## NEWS OF THE COUNTY

### MACKSBURG.

Edward Burgess, of Portland, spent Sunday at Gibson's.  
The basketball team practices every Wednesday and Saturday night. About forty turned out last Saturday, including players and rosters, and six full teams took turns practicing. There is a wealth of good material. Mr. McAnulty, Herman Welcher and F. W. Barth were the bright, particular stars of the evening. Gus Grim also played a fine game, while Groves, Harms and Raleigh Bowers seem to be particularly promising. There are at least twenty other boys who, with coaching will make good players. Dud Harms showed remarkable accuracy in throwing baskets, and Walt Lamour, although not a showy player, has a remarkable head for team work. Chet Smith played a splendid game but was hurt in a scrimmage and will be out of the game for several days.  
Mr. McAnulty and Edmond Gibson rode over to Barlow Saturday to visit Joe Gibson, who is still working for Phil Tucker.  
Eml Kraxberger is hauling spuds to town.  
Miss Lena Kummer is staying with Rev. William Kraxberger and wife in Oregon City.

The amount made from the sale of baskets and candy was \$92.20. Following is the programme:

The Marquam school is to have a basket social in the near future for the benefit of building walks from the schoolhouse, which have been needed for a long time. ### TERRIBLE CROUP.

My little boy, who is four years old, has suffered a lot with croup. On several occasions we thought he was gone.  
After trying all the old time remedies and most of the new, I came home one night at midnight, and my wife said, "The boy has the croup again—suppose you get a bottle of Hymel." "More junk," I said, "but we will circulate our money so they will get some."  
I hastened to an all night drug store, brought it home. In five minutes he was breathing easier. In fifteen minutes he was sound asleep. It broke the croup so quickly it scared me.  
Anyone wishing to cure the croup of a child I hope will give Hymel a trial.  
Wishing you the best of success, which you surely deserve, I remain, Jos. E. Clark, 204 6th St. S. E., Washington, D. C., Oct. 7, 1909.

### PEOPLE OF OREGON

The railroads have done their part; now it's up to you. The colonist rate is the greatest of all home-builders. In five minutes you can let Eastern people know about it, and encourage them to come here, where land is cheap and home-building easy and attractive.
