Mrs. Bertha Douglas visited with Mrs. Katie Douglas Sunday.

**DOVER.**  
We are having lots of freezing weather, which does not agree with the moss-back.  
Dover is on the upward climb. The surveyors have been laying out land in five and ten acre tracts to be sold for fruit land. Now please just watch Dover grow.  
A Miller is slowly recovering from typhoid fever.  
The Christmas programme was certainly a success and enjoyed by all. A great amount of credit is due the teacher and children. The church was nicely decorated with evergreens and old Santa Claus, of course, came in due time.  
Augustine Miller has been quite ill for the past two weeks.  
Guy C. Larkins is away spending the holidays at home.  
**DODGE.**  
We are having dry, freezing weather here. The cold weather is hard on stock and feed is scarce.  
L. M. Park was in Oregon City Friday on business, and had a very nice time at the Golf Links, waiting for the Estacada car. The folks had about all they could do to keep from freezing. A lady, her husband and two small children were there suffering with cold. I think as if the travel demands a waiting room.  
The Roley and Horner Lumber Co. is logging today, giving the mill a rest.  
We are sorry to hear of Edgar Horner having to stop work on account of his eyes. We hope he will speedily recover from his affliction.  
Two young men from England came to Oregon lately, a brother of Tom Watson and a nephew.  
E. Lacy got a badly bruised finger while hauling road plank, dropping a plank on his finger.  
The new Dodge road to the Horner and Roley saw mill is nearly completed.  
There is some talk of building a hall in Dodge. We do not wish to see it stop at talk, we would rather see things done than hear them talked about.  
J. F. Dibble has just taken to himself a bride, Miss Pearl Davis, of Walton, Oregon, and will visit with friends at Dodge and Elwood soon.  
There were a few Socialists and Republicans working the new road Monday and they had a violent discussion but luckily no blood was spilled.  
**Feed for Sale.**  
Bran, shorts, rolled feed, oats and barley, flour, etc., at Oregon City Commission Company.  
**Card of Thanks.**

**MRS. JOHN GLEASON**  
and Family.  
**Rodlund Estate Worth \$7,000.**

**Stone Building to be Dwelling.**  
The stone building owned by James Chase on Sixth street near Center, is being remodeled, and will be made into a beautiful and modern home. The house, which will have ten rooms including bath, will be up-to-date throughout. The contract for remodeling was given to B. F. Baker. The residence, when completed, will be occupied by Gilbert L. Hedges and family.

**FOR SALE**—Now ready—Felix Terrier Pups, J. J. Davis, Oregon City, R. F. D. No. 1. Phone Farmers 255.

**HOUSEHOLD**  
Out of the Ginger Jar.  
If you want to borrow trouble, go to a money lender.  
The farm is a sort of a clock which reflects the time of year.  
The corn was simply shocked by the cutting manner of the farmer.  
It is better to be an honest man in one language than a liar in five.  
Truth crushed to earth will rise again, but it isn't that way with an egg.  
The horse has no need of money, for he is never without four quarters.  
If people only said what they thought, there wouldn't be so much talking.  
Don't forget that when it comes to raising things the yeast cake is not a bad second.  
The soap-bubble is a very pretty thing till it bursts, and that is true of all our bubbles.  
One does not need a perfect knowledge of grammar to speak good and true words all the time.  
Tom went West to make his fortune. Did he make a hit? Yes, he is hitting stones with a sledge on a new turnpike.  
Good-by, House-ly;  
Health boards cry  
You must die  
You carry germs  
Upon your feet  
And drop them in  
The things we eat;  
Deposit microbes  
On our plates,  
And scatter them  
On shiny pates.  
Hurtful atoms  
You dispose  
Upon Wopsy  
Popsy's nose.  
Good-by, House-ly;  
There's reason why  
You must die.  
Many a young man has become engaged without knowing exactly how it happened. And yet they tell us that women do not understand diplomacy.  
**The Mother Voices.**  
God gave to men the love of song,  
And voices that in twilight long,  
Lull weary human hearts to rest,  
By daytime's care and toil oppressed.  
He gave to some the wondrous voice  
That bids men weep or men rejoice;  
He took sweet singers from the skies  
And hid them in a mortal guise.  
Ad these He gave in tenderness  
To sing to us, our lives to bless;  
But of all voices, near and far,  
The mother voices sweetest are.  
They sing their simple songs each night,  
O'er all the world where fades the light;  
From mother-bird's song o'er its nest  
To human mother's song of rest.  
No master's skill or singer's art  
Can rival o'er a mother's part;  
For love that is of His on high,  
Sings through a mother's lullaby.  
**Womanly Wisdom.**  
The young wife: "This rabbit (sob) I've been plucking it (sob) all the afternoon and it isn't half done yet."  
Grind up the meat that is left over, stir it up with potatoes and make croquettes for supper. Nice as can be.  
Some girls would be successful in obtaining a husband if they would remove the hatpin before setting their caps.  
Never wash flannels in water in which cotton clothing has been washed, as there is lint always left in the water that "fills" the flannel.  
When making boys' pants, if mothers will put in a large piece of the same material in the knees between the lining and the outside, it will be there ready when needed.  
It isn't safe to buy eye-glasses of peddlers. If your eyes need glasses, go to a reputable oculist or optician in some near-by town or city. Economy is false wisdom when it comes to eye troubles.  
Books, music and good lights may not increase the corn crop, but they wonderfully increase the heart crop; and that is worth a good deal more when it comes to keeping the boys and girls on the farm.  
If your oven does not bake, don't get mad about it. The outside of the store is a nuisance. Just clean out the top and bottom of the stove. You will be surprised at the amount of soot you will get and how much better the stove will bake.  
It is heavy work to carry up a full scuttle of coal, but a grape basket is kept at the head of the cellar stairs, and if each time a trip is made to the cellar it is filled and brought up, the scuttle may be kept supplied. Even the children can help do this.  
A week filled with selfishness and Sabbath stuffed full of religious exercises will make a good Pharisae, but a poor Christian. There are many persons who think Sunday is a sponge with which to wipe out the sins of the week.  
It is natural for children to like candy, and good candy is wholesome for them, taken at the proper time,—which is not between meals. A good plan is to serve it for desert several times a week; a few pieces are enough for each child. Used in this way it is not extravagant, as it saves the making of other desserts.  
There are too many people who are like my new tonkette. You can hit fire under it, and polish it all you please, but it won't sing; all it will do is to grunt a little, and if you take the lid off it will scald the hand. Isn't that a picture of grumpy, surly people, who don't appreciate kindness? Give me the old iron kettle that can sing, and the old jolly people who can sing, also.  
**Trouble Makers Ousted.**  
When a sufferer from stomach trouble takes Dr. King's New Life Pills his mighty aid to his dyspepsia and indigestion. But a more,—he's tickled over his new, fine appetite, strong nerves, healthy vigor, all because stomach, liver and kidneys now work right. 25c at Jones Drug Co.  
**TAKE THE HINT**  
You can get the best that money can buy if you buy of our new stock of canned Table Fruits. They have the delicious, ripe flavor.

## Aurora and Northern Marion

### OLD COLONY PIONEER O'ER GREAT DIVIDE

JACOB SCHWADER, MEMBER OF OLD GERMAN COLONY PASSES AWAY.

Jacob Schwader, who for over half a life-time has made Aurora his home, died Sunday, at his place one mile west of town, at the advanced age of 88 years. In 1865, in company with the others of the old Bethel colony, he first came to Oregon, since which time he and his four brothers and sisters now surviving have made this their home. Mr. Schwader was a man of more than average integrity, respected and loved by his many friends and acquaintances. Never having been married he leaves no family other than his two sisters and two brothers.  
Interment took place at the Aurora cemetery, Tuesday afternoon.  
Time is no respecter of persons and even that staunch and sturdy little band of settlers, who fought so successfully all the hardships and perils of a new land have felt the chill wind one by one until only a few remain to tell of deeds performed in days long since departed. We owe them our deepest gratitude and respect.

