The great danger of kidney troubles is that they set a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills, which has cured people right here in Oregon City.

E. W. Middleer, 714 Main street, Oregon City, Ore., says: "The public statement I gave in 1906 in praise of Doan's Kidney Pills still holds good. Kidney and bladder trouble caused me much suffering and as time passed my condition became worse. I finally consulted a physician, but his treatment did not bring the desired relief. The kidney secretions were painful and distressing in passage and caused me much annoyance. Seeing Doan's Kidney Pills advertised, I got a box at Huntley Bros. Drug Co. and it was simply astonishing the way they took effect on my trouble. By the time I had finished the contents of one box, every symptom of kidney complaint had disappeared and my kidneys no longer annoyed me."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name--Doan's--and take no other.
