WHAT THE PUBLIC DEMANDS.

The Congress just assembled will begin the consideration of President Taft's policies, already somewhat familiar to the public through the President's recent speeches and those of his Attorney General. It is a laborious program which will keep not only this session busy, but probably several succeeding sessions. Although it will require time and persuasion to secure the enactment of the measures which Mr. Taft desires, perhaps no President ever had more favorable prospect of success in a legislative policy. Conditions have changed in recent years so as to increase the influence of the Executive in legislation. The public has begun to look upon the administration more than upon Congress for the origination of national policies and Congress has to a great extent acquiesced. The legislative machine in both houses is weaker than it used to be. Insurgencies have damaged its prestige. Its independence and self-confidence are largely gone and it is being driven more and more to regard public opinion, to show deference to persons and measures which appear to have popular support and to seek agreements which have public approval. President Taft will undoubtedly recognize this fact and insist upon the legislation that the public demands.

HEALTHY CONDITION OF BANKS.

Oregon banks show a remarkably healthy condition, according to the report of State Bank Examiner Steele. Assets and liabilities of the private and national banks of the state at the close of business on November 16 are compared with the same statistics on November 27, 1908, much to the disadvantage of the earlier date. An increase of 21 per cent in loans and discounts and individual deposits is shown for the current year. Individual deposits in banks have increased \$16,105,878 over last year, certainly a strong evidence of the prosperity of the state. A gain of more than \$2,000,000 in resources of the banks in a single year is a striking proof of the advance Oregon has made during the past twelve months. This is partly due to the marketing of a large lumber cut, but the high prices at which the agricultural staples were marketed had an even stronger effect on the figures. There has also been a great amount of money brought into Oregon during the past year by new settlers. This has gone into farms, timber and city property. Railroad activity now going forward in the state will undoubtedly have an even stronger effect on the coming year's showing up to an even higher level than that disclosed in the latest report.

State dairymen and fruit growers held their annual conventions in Portland during the past week and both were well attended and very successful. Both these great industries will receive a decided impetus from the gathering of the past week. Better acquaintance of the men actively engaged in dairying and horticulture has resulted and the interchange of ideas is always valuable. Thursday night a reception to the two bodies was given by the Commercial Club. A valuable suggestion was made by President E. T. Atwood of the fruit growers, who advises an annual fruit show in Portland, at which all sections of the state shall be represented. This idea is being taken up actively by all interested in the development of the state along these lines and the advantages that may be expected to result are very great.

The city of Salem may proceed to establish a municipal water system that will cost a cost of three-quarters of a million dollars. It will prove a good investment. Salem would have been a larger and more prosperous town now if an adequate supply of water from the mountains had been secured ten years ago. The Mossbacks association has a large local lodge in Salem, but its members are being depleted by death. It would have no organizer in the field to recruit applications, so in spite of themselves they are being made rich in their old age by the enterprise, progressiveness and industry of the community, every advance of which increases the value of their vacant and sometimes shack-numbered lots.

"Sneaks and thieves don't advertise." was the text of an immigration sermon recently delivered by a McMinville minister. He followed this up by showing the value of intelligent publicity work in attracting settlers to the Pacific Northwest and the benefits alike to the newcomer and the country settled. Each settler means added wealth to the state and in return the Pacific states offer greater opportunity to the man from the old

or sections of the country. The Northwest has a duty to perform, believes this pastor, in bringing people from the overcrowded districts of the East to this land of opportunity and live cities in the Northwest are making the most of their advantages in attracting settlers.

Since his return to this country Colonel Henry Watterson has been counselling his fellow Democrats to talk less and ramble more. His idea is that the Democrats in Congress should hide themselves and watch the Republicans fight out any differences they may have on the tariff, the House rules or any other question which arrais the "organization" against the "insurgents." Mr. Watterson holds that the Democratic party is in no condition to help itself and can profit only from Republican blunders and dissensions. The Watterson programme may attract many Democrats because it promises a surcease from rather profligate activities.

We are to be treated an all around test of strength in Clackamas County in a race for the shoes of County Judge Dimick, who is a strong candidate for the gubernatorial nomination. John Lowellen, now county commissioner; Frank Jagger, former county commissioner; Captain John T. Apperson, who held several public offices, and George L. Story, are expected to seek the Republican nomination. The Democratic candidate will probably be John J. Cooke, for two terms sheriff of Clackamas. Now then, gentlemen, who is for the Assembly, and who is not? Speak up!

George W. Dixon, once, but no more (thank Heaven), of Clackamas County, has gone into print again, and again in opposition to the Single Tax theory. Referring charitably to Dixon's "views," whatever he may say on any question, will have little weight. Dixon for several years attempted to operate a newspaper in Canby. He was a candidate for the Republican nomination of Representative in the Legislature, and was one of the "original" Statement No. 1 boys, but the voters of Clackamas County evidently did not believe in him.

A member of Congress from a Western state recently received a letter from a constituent who desired a copy of a government publication known as "The Diseases of the Horse." He said: "I am a student course student and want horse diseases." It is apparent that the Congressman's correspondent is a Roosevelt Man. Phonetic spelling is one of the Roosevelt policies that will endure to the end of time even though it may never have the sanction of learning.

