## PETITION FOR NEW DISTRICT IS DECIDED

DISTRICT BOUNDARY BOARD REFUSES TO CREATE NEW SCHOOL NEAR CANBY.

The petition of residents of the vicinity of Adams sawmill, near Canby, for a new school district, was last Saturday denied at a meeting of the district boundary board, composed of County Judge Dimick, Commissioners Lowellen and Mattoon and County School Superintendent Gary. It was proposed to detach portions of the Union Hall, Oak Grove and Mulino districts and create a new district, but the boundary board concluded that the result would be to weaken two districts, where teachers have already been employed, and where the existing contracts could not be carried out of the territory curtailed.

The petition to detach a portion of District No. 62, Brown's school, and attach it to District No. 69, Leland, was granted.

Constable F. A. Miles was appointed trustee officer for Clackamas County and his salary will be determined by the County Court. The only districts in which he will not act officially are Oregon City, which is a district of the first class and where David Catfield is trustee officer, and at Gladstone, where Mr. Hull was named trustee officer at the request of the directors of the Gladstone school.

## POPULATION OF COUNTY LARGER.

Marked increase in the population of Clackamas County is shown by the figures of Sheriff Beattie. In the tax department in 1907 there were 7818 receipts issued, and on a basis of five persons to every taxpayer the population was 39,090 for the county. This year there have been 8908 receipts issued to date, and Sheriff Beattie estimates there will be 300 more, which means that the population of Clackamas has grown to 46,040. The increase this year has been the heaviest in recent years. The number of receipts issued since 1902 for the several years follows: 1902, 7818; 1903, 8102; 1904, 8207; 1905, 8629; 1907, 8908. It is noticeable that there has been a constant growth in population as indicated by the steady increase in the number of taxpayers receipts.

## MAYORALTY BEE IS IN SOME BONNETS

SIX MEN ARE MENTIONED FOR HIGHEST HONOR IN GIFT OF CITY.

With the date of the annual municipal election a little more than two months distant, there are whisperings of candidates for the mayoralty and no less than six men have been mentioned in connection with this honor. They are Albert Knapp, whose second term as councilman from the third ward is about to expire; O. D. Eby, a well known attorney, who has never held a municipal office; William Shestman, who was formerly a member of the council of W. Eastham, head of the furniture firm of Mellen & Co.; Dr. M. C. Strickland, councilman from the second ward, and Dr. W. E. Carl, who is just rounding out his second year as mayor. None of these gentlemen have signified their intention of becoming a candidate, and it is presumed that the nominations will be made by petition, as has been the custom for many years. Politics cuts little or no figure in city elections in Oregon City. The terms of Councilman Charles W. Pops, in the first ward, and Councilman Fred J. Meyer, in the third ward will expire this year, as will that of Councilman Knapp in the second ward. There are no great issues at stake in the approaching election, but if all men whose names have been mentioned decide to become candidates there is promise of a lively campaign.

## MAMMOTH PRODUCTS PLACED ON EXHIBIT

CHARLES HALL OF MEADOWBROOK, DISPLAYS GREAT VEGETABLES.

The real estate firm of O. W. Eastham & Co. has a miniature county fair in its office in the Bank of Oregon City building, and R. E. Woodward, a member of the company, has secured samples of agricultural products that are exciting much admiration. William Ertter, who lives in the north end of the city, has several stalks of sweet corn, 15 feet in height, and Charles Hall, of Meadowbrook, brought in a display Tuesday that would take premiums in any exhibit. His prize vegetable is a head of cabbage that weighs 28 pounds. He has a Burbank potato weighing 4 1/2 pounds and an Early Rose that will go nearly as strong. Huge carrots, parsnips and sweet and field corn ears make up a remarkable exhibit, of which Mr. Hall is justly proud. His fine farm of 40 acres at Meadowbrook has been placed on the market and he values it at \$25,000. The public is invited to see the display of Mammoth vegetables.

The jury in the condemnation suit of the Beaverton-Willburg Railroad Company against Casper Kerr and wife on Friday afternoon Dr. R. C. Yenny, secretary of the State Board of Health, will talk on "The Detection and Prevention of Contagious Diseases."

## OAK GROVE HOLDS FAIR

The first annual fair at Oak Grove, under the auspices of the Oak Grove Improvement Association, closed Tuesday night with an interesting programme of music and an address by Senator Chamberslain. During the day about 200 people visited the hall. Fine exhibits, agricultural and horticultural domestic and artistic, filled all the space. Decorations were in keeping with the display. In the afternoon the baby contest attracted a large crowd. The contest was close. The following were the awards:

Mrs. Eugene Comstock and Mrs. L. H. Wells were judges of women's work, of which there was an elaborate display. John Kelo, Captain J. P. Shaw and William Scott judged the agricultural and horticultural display. Mrs. John Risley was general superintendent, and much credit was given her for the success of the fair. Mrs. F. E. Brotje was assistant superintendent.

At the meeting Tuesday night Alfred Gertsen was called out and presented with a handsome token for his financial assistance. So great was the success of the fair that the club will undertake a street fair next year, the object being to purchase a park and erect a large public exhibition building in Oak Grove.

**W. C. CHENEY IS RELEASED**  
Former Telephone Manager Was Charged With Insanity.

W. C. Cheney, of Fern Ridge, was taken into custody Tuesday by Sheriff Beattie upon complaint of Cheney's family, who believe the man is mentally unbalanced and are afraid he will do them bodily injury. Cheney is a well known electrician and was formerly manager of the Home Telephone Company in this city. He was released upon promise to be a peaceable citizen. His family feared he would commit some unlawful act.

