## SOCIETY

One of the prettiest home weddings that have taken place at Willamette was held at the home of Mrs. B. F. Baker Sunday, May 15, when her daughter, Laura E. Baker, was married to Mr. Clem Dollar. The marriage took place at eight o'clock, the ceremony being performed by Rev. S. A. Hayworth.

To the strains of Lohengrin's wedding march, the bride on the arm of the groom, preceded by the minister and flower girl, niece of the groom, Florence Fromong, and bride's maid, Gladys Baker, and best man, W. J. Smith, of Oregon City, entered the parlors along a road of roses and took their place under a bower of green and white.

Mrs. Belle Koellmeier presided at the organ. Immediately after the ceremony Florence Fromong handed the bride's bouquet to the bride, who threw it, and was caught by Adam Mass.

A dainty luncheon was served and the guests departed at a late hour, wishing the happy couple a long and happy life.

Miss Adah Mass presided over the cut glass punch bowl (gift of the groom to the bride) and served with a solid silver dipper which came from Germany over a hundred years ago.

The decorations of the Baker household were very lovely. The parlors were in white and green, the road of roses was of cream roses, and the reception hall and dining room in pink and green. The guests were received by the bride's mother, assisted by her daughters, Mrs. E. S. Kruse and Mrs. Koellmeier.

The bride wore a beautiful dress of white silk organdie and carried an arm bouquet of white carnations. The bride's maid, sister of the bride, wore a cream silk and carried pink LaFrance roses. The groom and best man wore black.

Many handsome gifts of silver, cut glass, furniture and linen were received by the bride and groom.

There were about forty guests present.

## A KANSAS TOWN.

Owned by Farmers Who Are Working Together For Mutual Interest.

The town of Upland, in Dickinson county, Kan., affords an interesting example of co-operative work. Three mutual companies in flourishing condition have their headquarters in Upland, which is not a large place. They are an insurance organization, a telephone company and a mercantile corporation. At a meeting of farmers twenty-five years ago it was agreed that whenever a fire occurred an assessment should be levied to make good the damage. The company then organized has now 3,500 members. When it was started it was decided that \$2 a day was enough to pay any officer, and that amount has never been raised. This is paid only when the officer works.

These farmers built a creamery. Later it was concluded that it would be a good idea to bring farm produce along with the milk to run a store. A co-operative organization with a capital of \$25,000 was formed, and the store has been so profitable that the stock is quoted at \$150 for a hundred dollar share. It is called the Golden Rule company, and it owns a grain elevator. The telephone company serves over 4,000 persons, most of them farmers. It is purely mutual, with no capital stock. No fixed rental is charged, each owner of a telephone paying a proportionate share of the expense of operation and maintenance. Each farmer must buy outright a long distance telephone. The first year's expense is about \$35, which includes instrument, connection and dues. After that the cost is about \$5 a year.

What has been accomplished by these Kansas farmers illustrates what might be done in other localities in the way of cutting out the usual middlemen's profit and keeping down expenses for the consumer. It would stop part of the cry about high prices.

Echoes from Des Moines indicate that the question of representation isn't settled satisfactorily to all yet, says the National Stockman.

Answering a question, a master can hold that office until his successor is installed.

Strawberries Are in Market.

Strawberries have made their appearance in local markets. On Tuesday they were retailing at 12 1/2c per pound. By the latter part of the week the market will see them lower than this. Some of the growers here claim that they are short, while others say that the crop will be good. F. Hampton, Charles Roth, R. S. Coe are picking their berries already. They have a delicious flavor and will find a good demand.

A new real estate firm will be formed in this city, Howard Eccles, a well known trader of the county, and Roy Lee, brother of M. J. Lee, of this city. Mr. Eccles is at present teaching at the White school, which closes the latter part of next week.

Death of Little Ethel Noe.

