora last Sunday, the hop picking being the main attraction.

Sheriff Minto was in Aurora this week on official business, which was very soon despatched.

The hop yard of Adam Mishler was finished Tuesday. About 50 boxes to the acre was gathered.

The Grilley yard was wound up Monday with a light yield as the result.

Charles Beck was through with his yard Monday. He harvested 1250 boxes from the entire yard of only eight acres was gathered.

The Kroehne Ladies Orchestra will give a dance at Aurora on the 25th of September.

S. O. Miller, the hardware man, was in Hubbard Tuesday.

Mr. and Mrs. G. G. Guff, of Butteville, was in Aurora Tuesday doing some trading.

Fritz Giesy and Fay Carpenter were in Portland last Sunday to take in the sights of the city.

Madier and Kraus have received their line of fall hats and have them now on display.

Frank Yergan began picking hops Tuesday in his big yard.

William Giesy, the harness man, is slightly under the weather this week with a severe cold.

Gus Kluger was in Hubbard this week giving his little daughter an auto ride. She has been attending the Mt. Angel school.

Boss Fry lost the watch that he had carried for over twenty years, this week, and now is lamenting the loss. It was a valuable and accurate time piece.

A. F. Will, the real estate dealer, was a Portland visitor this week.

Nearly all the local hop yards will be stripped by the end of the week and then the town can settle back to the normal condition again.

Mrs. E. A. Greenwood and daughter, of Salt Lake City, were Aurora visitors Sunday calling on Mrs. George Kraus.

Mrs. Ross, of Toledo, Oregon, who had been visiting with Mrs. William Giesy, returned to her home.

Kirk's Park did not open this week as too many other places of amusement were offered to the young people.

Frank Meadows is the proud father of a rattling fine son, born Monday night. Dr. Weber of Hubbard was called to attend Mrs. Meadows.

Very few people realize the fact that the queer looking bottles filled with colored water, displayed in the windows of the local drug store, have been an exhibition for over half a century. They were originally brought from Pennsylvania in 1845 and used at Bethel, Mo., for a number of years after which they were brought to this place by shipping around the Horn in 1861. They have been displayed continuously in this store since that time.

Mrs. Merle Scheurer, in company with Mr. and Mrs. Whitman, were out riding Sunday.

Mr. and Mrs. Jos. Scheurer, of Grass Valley, Oregon, is now at Butteville, visiting with friends before going to Hillsboro, where they will make their home.

Mrs. J. W. Sadtler was in Portland this week doing some trading.

Mrs. Clarence Schauer was in Portland Saturday.

W. S. Hurst shipped two cars of oats this week from Hubbard.

Aurora defeated Donald 5 to 4 Sunday in one of the best games of the season. Both Thompson and Long, the pitchers, pitched a good game, Thompson striking out 14 and Long 12. A large crowd was out to witness the game.

Do you like the Enterprise? If so don't be a bit backward in subscribing or telling your neighbors what the Enterprise is doing. Good news service in your town makes money for you Mr. Man all the time. The Enterprise lets people all over the state know that you are here and what is doing. We boost this county and do more for the upbuilding of Clackamas County than any other independent concern. Do a little missionary work here and thus boost the booster.

Go to the New Aurora Hotel bar and try a little Walnut Hill whiskey, or Martinec cognac, or the celebrated Mt. Hood beer.

FAIR RACES NEXT WEEK

EXCITING CONTESTS OF SPEED BETWEEN FAST HORSES AT SALEM.

NEW POULTRY FEATURE

Camping Privileges Are Improved This Year and Better Railroad Facilities Are To Be Maintained.

The racing programme of the Oregon State Fair, Salem, September 13-18, has been so arranged that there should be exciting contests of speed between the trotters, pacers and runners every day of the week. No racing association on the Pacific coast offers so large purses to the owners of horses as does the Oregon State Fair management. Some of the swiftest horses in the United States will be on the track in the large events and records will surely be broken to pieces.

