# **AMENDMENT**

IMPROVEMENT.

Although Light Vote Was Cast, Nearly Everyone Was Interested in the Outcome of the Balloting.

The election on the proposed charso not more than one street could be of the lack of funds.

Sixth, Taylor and Washington streets, but the city not having its part of rebuild his store at once. the money to meet the expense co not order the improvement of these streets, and in trying to decide which

under the Bancroft act, which gives run through from Portland to Tilla-them 10 years. In this way a num-mook Bay. ber of streets may be improved each year. Another feature of the amendment is that an assessment greater than one-half of the value of the lot Under the old plan, before the prop-

ment together with \$25 incidental cost to the city treasurer, and then apply to the council for the rebate. This was unjust; and caused many of the west and other packing plants and was unjust; and caused many of the packing plants and to the council for the rebate. This west and other packing plants and some of the stockmen are running Gasoline. The cattle have to severe weather. The following was the result from the the different wards at yesterday's lish election: Ward No. 1, for, 112; against 69. Ward No. 2, for, 82; against, 36.

Ward No. 3, for 36; against, 34. Throughout Oregon City as much publicity was given the amendments, prior to the election, as possible, by those who were in favor of the chan-ges. The Oregon City Commercial Club, Hill Improvement Club, Oregon City Street Improvement Club, Mountain View Improvement Club and other civic organizations held a number of meetings during the past few weeks, to which the voters were in-vited, and at which the questions to be voted upon were thoroughly discussed by members of the city coun-cil and business and professional men ter's trade in New York and followed As a result of these meetings the voters received a much clearer view Crossing the plains in 1850 he helped

NEWS FROM OREGON CITIES. Portland.-Work on what will be

not in the Pacific Northwest, will be begun March 10, when construction of the new Yeon building will start. The structure will be built at the cor ner of Fifth and Alder streets. Port land, and will be 15 stories in height Like the new skyscrapers now going MONDAY'S ELECTION RESULTS up in Portland, the structure would IN FAVOR OF STREET be a credit to any city of the country. FROM PLOWING BY THE

Falls City.-Fire supposed to be of incendary origin destroyed the general store of Walter L. Tooze and the office building owned by Mrs. E. F. Butler, and for a time endangered the whole town early this morning Toore's loss is \$45,000, with \$30,000 insurance; Mrs. Builer's \$500; J. H. Flower's, \$800, and the damage was done to the Tavern, owned by T. E.

Dwyer, of \$1000. The flames were discovered by Mr. Toose, who lives across the street from the store, about half past twelve. ter amendments held in this city Mon- They started in the rear of the builday resulted in the adoption of the ding among the groceries, where there amendments by a vote of 239 to 139, was no fire in the furnace. Owing Under the old plan the city had to pay one-third of the cost of the street wind was blowing, the sparks were little activity in the produce market Pickled S

improved during the year on account vallable was a small chemical engine ting discouraged as plowing cannot

Tillamook.-Passenger service one should be improved the council 25 miles of completed road at the became involved in a dispute, which resulted in the matter being taken to Tillamook extension will be begun. It the courts, and not a single street was is expected, on April 1. Trains will improved. Under the new charter as adopted giving service to Bay City, Hobson-ne city will not pay the one-third, ville and other intermediate points. and the property owners on the street. Meanwhile work is steadily going on may petition for the improvement of across the Coast mountains and by street and pay for it themselves, next Fall it is expected trains will

ment is that an assessment greater 'Portland.—The new packing plant than one-half of the value of the lot can not be collected, and when an assessment equals to more than one-half on March 14. Because of the magnitude weight. The positive are interested to start operations are the magnitude weight. The positive are of more than one-half of the Swift interests on the Penin ing in the market to supply the local best weathers, \$3.50 to \$5.75, fair to for District No. 9. Ordered that said merchants, the price being 60 to 70 good \$1.50 to \$5.00 best lambs, \$6.50 to \$5.75, fair to for District No. 9. Ordered that said merchants, the price being 60 to 70 good \$1.50 to \$5.00 best lambs, \$6.50 to \$5.75, fair to for District No. 9. Ordered that said merchants, the price being 60 to 70 good \$1.50 to \$5.00 best lambs, \$6.50 to \$5.75, fair to for District No. 9. Ordered that said merchants, the price being 60 to 70 good \$1.50 to \$5.75 to half of the value of the lot the owner tude of the work embraced in the of the lot may pay such assessment equal to one-half of its value, and the balance of such assessment is paid out of the improvement fund.

Swift plans, there has been a delay butter market materially, and the plant is now practically complete, while that of sanch capsains about the plant is now practically complete, while that of sanch capsains about the plant is now practically complete. The opening of the plant means that erty owner could get relief from the excess above half the value of the lot he had to pay the entire assess. Some at the cause of the start with the probability that the lot he had to pay the entire assess.

> Bend.-F. W. Graham, of the traf-fic department of the Great Northern Railroad, is in Bend in the course of an extensive trip of examination through Central Oregon. He will look into the traffic possibilities of the new Hill territory and examine general tonnage conditions.