**Lighthouse Man On Vacation**  
Captain and Mrs. Alexander K. Pesonen arrived at Clackamas Saturday for a few days visit at the home of Mr. and Mrs. Isaac L. Smith. Captain Pesonen is in charge of the light house at North Head on the Washington Coast at the mouth of the Columbia river, having been stationed there ever since the lighthouse was completed in 1898.

## COMMISSION HOUSE OPEN FOR BUSINESS

ALL THE PRODUCE OF FARMERS OF CLACKAMAS TO BE TAKEN CARE OF.

The Oregon City Company has secured a 2-year lease on the building at the corner of Tenth and Main streets, which was formerly the home of the Young Men's Christian Association and was later used for a skating rink. The building is commodious and is admirably adapted for a commission house, being close to river and rail transportation.

The new commission house is in the hands of T. F. Rourke, who will manage the business. Mr. Rourke has had many years of experience in this work in Pendleton and Portland. Dr. A. L. Beattie is president of the company.

"We are taking care of all kinds of farm products as fast as it comes in," said Dr. Beattie, "and we are going after more. It is our purpose to induce farmers of Clackamas county to come to Oregon City with their produce and we are soliciting the co-operation and encouragement of the business men generally."

**EIGHTEEN BOTTLES STOLEN.**  
Casper Junker Loses Quantity of Whiskey at Sandy.

Deputy District Attorney Stipp returned Monday from Sandy, where he appeared in the case of the State vs. Spencer. The charge against Spencer is larceny from a building, and he was arrested for stealing 18 bottles of whiskey from the saloon of Casper Junker. Twelve bottles were found under the floor of a stable, of which Spencer was in charge. Spencer was brought before Justice of the Peace Jonsrud for preliminary examination and was placed under \$250 bonds to appear before the Circuit Court. He will be given an opportunity to secure bondsmen.

**Mrs. Myrtle Massie.**  
The funeral of the late Mrs. Myrtle Massie was held Tuesday afternoon from the undertaking establishment of Holman & Meyers and the interment was in Mountain View cemetery. Mrs. Massie lived in Portland with her husband and 5-year-old son, and was in Gladstone visiting her mother, Mrs. George Rambo, when she was taken ill only a few days ago. She was born in Iowa and was about 24 years of age. Her father died about two months ago.

**Suit On Promissory Notes.**  
Suit has been filed by the Associated Creditors' Adjustment Company of Portland against J. G. Turk for two promissory notes given by him to G. B. Bristol, the notes being for \$300 and \$50. They were transferred to the Adjustment Company by Bristol. The property owned by Turk in this county was attached by the sheriff last Saturday.

**Maple Lane Grange.**  
The regular meeting of Maple Lane Grange was postponed from the first Saturday, October 2, until October 9, in account of the County Fair on that date.

It is now postponed until Saturday, October 9, so that the children who go to school can attend and give a drill. The regular annual grange fair will be held on that day. A cordial invitation is given to all to attend. Bring your lunch and have a grand picnic dinner.

**Return to Clackamas County.**  
F. M. Amen, of Maple Lane, was in Oregon City Saturday on business. Mr. Amen about one month ago purchased the Engle place and will go into farming on a small scale. He recently came from near The Dalles, where he was also engaged in farming, and resided at that place for 25 years. Before going to The Dalles, Mr. Amen and family resided at Mulino and afterwards moved to this city, residing at Falls View. Mr. Amen and wife could not resist the temptation of returning to Clackamas County.

## GRANGE FAIR BIG SUCCESS

FAVORED WITH IDEAL WEATHER MILWAUKIE SHOW DRAWS LARGE CROWDS.

## PRIZE FOR EACH BABY

Decisions of Judges Satisfy Mothers of All Contestants—Appropriate Awards for Various Exhibits.

The grange fair at Milwaukie held last week was voted a big success and as the weather was ideal, nearly everybody in the north end of Clackamas County were there. Numerous exhibits of fruits, vegetables, canned stuff, jellies, and fine samples of the housewives' arts filled the big room together with fancy drawn work, burnt wood work, paintings and the numerous displays of prominent business houses in Milwaukie and elsewhere. A large collection of hand painted china was exhibited by Mrs. Snyder and attracted a great deal of attention and favorable comment. Mrs. Snyder is a first class artist and her work is a credit to any fair. A display of burnt wood work, by Mr. Van Schoick also attracted much favorable mention, and the Kelly Hardware Co.'s exhibit was well worth the viewing. The fancy needle and drawn work was greatly admired by all. The main feature of the first days fair was the baby show and quite a number of mothers entered their babies in the contest.

**The Judges Were Wise Men.**  
and when the prizes were awarded not one dissenting voice arose as all were thoroughly satisfied. Each contestant drew a prize. The judges were Mrs. Katherine Strutz, of Canton, Ohio, C. W. ## CLACKAMAS COUNTY FAIR IS OPEN

The third annual Clackamas County fair opened yesterday at Canby, and notwithstanding the inclement weather, the attendance was good. The horse races are attracting thousands of people to the track and some fine sport is promised during the three days session. The pavillion will be kept open on Sunday for the reception of the public. The exhibits this year are remarkable for their size and quality and are receiving widespread favorable comment. This is Oregon City Day and it is expected that hundreds of people will go from this city to see how they do things at Canby. The Oregon City delegation will be supplied with ribbon badges by the secretary of the Commercial Club.

In the pavillion at the fair grounds will be found the headquarters of the Oregon City Enterprise, in charge of Miss Nan Cochran. Visitors from every section of the county and elsewhere will be given a cordial welcome. One thousand papers of this issue will be given to the public.
