AMATEURS REGISTER SUCCESS.

Gladstone Players Make Great Hit At Mountain View. The Young Ladies Single Blindness Debating Society, that was recently given at the Gladstone Christian church by the ladies of that place, and which proved to be such a successful affair, was given Wednesday night at the Grand hall at Mountain View for the benefit of the Mountain View Booster Club, which was recently organized. Those taking part in the entertainment made a great hit with the large and enthusiastic audience. The rosy complexion and the attractive costumes would make any young lady envious. Mrs. A. F. Parker, who favored the audience with a melody, fairly brought down the house, and was forced to respond to a hearty encore. Mrs. E. T. Gault, who was president of the society, could not be excused in the part she took. Among the others who deserve the special mention are, Mrs. L. A. Reed, Mrs. Frank Oswald, Mrs. Hendricks, Mrs. F. Schmitt, Mrs. Tim McDetche, and A. F. Parker, the latter who took the part of Professor Makeover. The machine was his own invention, and it is probable that he will soon be applying for a patent and there will be an immense sale of it.

GET FAIR PREMIUM LIST OUT.

Secretary Lazelle Instructed to Get Book to Printers Early. The executive board of the Clackamas County Fair Association held a meeting Friday, and the secretary, Marshall Lazelle, was instructed to proceed at once in getting the premium list. This will be in the hands of the printer at an early date, so that those who are contemplating exhibiting at the fair will be prepared to have their exhibits in readiness. As many of the exhibitors of last year were not given their premiums on account of lack of funds, it was decided to pay these off. It is planned to make the coming fair the most successful ever held in the county. Last year many more exhibits were in the building than the year previous, and the horse races were among the chief attractions and drew large crowds. It is stated that many of the race horses that wintered at the fair grounds this year will be on the track at the fair. The race track has recently been improved, and as soon as the weather settles the work will be pushed along and other improvements made on the grounds. The superintendent of the different departments were chosen, and are the following: Poultry—Fred C. Daugherty, Molalla. Dairy—M. S. Shrock, Hubbard. Pavilion—O. E. Praying, Oregon City. Horticultural—A. J. Lewis, Oregon City. Ladies' Textile—Mrs. J. L. Waldron, Oregon City. Domestic—Mrs. Charles N. Wait, Canby. Those who have been chosen to take charge of the departments assigned them, have had experience in this line, and it is an assured fact that they will be the best of care and attention given them.

Bert Tillotson, a contractor from Portland, was married in Oregon City Sunday afternoon to Miss Sadie May Pringle. Rev. B. A. Hayward, pastor of the First Baptist church, performed the ceremony. The Deutscher Verein last Sunday held its monthly meeting in Knapp's Hall. The afternoon and evening were pleasantly passed with an entertaining programme and refreshments were served. One of the largest crowds ever attending a dancing party in this city was that of Saturday night given by August Rake at the Armory. The hall was filled to its capacity, and the excellent music furnished by the Farmer's folk orchestra, was enjoyed by the dancers. Many out-of-town people were in attendance, having come from all parts of the county to attend Booster Day exercises and remained over for the ball.

LACK LOCAL PATRIOTISM.

Secretary Sawyer Advises People to Buy in Home Markets. Oregon City, Or., April 12.—(Editor of The Enterprise.)—As one who is sincerely devoted in doing all that can be advanced in the best interests of Oregon City and of Clackamas County, you will pardon me for intruding upon your space a little. I presume many of the good people in this county have at one time or another been attracted by the alluring advertisements of various Eastern mail order houses, and have sent their hard-earned money away to enrich these people. This is probably particularly true of our rural population. Now my sincere judgment is this: That every one should endeavor to patronize our own merchants so far as possible. That's the way to build up your country. Your merchants have equally as good merchandise, and if you are not satisfied with your purchase, they stand ready to "make good." Patronize your home people and your home newspapers. Your local merchants show their loyalty by generous advertising. Those who send their money out of the state are certainly lacking in local patriotism. Some time they will get badly "stung" and will have no redress. Buy in your home market. What if an article costs a trifle more? In the long run the average will come out right anyway. Haul in your products to Oregon City and there sell them. If you need anything, buy it at home, and thereby will be doing your little part towards the upbuilding of this city and county. Trusting that this may meet with general approval, I am, Frankly yours, CHAS. E. SAWYER, Sec. Pub. Dept., Oregon City Commercial Club.

