Woman's Power Over Man

Woman's most glorious endowment is the power to awaken and hold the pure and honest love of a worthy man. When she loses it and still loves on, no one in the wide world can know the heart agony she endures. The woman who suffers from weak ness and derangement of her special womanly or ganism soon loses the power to sway the heart of a man. Her general health suffers and she loses

her good looks, her attractiveness, her amiability and her power and prestige as a woman. Dr. R.V. Pierce, of Buffalo, N.Y., with the assistance of his staff of able physicians, has prescribed for and cured many thousands of women. He has devised a successful remedy for woman's all-ments. It is known as Dr. Pierce's Favorite Prescription. It is a positive specific for the weaknesses and disorders peculiar to women. It purifies, regulates, strongthens and heals. Medicine dealers sell it. No himsel dealer will advise you to accept a substitute in order to make a little larger profit.

IT MAKES WEAK WOMEN STRONG. SICK WOMEN WELL.

Carry No Money On Your Person

It is not necessary, beside it is unsafe and dangerous. Deposit your money in this bank subject to check, then when you wish to pay any person, write out a check for the amount.

This method of paying bills is more convenient than employing the cash. No need to make change. You can pay by check wherever you are, at home, in the store or out in the country.

The check account commends itself to every person for its convenience alone, to say nothing about the safety it affords.

Why not make use of the check system? There is absolutely no cost to you. Come in and talk to us about it.