The establishment of a public rest room and a free reading room in Oregon City, all within a few weeks, shows what can be done along the line of the general good of the whole community, by energetic, persistent and earnest effort. Oregon City has not taken a single step backwards since the organization of the Commercial Club and the consequent campaign for funds for publicity work.

Dr. John McLoughlin and his work in aiding the early settlers at Oregon City will not be forgotten and by a decisive vote, this pioneer city has declared it will maintain the historic home of Dr. McLoughlin as a public monument to his work. This tribute to Dr. McLoughlin will meet with the hearty approval of all right thinking people everywhere.

A SUITABLE CHRISTMAS GIFT.

You have all worried and fretted over what your friend or relative would most desire and appreciate in the way of a Christmas gift. Shaving sets, tobacco jars, pocket knives, etc., have all been discarded as well as many other things commonly distributed at this time of the year. Good books are always an acceptable present for one of a studious turn of mind, but the average book is when once perused relegated to the book case or is loaned and never returned. One of the most useful and acceptable gifts, not costly either, is overlooked by many. It is only a year's subscription to one good paper or periodical. The old folks at a rule do not care for story books, but devour eagerly the list of events chronicled in the home paper. It is a lasting gift for a whole year. Each week the paper comes to them as a reminder of your thoughtfulness. Do it now. You have just about time to forward their name and address to us with \$1.50 and we will do the rest. The Enterprise has been for years and is now the chief county paper, and by your assistance we will make the coming year a boom year, not only for the Enterprise, but for you, for unless Clackamas County grows and expands, how can we? May 1910 be indeed a happy and prosperous New Year to all.

MILWAUKIE.

Charles Ballard has returned from California, where he has been visiting. Rev. N. Shupp attended the Ministerial Association in Portland on Monday.

Mrs. Mary Grant, of Oregon City, was in Milwaukie on business Monday.

Mrs. N. Shupp, while coming down the stairs in her home on Monday, slipped, and fell, injuring her side, which necessitates her being confined to her home, and is suffering from the effects. Although no bones are broken, Mrs. Shupp received a severe shaking up. Her many friends in the city hope for a speedy recovery.

Mr. C. Peterson has gone to Geneseo, Ill. to visit his father, who is very ill. W. J. Zimmerman will look after the store during his absence.

Mrs. Reid has gone to California, accompanied by her little daughter, and will remain for several months. Howard Cooper is very ill at his home.

Mrs. A. R. Innes, who has been in the Deschutes country for the past several months, has returned and is visiting with her parents, Captain and Mrs. J. P. Shaw, near Astoria. She will spend the holidays with Mrs. Shaw. Many from this city are planning to attend the grand ball at Strahman's hall in Sellwood on Christmas night.

A large black dog, owner unknown, is wandering around Milwaukie in a half starved condition. The dog appears to be an intelligent animal and it seems a pity that it is left here to starve. Many of the residents of this city have taken pity on it and have fed it, and fed it well. One evening, Maggie Johnson, through a humane act, took the dog to her home, and anyone wanting a dog that will be a good protector, call on her and she will gladly give it to you, or if the owner should read this and wonder where his dog animal is, he can find it with Mrs. Johnson.

Jim Matthews has returned from his trip to California, and reports having had a good time.

Grange Elects Officers. Milwaukie Grange met in regular session Saturday. The meeting was an all day session. A delicious dinner was enjoyed by the members. There was a good attendance, as this was the election of officers, who are to serve the coming year, and are as follows: Master, Otto Naef; treasurer, J. R. Kelson; overseer, Mrs. C. P. and lecturer, W. E. Thresher; financial secretary, Miss Kate Casto; recording secretary, Mrs. Ella Maple; steward, J. W. James; Mrs. Robbins; Pomona, Mrs. Jennie Davis; lady assistant steward, Mrs. W. E. Thresher; assistant steward, Charles Roswell; member of the executive committee, J. R. Kelson.

It was voted by the members to purchase a new piano for the hall, which will be installed before the next meeting. A committee consisting of Miss Kate Casto, Mrs. Frances Atwood and Dr. J. T. Townley, was appointed to look after the matter.

More Land Sold Here. The house and lot belonging to G. M. Barker was sold through the Johnson Realty Company to G. L. Weaver a few days ago. Mr. Weaver will make his future home here.

Traveling Library Obtained. The public library of this city has secured a traveling library which will be in charge of Mrs. Shirley Buck and Mrs. Louise Townley. There are now many good books on hand, and recently Mrs. Reid loaned many volumes of well selected literature, which are being read by many of the people of this city. Every evening people visit this place, here it is always welcome to those desiring to spend evenings in reading. The place is warm and pleasant.

Taxpayers' Meeting is Held. The taxpayers of this city held a meeting in the schoolhouse December 12th, to decide whether the land adjoining the school property would be purchased for a school park. There were about 200 people present, many of them being taxpayers. The vote stood 85 against the purchase and 75 in favor. It is probable that within a few years there will have to be a school house erected at Milwaukie and it was deemed advisable not to buy this land. The levy for this year will be 5 1/2 mills, voted at the meeting held in the school house on December 12.

New Year's Ball. Linden Circle, Women of Woodcraft, will hold a grand ball in the city hall on New Year's eve, December 31. There will be good music and a special car for Portland at 1:30 A. M. The floor committee is composed of Mrs. Belle Lakin, Miss Nellie Winzenrod, Miss Myrtle Mullan, Miss Della Burns, Miss Ada Lakin and Miss Flossie Warren. The patronesses are Mrs. J. A. Dowling, Mrs. Hicks, Mrs. Gibson, Mrs. Skoog.

Ash Camp Will be Presented With Jews. Ash Camp No. 339, Woodmen of the World, met at the Woodmen hall on Wednesday evening, when seven new members were initiated. The lodge has taken in 25 new members during the year, evening service, 8 o'clock, will probably arrive here soon.

Services at Evangelical Church. The services at the Evangelical church on Sunday will be held at the usual hours, as follows: Morning service, 10:30 o'clock, topic, "Prince of Peace"; evening service, 8 o'clock, "Two Revelations—Two Classes of People." Rev. N. Shupp, pastor. All are invited.

Entertained at Cards. Mr. and Mrs. J. A. Dowling entertained a few of their friends at cards on Monday evening, and a most enjoyable time was had by those who joyously attended. Refreshments were served during the evening. Present were: Dr. and Mrs. J. T. Townley, Mr. and Mrs. J. W. Monroe, Mr. and Mrs. A. L. Kennedy, Mr. and Mrs. Hill, Christmas Exercises at Evangelical Church. The Christmas exercises and tree will be held at the Evangelical church on Tuesday evening. The church will

JENNINGS LODGE.

A very sad accident occurred at the home of Mr. and Mrs. H. C. Tozier on the Willamette, on Monday morning. The child, when in some manner their baby daughter, Roberta, caught fire from the fire-place, while the mother was out of the room. Dr. Moore was hastily summoned to relieve the suffering of the little one, but at 12 o'clock the little one passed away. Mrs. Tozier has the sympathy of the entire community in this sudden and sad bereavement. Roberta Tozier was born December 20th, 1908 and was 11 months and 20 days of age. One more precious jewel has been added to her crown, and one more earthly foot flower has been transplanted to the world above. The funeral was held from Grace Chapel at 1 o'clock Tuesday, and services were conducted by Rev. N. Shupp, and the remains were consigned to mother earth at the Mountain View cemetery at Oregon City.

Reception Given by Rev. and Mrs. N. Shupp.

The reception given by Rev. and Mrs. N. Shupp at the parsonage on Friday evening was attended by about 60 people, and proved to be most enjoyable affair. An impromptu programme was given in the early part of the evening. The High School girls rendered "The Milk Song." Mrs. Painont, of Jennings Lodge, gave a recitation, a vocal duet by Mr. and Mrs. W. R. Thresher, a solo by Mrs. Thresher, and followed by an address by Rev. Shupp, were highly appreciated. Games were indulged in by the young folks. During the evening refreshments were served by the host and hostess. The affair was given as a welcome to all of the people of Milwaukie. The parsonage has just been renovated and enlarged, and the occasion on this evening was in the form of a house-warming.

During Rev. and Mrs. Shupp's residence in this city, they have made many warm friends, who enjoyed their hospitality, and who always find a welcome in their comfortable little home. Since Rev. Shupp has taken charge of his pastorate the membership of his church has enlarged to such an extent that the church will be enlarged in the near future.

Death of Mrs. Elsie Bryant.

Mrs. Elsie Bryant, sister of Mrs. Homer Mullan, Mrs. Fred Bryant, and Mrs. Preston, died at her home in Portland, Friday, December 18. Her funeral services were held the following day, and the interment took place at Turner, where the little child was buried recently. Mrs. Bryant, whose death was sudden, was beloved by all who knew her, and will be missed by her large circle of friends. Mrs. Mullan, Mrs. Bryant, Mrs. Preston and Fred Roberts attended the funeral service, which were largely attended.

Robert Goff Undergoes Operation.

Robert Goff, who received a gunshot wound about two years ago, recently underwent a surgical operation at the Good Samaritan Hospital. Mr. Goff was unwell at the time the accident happened, and a revolver, which was in his pocket, accidentally discharged, the bullet going into the calf of his right leg. A few days ago the limb became swollen, and it was necessary to perform the operation. The patient is getting along nicely, and he will be able to return home soon.

St. Johns and Milwaukie.

Services will be held next Sunday, at 10:30 A. M. and 2:30 P. M. At the morning service the Rev. W. R. Powell, chaplain of the Good Samaritan Hospital, Portland, will preach, and administer Holy Communion; at 2:30 Rev. T. F. Bowen, of Oregon City, will officiate. Appropriate Christmas sermons will be preached at each service. All are cordially invited to attend.

The musical program rendered last Thursday evening at Green's hall was attended by a small but appreciative audience and the affair is reported as a success financially as well as artistically. It was given for the benefit of St. Theresa's Sanatorium at Pine.
