

Pianos—Good Ones!

\$5. Down \$1. Weekly

'Tis Surely Piano-Buying Time

Join One of the Five Big Eilers Clubs Today

When splendid, strictly brand-new, fully warranted Pianos are obtainable at the remarkably easy terms of only \$1.00 weekly, and the very finest of highest grade Uprights, Baby Grands and Player Pianos—Kimballs, Hallet & Davis, Deckers, Piano-Autos, and even the glorious Chickering—are obtainable for only \$2.50 weekly, isn't it surely time to seriously think of securing a piano? It's an opportunity unequalled, unheard of, and unprecedented in the history of piano-selling.

The low prices and easy terms are made possible by the collective or co-operative Club plan of selling. You join with others in wholesale buying. There's no dues, no red tape and no waiting. You don't even know the other Club members. You simply join whichever Club suits your convenience, make the initial Club payment of \$5 or more, and Piano will be delivered at once.

Club Plan Makes Big Savings Possible

We state without fear of contradiction that prices and terms have never been so low anywhere—East, West, North or South—as obtain by joining one of the five big Eilers Piano Clubs. These are bold statements, but easily proven by a little investigation. Our reputation is back of every claim and statement in this announcement. Please bear in mind, too, that our reputation is too dear to us to make any misstatements for the sake of selling a few pianos.

But don't take our word on mere say-so. Ask your friends and neighbors, who have investigated and already joined one of the Eilers money-saving, co-operative piano clubs. Already nearly three hundred memberships have been taken out. This, in itself, proves conclusively that the Eilers Clubs are a success—a tremendous success.

Summed up in a few words, the Club Plan means you buy as a dealer buys. You join with several hundred other piano buyers and practically make one big purchase—in other words, it's the wholesale principle applied to the retail department. Ask any business man if it's cheaper to buy singly or in large quantities—simple, isn't it?

Remember, too, your purchase is protected in every way. We guarantee quality and we guarantee price. Pianos must prove exactly as represented, or money back.

Club "A" members secure a \$350 Piano for \$237, upon payments of \$5 down and \$1 weekly.

Club "B" members secure \$450 Pianos for \$297.50—pay \$7.50 down and \$1.25 weekly.

Club "C" members pay \$11 upon joining and \$1.50 weekly, and secure a \$550 Piano for \$359.

Club "D" members obtain any \$650 Piano for \$467.50. Club terms are \$15.50 down and \$2 weekly.

A Player-Piano and Baby Grand Club

Club "E" members secure an \$850, latest style, 88-note Player-Piano, with private library and cabinet to match, or they can choose a magnificent Baby Grand Piano for \$585, upon the unheard-of terms of \$21 down and \$2.50 weekly.

You owe it to yourself and family to investigate the Eilers Piano Clubs at once—today. Never again will pianos of such grade and character come as close to you as this. Just think of it, virtually 10 cents a day will bring the most cherished of all worldly possessions into your home immediately.

Any Woman Can Have Beautiful Hair.

Many women do not realize the attractions they possess because they do not give proper attention to the hair.

The women of Paris are famed for their beauty, not because their facial features are superior to those of other women, but because they know how to keep young by supplying vigor, luster and strength to the hair.

Three years ago Parisian Sage could hardly be obtained in America, but now this delightful hair tonic and dressing can be had in every town in America. Huntley Bros. sell it for 50 cents a large bottle, and they guarantee it to grow beautiful, luxuriant hair; to turn dull, lifeless hair into lustrous hair; to stop falling hair; to stop itching of the scalp.
