Library Installed.

A library, which has been needed in this city for some time, has been installed by Mrs. L. T. Batten in her store. Many good books by the best authors, including books for the grownups as well as for children are to be found in this collection. There are about 100 in all. Those taking a book from this library are asked to deposit the price of the book, and after it has been read, it is returned and the amount deposited, except five cents, is returned to the one getting the book, thus making it a very reasonable price for the reader.

Revivals Have Closed.

The revival meetings at the Christian church for several weeks, closed on Sunday night, with an addition of about 30 members to the church. The meetings were largely attended, the stores having closed at 7:30 while they were being held. Many were

Sheriff's office, are in love with your most beautiful calendar, "The Girl and the Horse," and would appreciate your courtesy in sending it to them. We like horses, and love girls, and the combination is too much for us.

Trusting to secure four or five, I am, yours truly,

JOSEPH H. JONES,
Deputy Sheriff.

The calendar Mr. Koehler is distributing to his patrons is entitled "In Old Kentucky," and like others that have been gotten out here, is a handsome reproduction of a celebrated painting by Carl Kahler.

The following are calendars given by other business men: "Devotion," B. C. Davenport, the jeweler, of this city; "At Close of Day," from a painting by Edwin Lamsaure, J. C. Paddock, druggist; "Bunch of Violets," from painting by Emil Vernon, C. W. Damm, the photographer; "Just A Song," of Twilight, a beautiful picture, the colors of which are rich and life like, was gotten out for William H. Locke, one of the commission merchants, and much regret there were not enough of these to go around. F. P. Hanna, one of the confectionery men of this city, is also distributing pretty calendars of two styles, while J. J. Sandness found that his supply of novel calendars, ornamental plates, bearing the calendar and roses, were far too short to cover the demand. The Canby Bank & Trust Co., as usual, is distributing pretty calendars, "In the Shade of the Old Apple Tree."

The Oregon City Enterprise will handle a line of calendars for 1911, some of the finest that have ever been seen on the Pacific coast will be among its samples. A representative from the Enterprise office will visit this city shortly with these samples, and those who have not already ordered, would do well to wait until that time, when they can select from these samples.

Who Wants a Piano? We'll Send One Free!

A Great Warehouse Sale and Advertising Test combined. Four hundred of the finest new pianos to be delivered to so many homes within three weeks. No cash payment required—a most extraordinary undertaking. The greatest distribution of fine pianos ever witnessed.

We're facing a serious problem. Our immense new wholesale establishment and factory at Fifteenth and Pettygrove streets was to have been ready long before now. Incassant rains and unfavorable weather during all November held the building back. The boilers and heating plant which ought to have been here a month ago are still tied up in the freight congestion caused by the recent railroad strikes. Our building will not be ready for occupancy until the middle of February.

Pianos intended for December selling and that could have been used to magnificent advantage then, and which were delayed on account of railroad strikes, now come rolling along. The big wholesale stock intended for our new establishment is here. Our premises, sold by us some time ago, should have been vacated before January 1. We are expected to vacate upon two days' notice. Railroad companies who have been very lenient now insist upon the immediate unloading of all cars.

It is an acute situation, requiring immediate and drastic action. We must and will find homes for these pianos forthwith.

No sane man would undertake to sell them within three weeks at regular retail price. It could not be done. It would be a ridiculous waste of effort and money.

Only the most unprecedented reduction in price will dispose of so large a number of pianos quickly. Prices must be made so low and terms of ownership so attractive, that each and every caller finds it to his or her advantage to take a piano immediately. Hence this offer. We are making inducements that are simply unprecedented. The making of profit is simply out of the question. We are going to make four hundred loyal and enthusiastic friends, however, and we are going to try to secure some definite and valuable statistics, at the same time.

A modern piano business must be well advertised. Not only must it offer the best in musical instrument manufacture upon most advantageous terms of purchase, but it must make itself known. A piano, a good piano of Eilers Piano House, lasts a life time. A new buyer must be found every hour of the day, and particularly in this growing West it is necessary for a business such as high-class piano selling to keep itself constantly before the public.

In disposing of this wholesale stock we see an opportunity to find out definitely as to which method of advertising is most effective, such as the use of newspaper space, circulars, personal letters or weekly or periodical publications.

For this reason we publish an advertising test certificate. It calls for \$30.00. It is good for so much actual cash. It will be accepted by us as the first payment for any piano in this sale. Select your piano now, present your certificate, arrange for payment of balance as best suits your convenience, and the piano is yours. But even this is not all of the inducements we now have to offer. If you choose to make a further payment when you select your piano, we pay a premium of \$1 for every dollar up to the amount of the certificate that you pay us at the time you select your instrument. We publish below the certificate a schedule showing exactly what these certificates will amount to.

Bear in mind that the piano prices are reduced to less than wholesale.

Bear in mind that you need make no cash payment other than an advertising test certificate when you select your piano.

Bear in mind that the balance remaining unpaid can be settled in monthly payments of \$12, \$10, \$8, yes, even \$6.

Several very choice brand new warranted makes of pianos will be sold during this sale for \$1.25 a week. Still others will go at \$1.50 a week, or pay \$5.00 or \$6.00 monthly, if you prefer.

All instruments in this sale are plainly marked at reduced lowest cash cost. Those buying on time will secure the same cash prices, but will pay simple interest on deferred payments. Bear in mind that these pianos are the latest, choicest, brand new, especially selected instruments from the foremost greatest and most trustworthy American piano makers.

