Pioneer Passes Away.

With the death of Henry Voght, that took place here last Thursday afternoon, Aurora loses another of the old colony settlers and a good friend and neighbor.

Mr. Voght has been in poor health for a number of years but only recently began to decline rapidly and passed away at his home here at 5:30 P. M. Thursday. He was born in Newmarket, Marion

County, Mo., in 1844 and came to Aurora by a mule team across the plains in 1865, suffering all the attendant hardships of that time. He also spent some time in Colorado where he went for his health. Mr. Voght has always been greatly respected by all who have known him and his many friends here all unite in extending to the bereaved family their heartfelt sympathy.

He was never married and two sisters are the only near relatives living. They are Miss Mary Voght, who has always made her home with her brother, and Mrs. Margaret Wolfer, of Needy, the mother of Mrs. Grant B. Dimick, of Oregon City. Miss Voght will make her home in the future with her niece, Mrs. Coleman Mark, of the Mark's Prairie country.

The funeral of Mr. Voght was held at the Aurora cemetery after appropriate services at the house, which was conducted by J. P. Cole.

MARKET REPORT.

Things have begun to stir in the hop business already, as reports of several sales have come from the different parts of the country although the market as a whole is at a standstill on account of the holding tactics of the growers who refuse to part with any quantity of this year's crop at any price that can be offered at this time by the dealers.

From 20 to 21 cents seems to be the prevailing price offered and what sales have been made are around that mark. California markets are a trifle higher than the local, but little is doing there in the buying line. The hop crop of the world is estimated at 1,000,000 cwt., while the annual consumption is about 1,700,000 cwt., showing a shortage this year of 700,000 cwt. Misher and Gribble have purchased several small lots among which were the holdings of William Krause, Henry Krause, W. Yoder and the Marks and Abot lot besides a few bales in the Mt. Angel country. The price paid for the few lots were also around the 20 cents mark. The samples are now in the dealer's hands and reports show that the average is decidedly below the standard this year in regard to the quality.

Klaber, Wolf & Netter, of Portland, purchased the hop crop of Peter Kraus at 23 cents. This bunch was of exceptionally good quality.

Potatoes on Decline.

The spud market is very much weaker this week than last, with fancy early stuff selling around 50 cents, sacks and twine furnished by the dealer. Rain is needed to insure a crop of the late planting as samples show a lack of size and form. A few cars of early fancy stock have been disposed of in the southern markets at a fair price, Arizona so far furnishing the best market. Clover seed this season is of fair quality, but the crop was light. Good clean seed is going at 10 @ 10 1/2 cents lb. Vetch is fairly plentiful at 4 cents lb. All kinds of hay is scarce and dealers will import considerable for the coming winter.

Aurora prices are as follows: Butter, fresh ranch, 25c lb. Cheese, best creamery, 25c lb. Lemons, 30c doz. Oranges, 30c doz. Bananas, 30c doz. Cabbage, 2c lb. Honey, comb 12c lb, strained, 25c lb. Beans, small white, 8c lb; brown, four lb for 25c. Bacon, country, 15c. Bulk lard 17c. Hams, country 17c.

Packing House, 20c. Evergreen blackberries, 2 1/2c lb. Dressed meats—black hogs, fancy, 10c; ordinary 9c and 9 1/2c; veal, fancy 9c; ordinary 8c and 8 1/2c. Chickens—old hens—16c; springs, 17c; young roosters, 14c, mixed 11c and 12c. Hay—best clover \$12 per ton, loose \$8; Timothy \$13; cheat \$12. Wheat, 85c bu. Potatoes—retail 1c lb; wholesale, early fancy, 50c cwt, sacks and twine furnished.

Onions—fancy 75c cwt. Bran, 90c sack. Rotted barley \$1.35 sack. Chop, \$1.20. Sugar, 6.10 sack. Rice—fancy 10c; common 7c. Flour—Salem \$1.40 sack; Woodburn \$1.35, Yakima Best \$1.50 sack. Oregon City Enterprise in good demand at \$1.50.

Go to the New Aurora Hotel bar and try a little Walnut Hill whiskey, or Martinet cognac, or the celebrated Mt. Hood beer.

Herbert Harris and Fred Lamore, two Portland boys were arrested in Aurora, Monday by J. A. Hill, acting by orders of City Marshal Milley, who received word of robbery from Sheriff Minto, of Salem.

The boys were charged with stealing a horse belonging to Fred Ramp of Brooks, who claimed the animal was taken out of the field by them. They boys on the other hand contended they purchased the animal from an Indian for \$10, all hands being drunk at the time. Deputy Sheriff Esch was first notified of the theft and so prompt was the action taken that within two hours was telegraphed that the men were held in Aurora. Constable Ira Hamilton took

the men to Salem in an auto, where they will be tried. Both men worked in the hop yards in this vicinity. The animal stolen was anything but a good looking animal.

Handicapped. This is a Case With Many Oregon City People. Too many Oregon City people are handicapped with a bad back. The unceasing pain causes constant misery, making work a burden and stooping or lifting an impossibility. The back aches at night, preventing refreshing rest and in the morning is stiff and lame. Plasters and liniments may give relief, but cannot reach the cause. To eliminate the pains and aches you must cure the kidneys.

Doan's Kidney Pills cure sick kidneys, and cure them permanently. Can you doubt Oregon City evidence? W. M. Stone, a well-known resident of Oregon City, Oregon, says: "I have been greatly benefited by the use of two boxes of Doan's Kidney Pills. My troubles were occasional aches and pains and frequent passages of the kidney secretions. I had to get up often at night on account of the latter annoyance, also suffered at times from attacks of backache. Having found such great relief through the use of Doan's Kidney Pills I do not hesitate to recommend them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