Ethel Noe, only child of Gilbert Noe, died at the home of her grandmother, Mrs. Noe, at Woodburn Thursday morning, after a brief illness. Little Ethel was a general favorite of all, and her death is keenly felt by relatives and friends. She was recovering from an attack of whooping cough when pneumonia and scarlet fever seized her. Everything was done to save her life, but without avail. The funeral services were conducted on Friday, and the remains were laid beside those of her mother, in Zion cemetery, this city. Mrs. Noe passed away about one year ago. The little casket was completely covered with beautiful flowers, a token of love in which she was held. Ethel was a niece of Prof. J. F. Mitts and Mrs. Warren Lee, of this city.

Race Meet to Be Given.

Sim Lindsey, who is in charge of the race meet that will take place on the race track of the Clackamas County Fair Association grounds on June 4, is working on the track getting it in order. This will be one of the events of the season, which will bring many of the horsemen of the state to one of the best half mile race tracks in the state, and will prove to be an inducement for horsemen to bring their horses to winter at the race track next fall. There will be plenty of music by a band, and it is probable that a big crowd will be in attendance. Some of the best horses in the state will enter the races, for which purses will be offered. Mr. Lindsey is in communication with horsemen of McMinnville, Salem, and Portland, who are contemplating race horses. Mr. Lindsey, who is one of the leading horsemen of the state, will spare no pains to make the coming race meet a big success. The people of Canby as well as in the southern part of the county are very enthusiastic over the coming races.

Five Hundred Club Entertained.

The Five Hundred Club was delightfully entertained on Wednesday evening of last week by Mr. and Mrs. Ed Bratt at their home in this city. The evening was devoted to Five Hundred, and after many rounds of this delightful pastime had been spent, the members of the club, a delicious luncheon was served. The prizes were awarded to Mr. and Mrs. W. H. Blair, Mrs. Adam Knight and Roy Lee, Mr. and Mrs. J. Lee Eckerson entertained the club this week, and on next Wednesday evening, which will be the last meeting of the club, Mrs. Cassie Evans will entertain.

Those attending the meeting at the home of Mr. and Mrs. Bratt were Mr. and Mrs. Adam Knight, Mr. and Mrs. M. J. Lee, Mr. and Mrs. J. Lee Eckerson, Mr. and Mrs. Charles Bates, Mr. and Mrs. W. H. Blair, Mrs. Cassie Evans, Howard Eccles, Roy Lee, Dr. H. A. Dedman.

Baseball Game Sunday.

Owing to the prevalence of the scarlet fever in Aurora, the baseball game scheduled her last Sunday was

called off, and many who had contemplated attending the game were disappointed. A good game is scheduled for Sunday afternoon, May 22, when the team from Monitor will meet the local team on the diamond at the fair grounds at 2:30 o'clock. The Canby band will furnish the music during the game, which will be one of the big drawing cards, and will help to enliven things. Mayor Dedman will throw the first ball over the diamond, and M. J. Lee will try to catch it. Mayor Dedman has been seen practicing during his spare moments, and Mr. Lee is commencing to get cold feet, fearing that he will not be able to do his part justice, and is commencing to "get busy." These two men, who have been duly honored by the baseball teams, are well known, and have in their day been enthusiastic baseball tossers, and it is probable that they will be called on during the game to help out.

Some of the best amateur players in the county will be on the diamond on Sunday, and it is likely that the first game of the season in Canby will be a "warm one." The suits worn by the Canby boys will be of a maroon color, with the lettering "Canby Canby." The socks will be of the same color with white stripes, and maroon caps, making very attractive baseball suits.

Many Children Are Out of School.

There are at present many of the Canby children out of school, owing to the scarlet fever scare, but so far there is not a case in town, and every precaution has been made by the authorities to keep the disease from entering the city. There are a few cases at Aurora, one of which has proved fatal, the death of Postmaster Henry Snyder. Mr. Snyder's

death cast a gloom over this city, as he was widely known over the county. The people of Canby deeply sympathize with his family in their sad bereavement.
