PARKPLACE IS WINNER.

Defeats Hood River in Interesting Debating Contest.

In a debate held Saturday night, in the Parkplace school, between the Parkplace and Hood River high school debaling teams-members of the State High School Debating League-the local team secured the decision by two votes out of three. The question discussed was, "Resolved, that life imprisonment with restricted power pardon, should be substituted for candial punishment in Oregon." Park-place debaters had the affirmative side of the question. The victors in this debate were defeated at Hood River by a different team, representing the apple center, on the evening of February 5, by a two to one deci-sion on the opposite side of the same question. This second debate ties the two schools for honors in the Columbia River district, and another debate will have to be held to settle the tie. The members of the Parkplace team are Olga * Hanson (leader), Fay French and Leland Hendricks; the Hood River team was composed of Hert Jayne (leader.) Herbert Phillips and Earl Spaulding. The judges were Professor Thatcher, of Portland Acad-emy; Principal Van Tine, of the North Central School, and Rev. J. W. Mc-Dougall, pastor of the Mount Tabor