**Mrs. Jacob Morris.**  
The body of Mrs. Jake Morris, who died Friday after a long illness, was buried in the Aurora cemetery Sunday, with appropriate ceremony. Mrs. Morris leaves a husband and five children to mourn her departure. The family came to Oregon about four years ago from Missouri and have

### SANTA CLAUS IN AURORA.

Christmas fittingly celebrated by suitable exercises.  
Friday evening the Lutheran church under the supervision of the Rev. Elaham, held very pretty and appropriate exercises celebrating the birth of the Savior. The little folks did themselves credit in rendering a splendid programme for the entertainment of those present. A beautiful tree was set up in one end of the room and hung with decorations and gifts from old "Kris Kringle" to his favorites.  
Sunday evening the Presbyterian Church, assisted by the Christian Endeavor and the Sunday School, held what to the little folks was a veritable carnival of joy. Many handsome presents were distributed to those present and all enjoyed the splendid exercises by the young people. Recitations and songs followed a short, but witty address by the Rev. Vincent, who is an able speaker and has an extremely clear understanding of the many great problems presented by the Bible. Rev. Vincent hails from Gervais and preaches here twice in the month beside at Hubbard and at Yergonville. In the past he has been favored with only a light turn-out in spite of the fact that but few men of his ability have ever favored Aurora by ministering to their spiritual wants.  
It might be well to mention that no instances have yet come to light where "Hellsinkle" has interfered with old "Santa"; this Christmas, although several small boys were in some fear of the old man with his

### Wedding Bells Ring.

Miss Hannah Kraus and Peter Hunt, both well known Aurora young folks, were married last week in Portland and are now in Aurora enjoying their honeymoon. They contemplate locating in Southern Oregon and expect to soon leave for their future home.  
**Masquerade at Hubbard.**  
The grand Masquerade ball held at Hubbard last Saturday night drew quite a few of the young people from this section who were fairly successful in capturing the prizes offered. L. I. Snyder got the gold cuff links for the first prize to the gentleman. He posed as Sunny Jim. Mr. Middaugh, costumed as a tramp, took second prize and Mrs. Mohan, of Woodburn, got the first lady's prize. Canby and Oregon City were represented at the gathering by a number of the boys being present.

### Aurora Locals.

Glenn Hurst was in Canby over Sunday.  
A. H. Giesey was in Portland Monday transacting business.  
The little 17 months' old child of Allie Welch is ill with typhoid fever.  
Dr. Benny Giesey, who is in attendance and the nurse say this is the first instance in their knowledge of a child so young contracting this dread disease. Prospects for its recovery are not great.  
Mrs. Flora Beck, who has been staying in Portland for some time, is now home for the holidays.  
George Miller is preparing to again take over the duties of the depot agent. He will resume work on the first of the year.  
Mrs. Hendricks and her two sons, of Salem, were in Aurora during Xmas.  
Mr. and Mrs. D. B. Snyder, of Portland, were in Aurora last week, celebrating Xmas.  
Mrs. Earley Gribble, of Portland, and Mrs. W. W. Giesey were visitors here last week.  
John Hurst was in Canby this week.  
Prof. Marsh of the Pacific University, was in Aurora during Christmas, also Miss Agnes Marsh is home from school for the holidays. She is attending college at Forest Grove. Prof. Marsh is, it is said, the only man in Oregon now receiving a Carnegie pension as an educator.  
Dr. Martin Giesey and S. Giesey are

### Hints for Stock Owners.

Never feed corn alone to hogs. It is false economy.  
Carelessness in handling pigs is a bad habit to acquire.  
Even on cold days hogs should have plenty of good fresh air.  
The idea that anything is good enough for a pig is a mistaken one.  
Some corn-stalks may be fed to the porkers every day. They are sweet and do the hogs good.  
Some farmers sell their corn shelled and others dispose of it in the ear, but western farmers find it most profitable to sell it in the hog.  
**Women Who Are Envid.**  
Those attractive women who are lovely in face, form and temper are the envy of many, who might be like them. A weak, sickly woman will be nervous and irritable. Constipation or kidney poisons show in pimples, blotches, skin eruptions and a wretched complexion. For all such, Electric Bitters work wonders, purify the blood and give strong nerves, bright eyes, pure breath, smooth velvet skin, lovely complexion. Many charming women owe their health and beauty to them. 50c at Jones Drug Co.
