

SCHOOL NOTES

The students are practicing busily for the "Old Exhibition." An excellent entertainment is assured.

No work was done on the grounds this week, for Supr. Toose was not able to get a man and team to do the work.

There was a baseball game at Gladstone Friday, played between the Oregon City High School team and the Gladstone team.

The High school students were favored by an address from Miss Laura Beattie Wednesday morning, on the University of Oregon.

Some excellent pictures and books have been presented to the Oregon City schools lately. Senator Hodges has given portraits of Lincoln, Jefferson, Washington, Cleveland, Roosevelt and a lithograph of the Declaration of Independence.

The 8th Grade at the Barclay school organized recently, electing as class officers: President, Charles Beattie; vice-president, Norma Holman; secretary, Joseph Hodges.

A class pin was chosen and blue and gold were selected for class colors.

Last Friday afternoon the 7th and 8th grades at the Barclay school debated the question, "Resolved, That the Pen is Mightier Than the Sword."

Visitors at the Barclay building on Friday last were: Roy Blackwell, Rev. Landsborough, Messrs. Sawyer and Story, and Mrs. E. D. Story, and Mesdames Charles and G. W. Miller; also David Robeson, an ex-soldier, and uncle of Mrs. Story, who is now visiting in Oregon City.

By Louise Huntley, 9th Grade. The delineation of Nell's grandfather in "Old Curiosity Shop" is a very good example of Dickens' wonderful power of character-portrayal.

When his beloved daughter died she left the little child in the care of the grandfather and his love for Nell was so great that all he lived, prayed and worked for was to make her happy.

We are having some more of that beautiful weather which was promised us.

Word has been received that Mrs. Exon's sister in Oregon City has died from an attack of typhoid fever.

Then into their quiet, peaceful life came the wild lust for gambling and the grandfather went strongly into it in hope of increasing his small sum.

He was so devoted to her during all their wanderings, so willing to do as she wished, yet so blind to all her sufferings that he never saw how tired and worn she grew, and went blindly on allowing her to make him feel that she was happy, which was all that he desired.

For better, ringworm, eczema, running sores and all skin diseases Dr. Bell's Antiseptic Salve is guaranteed to give satisfaction or you get your money back. 25c everywhere.

Nasal Catarrh quickly yields to treatment by the agreeable, aromatic Ely's Cream Balm. It is received through the nostrils and cleanses and heals the whole surface over which it diffuses itself.

To accommodate those who are partial to the use of atomizers in applying liquids into the nasal passages for catarrhal troubles, the proprietors prepare Cream Balm in liquid form, which will be known as Ely's Liquid Cream Balm. Price including the spraying tube is 75 cents. Druggists or by mail. The liquid form embodies the medicinal properties of the solid preparation.

COLONIST RATES

TO OREGON and the Great Northwest

The management of the Southern Pacific Co. (Lines in Oregon) takes great pleasure in announcing that the low rates from Eastern cities, which have done so much in past seasons to stimulate travel to and settlement in Oregon, will prevail again this Spring DAILY from March 1 to April 15, inclusive.

PEOPLE OF OREGON

The railroads have done their part; now it's up to you. The colonist rate is the greatest of all home-builders. Do all you can to let Eastern people know about it, and encourage them to come here, where land is cheap and home-building easy and attractive.

FARES CAN BE PREPAID at home is desired. Any agent of the road named is authorized to receive the required deposit and telegraph ticket to any point in the East.

Remember The Rates—From Chicago, \$35; from St. Louis, \$22; from Omaha and Kansas City, \$25. This reduction is proportionate from all other cities.
