HANDICAPPED.

This is a Case With Many Oregon City People.

Too many Oregon City people are handicapped with a bad back. The increasing pain causes constant misery, making work a burden and stooping or lifting an impossibility. The back aches at night, preventing refreshing rest and in the morning is stiff and lame. Plasters and liniments may give relief, but cannot reach the cause. To eliminate the pains and aches you must cure the kidneys.

Doan's Kidney Pills cure sick kidneys, and cure them permanently. Can you doubt Oregon City evidence? W. M. Stone, a well-known resident of Oregon City, Oregon, says: "I have been greatly benefited by the use of two boxes of Doan's Kidney Pills. My troubles were occasional dizzy spells and too frequent passages of the kidney secretions. I had to get up often at night on account of the latter annoyance, also suffered at times from attacks of backache. Having found such great relief through the use of Doan's Kidney Pills I do not hesitate to recommend them."

More Than Enough Is Too Much.

To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorders of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. HUNT FOR SMITH HOPELESS.

Penitentiary Hounds Used to Search For Missing Man.

From 2 o'clock Wednesday afternoon until 1:30 o'clock Thursday Constable Miles, Dr. T. C. Smith, Jr., of Salem, and a guard from the state penitentiary with two blood hounds searched the woods between Canby and Aurora for J. Addison Smith, who mysteriously disappeared a week ago from the Open Air Sanatorium at Milwaukie. Reports received by Dr. Smith indicated that his brother had been seen at Canby, but Constable Miles, who returned to Oregon City Thursday afternoon, stated that the man bore no resemblance to the missing patient, except that he is lame. He was found Thursday morning at Aurora, and is merely a broken down telegraph operator, who spent Tuesday night in the Oregon City jail, having no visible means of support. Some of Mr. Smith's clothes were taken to Canby from the sanatorium and the blood hounds were given the scent, but the chase was hopeless from the start.

IMPERSONATES THE PRESIDENT.

Big Man on Southern Pacific Flyer Plays Joke on Crowd.

An amusing incident occurred last Sunday night just before the arrival of the Presidential train from Portland. The Southern Pacific San Francisco flyer was late and reached here at 6:41, on the time of the President's special. While this fact was generally known to the crowd, it did not prevent a laugh from a thousand throats when a portly, well dressed man, appeared on the rear platform of the train and pretended to bow his acknowledgements to the crowd. The man, who was later identified as the President's double, then was some resemblance and the big, good natured throng caught the nature of the joke and applauded heartily.

Big Potatoes From Estacada.

He said that the potatoes were so thick in the hills that he could dig a half a bushel at a time and that about two dozen will fill a bushel measure. He estimates that he will get 200 sacks to an acre from his place.