PAINT STREET CARS RED.

Oregon City and Portland Cars to Assume Warm Color. All the Portland streetcars are to be painted red this summer. The reason for this is that it has been found that yellow paint does not wear well on streetcars in this climate. It is the desire of the company to have the cars look as neat as possible and a good coating of red paint protects them. The bodies of the cars are to be painted red, and the tops a cream color, and in general appearance they will be like the original Portland Heights cars. This work of repainting all the cars will make necessary the operation of all available open cars during the warm weather. Orders have been issued for work to start immediately on the double-tracking of the Oregon City line from Spokane avenue to the Sellwood golf links. This stretch of nearly a half mile of single track is on a curve, and the frequent delays now caused to the Oregon City and Cazadero cars at passing points will soon be obviated.

FINE ENTERTAINMENT GIVEN.

Benefit for Free Library Very Successful and Profitable. Successful in every particular was the benefit entertainment for the Oregon City Free Library Association at the Shively Theatre Friday evening. The house was well filled when the curtain went up and the interest was intense until the end and the big audience manifested its utmost appreciation by frequent applause and more frequent laughter. The "Harvest Dance" was a big hit, and some of the costumes were ludicrous. E. Kenneth Stanton, O. Fred, E. T. Fields, B. T. McBain, J. E. Hodges, Lloyd Riches, T. J. Gary and O. D. Eby were the criminals in the affair and they brought down the house. "The Rough Diamond," a playlet, was very creditable and the cast was good and perfect. Mrs. T. W. Clark, Miss Louise Brace, A. O. Froel, O. D. Eby, T. J. Gary and A. A. Price being at their best. The Yarns San dance was unusual and the little people were warmly applauded.

FLOATER AT MILWAUKIE.

Body of Unknown Man Taken From Willamette River. The body of an unknown man was found yesterday morning in the Willamette River near Milwaukie in an eddy, and was brought to Oregon City and is now at the morgue. Coroner Holman made an examination of the body, but found little that would lead to its identity. The man was middle aged, with short hair, streaked with gray and had a short, reddish mustache. He wore a suit of dark clothing and had shoes and rubbers on. In his pockets were a cheap watch, a pipe and some tobacco. He is of medium height and evidently been in the water about three weeks.

WANT STATION AT BRIDGE.

Residents of Gladstone File Suit With Railroad Commission. C. W. Parrish, J. T. Tutts and about 40 other residents of Gladstone have filed a suit, through Attorney George C. Brownell, with the Oregon State Railroad Commission, to compel the Portland Railway Light & Power Company to establish a station at Clackamas Bridge, a short distance from Gladstone station. The company formerly made Clackamas Bridge a stopping place but in order to save time during the last few years has stopped its cars at Gladstone station.

CROSS WILL NOT SERVE.

Chautauqua Directors Will Have to Elect New President. Harvey E. Cross, for many years secretary of the Willamette Valley Chautauqua Assembly, has declined to accept the presidency of that organization, to which he was elected a few days ago, on account of a pressure of business and the fact that he is going to take an Eastern trip. Mr. Cross was elected to succeed Charles R. Moores, of Portland, who was chosen some months ago.