Every instrument in this sale is unconditionally warranted in every respect.

In this sale is included even the Chickering (except 1910 models "H," "W" and "V"), and the now famous Kimball and the Hobart M. Cable; Philadelphia's fine piano, the Lester; the magnificent Hallet & Davis; the Smith & Barnes; our own make, the Eilers Orchestral and New York's most costly and most superb art piano, the magnificent Weber, together with dozens of well-known and thoroughly desirable makes.

No more beautiful pianos have ever been received in Portland, no greater assortment has ever been shown at any one time anywhere than we present.

We want the least possible delay and we want thereby to secure 400 additional enthusiastic and loyal friends for Eilers Piano House.

For \$148 you will secure pianos which have never been sold less than \$215 heretofore. \$167, \$172 and \$198 will secure such grades as are never to be obtained elsewhere for less than \$250 and \$300.

Ask particularly to see some magnificent \$400 styles now \$274, and the plainer cases, same make, \$255. \$8 a month buys them, while the less expensive styles go at \$6 and \$5 a month.

Sale prices on the very fanciest of \$450 and \$500 styles are now \$298, \$307 and \$328.

Terms as best suits your convenience. MOST OF THEM NEARLY NEW.

In this sale are included a lot of player pianos that have come to us in part payment for the genuine Pianola pianos. We want these player pianos out of the way for we need the room they occupy. We will sell a number of Knabe Angelus, Apollo pianos, Kingsbury Inside player pianos and others too numerous to mention, at less than one-half of what other dealers ask for these same makes when new.

And bear in mind, we guarantee quality, and we guarantee price. We agree distinctly to refund all money paid if purchase after delivery is not found exactly as represented and in every way satisfactory.

Store open day and night until sale closes. We have no time to lose.

Again we repeat, no cash payment is necessary; cut out the coupon, which will be taken at its face value as the first payment.

Remember, the sale is now in force. If you have no piano, come at once. We have been able in the past to present many a money-saving opportunity to the piano buyer, never heretofore has a combination of circumstances made possible so liberal a proposition as this is, and we are sure such an opportunity will never be presented again. Our experts are at the service of those who wish to order by mail. We make most careful and painstaking selections and we ship instruments subject to examination and trial. All money that may have been paid to be refunded if upon receipt of instrument it is not found in every way satisfactory. Services at M. E. Church.

Owing to the absence of the pastor at Carus, Rev. Cressy, there will be no morning service at the Methodist Episcopal Church, but the regular evening service at 7:30 o'clock will be held, the topic being, "Conscience." All are invited to attend this service.

Officers of Rebekah Lodge Installed.

The officers of Kirk Rebekah Lodge, No. 124, I. O. O. F., were installed last Tuesday evening. There was a large attendance, and a supper was served during the evening. A most enjoyable time was had after the regular business session was held.

The following officers were installed: Noble Grand, Hesse Mack; secretary, Ida Knight; financial secretary, W. H. Lucke; treasurer, Cassie Evans, R. S. N. G.; Grace Patch; L. S. N. G.; Amanda Evans; warden, Laura Bair; conductor, George Hoyt; inside guard, J. Sutherland; outside guard, O. R. Mack.

Returns From California Trip.

Mrs. George Hoyt, who has been visiting with relatives in San Francisco and Los Angeles, Cal., has returned to her home in this city, reporting having had a most enjoyable time. Other cities were visited by Mrs. Hoyt before her return here. Mr. Hoyt says that "baching isn't what it is cracked up to be."

Successful Dancing Party Given.

The dancing party given at the city hall Saturday night by the Canby band was a decided success. There was a large attendance, although the invitation list was limited. The music furnished by an orchestra composed of members of the band, numbering about 15, played the latest dancing selections, and all report having had a most enjoyable time. There were several from Portland, Aurora, Barlow and Macksburg attending. At 12 o'clock a lunch was served at M. P. Sallor's. Dancing was indulged in until 2 o'clock A. M.

The band is arranging for another dance to be given on Saturday night, January 21, and it is probable that parties will be given every two weeks hereafter.

I. O. O. F. Install Officers.

At a regular meeting of the I. O. O. F. on Friday night the following officers were installed for the ensuing term by District Deputy Grand Master H. H. Eccles: J. L. Eckerson, past grand; O. R. Mack, noble grand; Joseph E. Sutherland, vice grand; H. H. Eccles, secretary; W. H. Bair, treasurer; H. A. Dedman, R. S. N. G.; John Zeek, L. S. N. G.; T. B. Hamilton, R. S. V. G.; J. B. Wilson, L. S. V. G.; Ray Vinyard, conductor; W. H. Lucke, inside guardian; A. H. Knight, outside guardian.

The spread that O. R. Mack and J. Lee Eckerson placed before their brothers would make any of the wives envious, and it is probable that hereafter these men will have to assist their wives in the culinary department of their homes, as it has already reached their ears what excellent cooks they are.

Business Men Get Out Handsome Calendars.

The handsome calendars that have been gotten out and distributed by several of the business men of this city are eagerly sought for by not only people of this city, but even in Oregon City and in Portland, have requests come. Andrew Koehler resolved the following letter from Portland a few days ago from the Sheriff's office, which goes to show that it pays to advertise:
