NEWS OF THE COUNTY

COLTON. The glorious Fourth has once more taken its flight. The celebration at Colton was attended by a large crowd from everywhere and a good time was enjoyed by every body. A good program was rendered. Rev. Reinhardt of Portland, was out and gave us a fine sermon. Fine singing and speaking and all kinds of amusements were enjoyed. Hip, hip, hooray, for Willie, the clown. Mr. and Mrs. John Evans of Mulino, were visiting with their daughters, Mrs. I. O. Dix and Mrs. C. Mallet, at Colton a few days last week. Mr. John Phillips and family and Mr. W. E. Bonney and family left for a few weeks' outing at the coast, last Friday. Mrs. John Lamm, who had been visiting her folks at Colton, left for her home at Scappoose last week. P. Fritz is helping U. S. Dix in haying. Miss Frodeborg Halt and Miss Esther Dahlstrom, who were out to spend the Fourth, left again for Oregon City, where they are attending the Summer Normal, last Monday. Joe Carlson and Lew Hubbard transacted business in town last week. Chester Trout was out visiting at Chester Gorbett's last week. Dolph Freeman of Elwood, is helping E. Lindstrom haul hay. Mr. Engstrom is giving the roof of his new house a coat of paint. John Arnett and family moved to Elwood last week, where he intends to work at Bittner's mill. Work at the mansion is rather slow now, but "look out" after a while. Alfred Wall and Earnest Clinton of Portland, were out at Colton to spend the Fourth. Any body in need of dry goods, groceries, hardware, tinware, dishes etc., just call on Mr. Danielson, at Colton merchant, and you will find a good supply of everything. Mr. and Mrs. Homer Row of Portland, are visiting at the latter's parents, Mr. and Mrs. Freeman, at Elwood.

his cabbages last year he has put out an increased amount this season and has nice plants for sale at 5c per hundred. A young man who owns a new place next to the old Larsen place, now owned by Mr. Thomas, is an expert bee man, and has transferred a number of old colonies to new hives. He and Harry Elgesen transferred an old hive for Mrs. Gage last week one evening. They work without veil or gloves, using a smoker. His price we believe is a dollar for each hive, which is a cheap price for his "know how," and one gets it back in a very short time. Chronic Sore Eyes. Are easily cured with Sutherland's Eagle Eye Salve. It is painless and harmless and guaranteed. 25c a box. Sold everywhere. CLARKS. Alex Scherruble is helping Mr. Bottemiller haul hay. Sam Elmer was hauling hay last week. Mr. B. Sullivan was in town last week. Ben Marshall helped Mrs. E. Klien-smith make hay. An Assembly meeting took place in Highland last Saturday. Willie Marshall is hauling hay up to his other place. Mr. McFee went through Clarks with an automobile last week. Willie Miller, Jr., is out in Clarks. Mr. Haug was on the sick list. Teething children have more or less diarrhoea, which can be controlled by giving Chamberlain's Colic, Cholera and Diarrhoea Remedy. All that is necessary is to give the prescribed dose after each operation of the bowels more than natural and then castor oil to cleanse the system. It is safe and sure. Sold by all dealers. REDLAND. All had a good time at the Fourth of July picnic. A good program and a good ball game, Redland vs. Springfield, 14 to 15, in favor of Springfield. Mr. Stone's team took fright at a passing auto and ran away and did some damage to the back which they were hitched to. A good many of the farmers are moving to the Chautauqua grounds today, and others will visit probably quite soon. Mr. and Mrs. Hollingsworth has friends visiting from the East. Haying is the order of the day, although many are wishing for rain. Mr. George Gill has a new barn nearly finished. Mr. J. Schwartz and sons will have a barn raising next Wednesday. Two in One. Dr. Bell's Anti-Pain is both an internal and external remedy. It is an antiseptic remedy and destroys disease germs. Sold everywhere on a positive guarantee. For sale by Jones Drug Co. MOUNTAIN VIEW. Everything is quiet here now and Chautauqua is the main topic. Mrs. Elma Dixon is camping at Gladstone, and Ford Curran and fam-

MAKE CHAMPION MACHINES AS GOOD AS POSSIBLE TO MAKE THEM

THAT'S THE ORDER ISSUED BY THE MANUFACTURERS OF CHAMPION HARVEST MACHINES TO THEIR EXPERIMENTAL DEP'T AND FACTORY. What is the Result? The result is the most perfectly constructed line of MOWERS, BINDERS, RAKES, TEDDERS, HEADERS and REAPERS ever turned in the Champion or any other factory. The Champion line by right of its superiority has always held first place in the esteem of the Northwest Harvester, the improved construction of the 1910 line, particularly the Binder and Mower, makes them far ahead of any previous years' line. The Improved Champion Binder Shows the Results. Several new and highly important features having been added. A wide face master wheel of great strength. The relief rake prevents weeds and grass from gathering at the inner end of the platform. The force feed elevator, a time tried Champion advantage, keeps a positive feed of grain going to the packing arms and prevents choking. The balancing sectors keep the machine correctly balanced and adjusted for cutting grains of various heights. The Binding attachment is reliable. The reel is adjustable. The platform and elevator are wide. The IMPROVED CHAMPION BINDER is the strongest and best, a machine for heavy work in any condition of grain. THE MACHINE YOU ARE LOOKING FOR. STAFFORD. The weather has been quite warm, the mercury climbing to 101 on Sunday, but a little breeze all day made the atmosphere bearable. Hay is nearly all out in this vicinity, and a fortune waited, while some is left in the fields waiting for the baler. While cherries were a high crop, they were exceptionally nice and large, some being on the Gage place measuring 2 1/2 inches in circumference. Mr. Wiseman left his family here, they are in the house where Mrs. Bentler lived, and he has come back to Kansas, but expects to return in the fall. Wild blackberries are ripening fast, but not as plentiful as in former years, but the Evergreens promise a bountiful crop. Harry Elgesen made so well upon

week in the Rose City. The thermometer registered 100 degrees here on Sunday afternoon, but old Sol has since been cooling off a little. Mrs. Lamb is visiting her brother, Aubrey Woods, for a few days, while resting from her stage work. Surely, some Willamette young lady wants to enter the Enterprise contest and win that piano! Quite a tract of land on the river at Wilsonville, was sold last week for \$750 an acre. This was some of the Schaffer place, and the property was sold to Portland parties, who intend building a Country Club-house, and this would seem to be an ideal spot, for that purpose. Mr. Retzner, a farmer from near Sheridan, has bought the Jenison place, and will take possession the first of August. The price paid was \$2500, only standing crops being included. Mr. Jenison has splendid cows, chickens, horses, implements and household things for sale cheap. The precinct Republican mass meeting held at Pleasant Hill upon Saturday evening, July 9th, was not very well attended, but delegates were elected to attend the county convention at Oregon City on July 16th. It would seem as though some change should be made in the voting place, for the voters from our village are not farmers, and many of them have no conveniences, whereas the farmers from the surrounding country are continually coming to town to do their trading, and a change would seem to benefit instead of discommending them in any way. Supt. Gray called a meeting of the board of directors of the districts which have lately formed the Union high school at Wilsonville, for last Sunday evening, the 11th of July. Mr. Brobst was elected chairman of the new high school board, and Mr. Chas. Wagner, clerk, the other trustees are Norman Bay, of Corral Creek district, and Mr. White, of Union district. A meeting will be called in the near future at which the plans for the new school will be more mature.

The Tenderfoot Farmer. It was one of these experimental farmers, who put green spectacles on his cow and fed her shavings. His theory was that it didn't matter what the cow ate so long as she was fed. The questions of digestion and nourishment had not entered into his calculations. It's only a "tenderfoot" farmer that would try such an experiment with a cow. But many a farmer feeds himself regardless of digestion and nutrition. He might almost as well eat shavings for all the good he gets out of his food. The result is that the stomach grows "weak," the action of the organs of digestion and nutrition are impaired and the man suffers the miseries of dyspepsia and the agonies of nervousness. To strengthen the stomach, restore the activity of the organs of digestion and nutrition and brace up the nerves, use Dr. Pierce's Golden Medical Discovery. It is an unfailing remedy, and has the confidence of physicians as well as the praise of thousands healed by its use. In the strictest sense "Golden Medical Discovery" is a temperance medicine. It contains neither intoxicants nor narcotics, and is as free from alcohol as from opium, cocaine and other dangerous drugs. All ingredients printed on its outside wrapper. Don't let a dealer delude you for his own profit. There is no medicine for stomach, liver and blood "just as good" as "Golden Medical Discovery."
