CROPS IN EXCELLENT CONDITION LOCALLY

MANY VARIETIES OF VEGET-ABLES ARE IN MARKETS, WITH GOOD DEMAND.

The crops throughout the county are in excellent condition, and in many sections the outlook points to a bumper crop. Many of the farmers have commenced to cut their hay, which will also be a good yield.

Many varieties of vegetables are in the markets, and there is a steady demand for them:

Offers of 11 and 12 cents were made for several lots of hops in this state yesterday and were refused, Crop reports from the country were in the main favorable.

A cable received from Belgium said lice were increasing in that country and the weather was unfavorable, while elsewhere on the Continent conditions were good. A London cable said that the English crop was looking good, but there was a little ver-

New York crop conditions are reported by the Waterville Times, of June 24, as follows:

W. Harnden Announced His Im-

Screness of the muscles, whether

nduced by violent exercise or injury.

s quickly relieved by the free applica-

proved Highway Policy. "If there is one thing I am unqualifiedly for," W. W. Harnden, a new ly, "it is good roads and plenty of them. I believe it is the most important function of the county court to provide them. It is being realized over all this country and with the advent of the motorcars more than ever -that good roads are the most important asset of any community.

"So far as I am concerned I shall do all in my power to see to it that the rock road system of Jackson county is the winners; a model both in the quantity and the quality of its roads. And I believe Sleight, first, hatpin: Georgia Mason. that these roads should be built pri- second, fan, marily with a view to the convenience and profit of Kausas City, which sup-

plies most of the funds. "It is my idea that we should first see to it that the reads are kept in first class repair and then build more roads. One thing I hope to accomplish. with the co-operation of Judge Patter son, is greater facility in the annual olling of the roads. It is my idea that don, first, hairbrush. enough men should be put on the job to finish the oiling of the roads, say. In a month, so that they would be clean and free from dust during the season when those who drive can enjoy them."

Good Highways Uplifting.
There is nothing that contributes more to rural uplift than good roads. For social and economic improvement communication must be easy. Without good roads it is impossible for the people of rural communities to meet and discuss ways and means of im- ge proving rural society