Died at the family home three miles southeast of Needy, on April 5, in the fifty-seventh year of his age, being born in Norway on October 19, 1853; was married in 1877 and came with his wife and child to America in 1880, settling in North Dakota, where he lived until three years ago when he came to Oregon with his family and settled on a part of the Mitch Owens D. L. C. better known as the Joe Johnson farm. Mr. Fosmark was afflicted with asthma for a number of years and came to this valley for the benefit of his health, which at first seemed greatly improved, but like so many afflicted with that malady the benefits were not lasting and he gradually sank until the end.

SCHOOL NOTES

Homer Davenport visited the Oregon City schools on Wednesday of last week. He made short talks, illustrating them with drawings, in several of the rooms. He addressed the High School students for twenty minutes in Assembly. Here he told of the small country school which he attended near Silverton, and then later touched briefly on his recent Arabian trip. In conclusion he drew cartoons of Senator Platt and other political lights. The entertainment given for the benefit of the student athletic fund proved to be successful from an entertaining standpoint and also from a financial one. As all the receipts from tickets are not in it is impossible to state just what amount was netted. Several students of the High School are absent on account of scarlet fever in their homes. Waldo Canfield leaves soon for North Dakota, where he expects to join a surveying crew in railroad construction work. A meeting of the Clackamas County School League Committee was held Saturday afternoon for the arrangement of the coming field meet at Gladstone, May 21. Harry Hargreaves represented the Eastham School. The grading of the ball ground and tennis court has been completed and will soon be in excellent condition for use. NEBRASKAN LIKES OREGON. "Dear Friends, one and all—I arrived here safe and sound last Thursday and as I promised to write a good many letters I take this means of reaching them all. "As I came through this part of the country, some were plowing, some were making garden. Everything looks fine and we are enjoying beautiful weather. Cannot say much about the country as I am too much of a 'new-comer.' One thing, this country is far ahead of Nebraska in regard to raising all sorts of grain and garden truck. "I've been in a little home one mile from Oregon City and about a mile from Portland on an electric car line. Have moved my goods there. Just heard that they are going to build an electric car line in front of my door. They are also erecting a car plant just a short way from my place. I also have a splendid view of Mount Hood, Adams and other mountains as well as the river on which are many beautiful ships. "Referring to Mr. Kleinsorge, of the Ruff-Kleinsorge Land Co. of Portland, Mr. Holschu says further: "Mr. Kleinsorge has been in this country for four years and knows every foot of Oregon and he would be only too glad to give any information concerning this country. "My new address is Park Place, Clackamas County, Ore. With kind regards to all my friends, I remain, Sincerely yours, W. HOLSCHU. Sues Carl Cauffield For Divorce. FEATHERS-SODERBERG NUPTIALS.

On Saturday, March 26th, at noon, occurred the marriage of Miss Alma J. Soderberg and J. Harry Feathers, both of Clackamas, at the home of the bride's father, Swan Soderberg. The Reverend H. E. Sandstedt, of Portland, officiated at the nuptial ceremony. The bride was attended by Miss Emma Erickson, of Los Angeles, California, a former school mate and friend when they were in the East, and Arnold Soderberg, a brother of the bride; served the groom in the capacity of best man. The house was most tastefully decorated throughout, carnations and daffodils prevailing in the decorative scheme. The bridal couple knelt at an altar adorned with ferns as the beautiful old ring ceremony was read by the Rev. Sandstedt. The bride was charmingly attired in a white net gown over silk and the gown of the bridesmaid was of white net over blue silk. Immediately following the ceremony a course dinner was served. Only the immediate relatives of the bride and groom were present. The gifts were numerous and beautiful. Mr. and Mrs. Feathers will reside at the home of the groom's father, which has lately been redecorated and refitted in anticipation of the happy event. Local Guardsmen Rank High. The report of Captain King, of the United States Army, made the inspection of Company G, Third Regiment, Oregon National Guard, a few weeks ago, the Oregon City company ranks third in the Third Regiment and fourth in the entire state in point of both efficiency and attendance. This is flattering to the guardsmen and spurs them to more effort to keep up the standard of the company.