There will be a model chicken yard at the Oregon State Fair, Salem, September 13-18. Outside of the poultry building, in the shade of an oak tree, there will be a colony house with a fenced yard enclosing two dozen Plymouth Rocks. The house will be of approved style, suited to most farm conditions, and every farmer interested in poultry keeping will do well to study it. The flock of Plymouth Rocks will be one of the best in the state. Adjoining this will be a small coop which serves the purpose of a hatching house, a brooding house, and a colony growing house for chicks. This will be fitted up for hatching the chickens. Another copy of the same kind will show how the house used for brooding the chicks. Two hens with about fifty chicks will demonstrate the use of the house. These houses and appliances are intended to represent the equipment necessary for successful poultry keeping. This is a new feature of the fair which should prove instructive as well as attractive to visitors. It is planned by the poultry department of the Oregon Agricultural College.

One of the pleasures for many people attending the annual State Fair, is the privilege of being numbered among the residents of the friendly city just outside the main entrance to the fair grounds. Each farmhouse is allowed on the camping ground a space of twenty feet front on the street and thirty feet back for camping purposes. By this means the camping ground has the appearance of a white canvas city during the entire week of the fair, as thousands of people come from a distance to enjoy an outing and at the same time participate in the pleasures of the exposition week. All intending campers are required to apply to the superintendent of the camping ground for campers' certificates, which will entitle them to the right to purchase "campers' tickets."

The Southern Pacific Company has completed the building of its 1700-foot switch from the main line at the Oregon State Fair Grounds depot along the western boundary of the camp ground to the rear of the livestock barns. This change of track will be of great advantage to the livestock exhibitors at the next fair, as it will permit them to unload their stock directly at the barns and not otherwise be disturbed, and also not cause any inconvenience to other campers as has been the rule at past fairs.

The new bungalow rest room will be a great convenience for those who will attend the next annual fair at Salem. It is a spacious building having an attractive exterior and the interior fitted up with all of the modern conveniences necessary for such a place. It has long been needed, and can now be classed among the permanent buildings on the fair grounds.

When Your Head Aches

don't take chances with your heart by dosing with headache cures. It's caused by upset stomach or inactive liver.

Nature's Remedy

FAIR AND LIVESTOCK SHOW.
Fine Attractions at Portland for Week of September 20-25.

PORTLAND, Or., Sept. 9.—(Special)—Extraordinary attractions are booked for the coming annual meet of the Portland Fair and Livestock Show, during the week of September 20-25, and the event is expected to be the biggest of its kind ever held in the Northwest. Harness and running races, livestock show and special features will occupy the six days. Probably the biggest days will be Thursday, September 23, which is Willamette Valley day, and Friday, September 24, which is Columbia River Valley day.

The first will be open day for all the towns of Western Oregon where the livestock industry and the harness racing game have been so well developed of recent years. Officials and commercial bodies of the various towns will co-operate with the committee in making it a big occasion. The following day, too, will be marked by the presence of thousands of out-of-town guests, as attractive railroad rates have been made from all points. In addition Friday will be ladies' day and special events will be carded.

President Wehrung of the association has taken up the work of organizing his committee and they will get to work at once to make the forthcoming meet the most notable ever held in this section of the country. The meet will be held on the grounds of the association east of Portland. This year's sessions will, undoubtedly, have a marked effect in building up the livestock industry in the Pacific Northwest.

Best Treatment for a Burn.

If for no other reason, Chamberlain's Salve should be kept in every household on account of its great value in the treatment of burns. It allays the pain almost instantly, and unless the injury is a severe one, heals the parts without leaving a scar. This salve is also unequalled for chapped hands, sore nipples and diseases of the skin. Price 25 cents. For sale by Huntley Bros. Co.

Why Druggists Recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr. Frank C. Harahan, a prominent druggist of Portsmouth, Va., writes: "For the past six years I have sold and recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is a great remedy and one of the best patent medicines on the market. I handle some others for the same purposes that pay me a larger profit, but this remedy is so sure to effect a cure, and my customer so certain to appreciate my recommending it to him, that I give it the preference." For sale by Huntley Bros. Co.
