

Aurora and Northern Marion

AURORA.

Snow, rain and then more of it, has made things very unpleasant in Aurora for the past week. Several sleighing parties have been out and according to reports, thoroughly enjoyed themselves. But there is another side to the story, as the snow has also brought considerable sickness to the neighborhood. Among those who are ill is Dr. W. W. Giesy, Mrs. Jake Morris of Butteville, and a member of Dave Pendleton's family. Several other cases in the neighborhood with these are keeping Dr. Benny on the jump.

Locals.

William Ehler and wife were visitors at Portland Tuesday.

The Lady Maccoebes of Butteville announces that they will give a dance at the Grange hall in Butteville, Saturday, December 18.

Mr. and Mrs. Ray, of St. Paul, were visitors at the Bungalow Hotel in Donald, this week.

O. A. Simkins, recently of Barlow, has taken possession of the saloon he purchased in Donald, while the Appleton Bros., former proprietors, have moved to Woodburn.

Many of the friends of Edgar Long, nephew of Dolph Come, will be grieved to learn that he is not expected to live, and is now in a Portland hospital.

H. L. Bents has taken over a fine lot of hops from the McMinnville country, about 200 bales in all and will ship them direct to England.

In spite of the inclement weather recently the boys are still getting out poles and leading a few cats each week.

Will Tull, of Barlow, was up to Aurora this week.

J. S. Vandeleur, the bustling merchant of Butteville, instead of moving the store of the Willamette Trading Company to Donald as was announced, some time ago, has recently enlarged the stock and besides improving considerable has added another clerk to the force of employees.

The Women's Bazaar, held in Aurora last Saturday for the purpose of raising money for the church, proved to be a success and nearly the entire

amount of stuff offered by the ladies was disposed of at good figures.

Council Adopts Charter.

The town council met Monday with Aldermen W. Kruse, and Bents, Recorder Fry and President J. G. Miller present.

Besides the usual routine of business, bills to the amount of about \$100 were allowed, a new sidewalk ordered for Liberty Street and the new charter being ratified by two people was adopted and as the old was ordered discarded, went into effect immediately. Of the many who have examined the new instrument, but few can offer anything in the way of improvement as everything necessary is dealt with in a very plain and concise manner.

A concrete walk, as soon as the weather permits, will be laid between the bank and the S. P. depot.

Willis and Tom, the evangelists who have held forth in Aurora for some time during the past summer, have again returned and will conduct services here daily for the rest of the winter, commencing as soon as a place can be fitted up for the purpose.

William Ryan, of Butteville, who some time ago put in a nice little confectionery store in Aurora, has purchased the stock carried by Mr. Snyder and also changed places, so henceforth the postoffice will be found on the corner opposite the bank, while in order to get a good fresh cigar or a bag of candy for the girl you can call at the next door to the bank and be supplied. Both buildings have been repaired and freshly painted and renovated throughout.

Remember the name—Doan's—and take no other.

Newport in Winter.

Newport is an ideal winter resort, and the low rates no winter effect from all S. P. and C. & E. points with the improved train service now established places it within a few hours ride from the valley, arriving there at 6 P. M. in time for dinner. Excellent hotel accommodations at reasonable rates.

For further particulars call on any C. & E. or S. P. agent, or write to W. M. McMURRAY, General Passenger Agent, Portland, Oregon, 11-26

POSTOFFICE GETS ANOTHER LOCATION

William Ryan, of Butteville, who some time ago put in a nice little confectionery store in Aurora, has purchased the stock carried by Mr. Snyder and also changed places, so henceforth the postoffice will be found on the corner opposite the bank, while in order to get a good fresh cigar or a bag of candy for the girl you can call at the next door to the bank and be supplied. COMFORTING WORDS.

Many an Oregon City Household will Find Them So.

To have the pains and aches of a bad back removed; to be entirely free from anything annoying, dangerous urinary disorders is enough to make any kidney sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of Oregon City readers.

William McLarty, 16th & Washington Sts., Oregon City Oregon says: "I had a persistent backache and pains through my loins that never seemed to let up. The pains bothered me mostly at night and it was impossible for me to find a comfortable position. I did not get my proper rest and consequently in the morning I had but little energy. Seeing Doan's Kidney Pills advertised I procured a box at Huntley Bros. drug store and when I had used half the contents my condition was greatly improved, but I used the entire box to make sure of the beneficial effects. Kidney trouble has now entirely disappeared from my system and I give Doan's Kidney Pills my highest recommendation."

LIBRARY ROOMS OPENED.

Free Reading Room in Masonic Building Ready for Public.

The executive committee of the Oregon City Library Association met Saturday afternoon. There were eleven applications for librarian, and Mrs. W. J. Truscott, of Jennings Lodge, was appointed.

The committee reported that the lumber was delivered on Saturday for the shelves and tables. It is assured that nearly \$15 per month will be forth coming for the support of this affair, and the subscription list is gradually increasing. Several magazines and books have already been received, besides the Oregon City Enterprise, which will be found every week, and will be donated by the management. People of this city are interested in this movement, and all are willing to help.

LEVITT PURCHASES ROSENSTEIN STORE

CLOTHIER SECURES A CHOICE LOCATION AT SUSPENSION BRIDGE CORNER.

The general merchandise establishment of G. Rosenstein has been purchased by J. Levitt, who has been in the clothing business in Oregon City for the last three years. Mr. Levitt will take possession January 1 next. The transaction is probably the most important change that has taken place in mercantile circles in Oregon City in some years. The Rosenstein store is located on the corner of Main and Seventh street, where the suspension bridge stands. The location is a choice one. For many years the business was conducted by the Sellings, who sold to Mr. Rosenstein, and an unusual incident pertaining to the transaction is that Mr. Levitt purchased Mr. Rosenstein's store in the Willamette building, when he later bought the selling store. Mr. Levitt has built up a fine clothing business and he will add a classy line of dry goods in his new store. The building will be refitted throughout with the latest appliances and a modern front will be installed. Mr. Levitt attributes a large part of his business success in this city to the liberal and consistent use of printer's ink.

Announcement was made some months ago of the purchase of the Rosenstein store by Karo Brothers, of Portland. This deal was only partially consummated and has fallen through, as Karo Brothers have changed their plans and have decided not to enter the commercial world of Oregon City.

REDLAND.

Not much excitement here just now as roads are too bad for people to get out.

There was a good turnout at the road meeting held at the school house at the four-corners, last Saturday. An 8-mill tax was voted to fix up the roads, and Mr. Ward, of Viola was again elected as supervisor of this district.

Mr. and Mrs. Wm. Brim are the parents of a five pound baby boy, born Tuesday, December 7.

Since the cold snap all the saw mills are shut down, and the lumber haulers are taking a rest.

A. O. Hollingsworth with the help of Mr. Coop, of Viola, butchered seven hogs Wednesday.
